Re: MSGP Authorization Merrill Field Airport MOA – AKR06AC63

Dear Mr. Jumao-as:

The Alaska Department of Environmental Conservation (DEC) has completed its review of your Notice of Intent (NOI) requesting coverage for the Merrill Field Airport MOA under the 2020 Multi-Sector General Permit for Storm Water Discharges Associated with Industrial Activities (MSGP). DEC has determined that storm water discharges are appropriately covered by the MSGP, **Sector S - Air Transportation Facilities** and is hereby issuing wastewater discharge authorization **AKR06AC63**. Discharges from the facility are authorized under the MSGP effective as of the date of this letter and expires March 31, 2025. Attached is your authorization to discharge.

The permittee is reminded by February 15th of the year following the reporting year, the permittee is required to submit the Annual Report as provided in Appendix F. The permittee must submit the Annual Report to the Compliance and Enforcement Program address identified in Appendix A, Part 1.1.2 (dec-wqreporting@alaska.gov) or via the DEC Online Application System (OASys) located at www.dec.alaska.gov/water/oasys/index.html. See Permit Part 9.2 for further details.

An electronic copy of the Permit and additional guidance materials can be viewed and downloaded at dec.alaska.gov/water/wastewater/stormwater/multisector/.

Please reference your permit number (AKR06AC63) in all future correspondence. Prior to discharge, please review your authorization and general permit AKR060000 to ensure that you understand the requirements contained within them. Should you have questions regarding this authorization or general permit, please contact the appropriate DEC staff contact located in Section 6 of this authorization.
