Airfield Housekeeping!

Remember to:

- ✦ Cleanup and removal of trash and potential flying debris (FOD).
- ✦ Remove all motorhomes, buses, boats, vehicles and/or trailers parked in aircraft aprons.
- ✦ Remove flammable materials from around fueling operations.
- ✦ Removal of vehicles from the airside of the airport.
- ✦ Comply with Municipal Code requirements for storage, handling, and dispensing of fuel.
- ✦ FAA mandated MRI to conduct a fire Marshall Inspection for any leasehold that does not comply.
