The Board also discussed the cost of doing business and the escalation clause for the bid items.

F. NEW BUSINESS:

1. Work Session – Immediate Actions (If Any):
   - Eklutna Valley Community Council’s inquiry regarding seat on CBERRRSA Board of Supervisors.
   - Ms. Heather Reed reported to the Board the Legal Department’s answer. According to the interpretation of the Anchorage Municipal Code, Eklutna Valley Community could have a seat on the CBERRRSA Board of Supervisors without a code change per the Community Council Maps with the redistricting which took place July 22, 2003 (AO 2003-75). Chair Cruickshank asked the question what defines a seat on CBERRRSA Board of Supervisors? Eklutna Valley Community Council has 1.1661 road miles and approximately 53 houses taxed. The board discussed their authority regarding requests for Anchorage Municipal Code change. Will be discussed further at the February meeting regarding the criteria and lane miles required for a seat on the board. The Anchorage Municipal Code is not written clearly to determine what qualifies a community council a seat on a board — lane miles, houses etc. Eklutna Valley Community Council should have representation, it will need to be determined how to proceed.

Chair Cruickshank talked about the Transportation Improvement Program and the need for public comment.

G. FUTURE AGENDA ITEMS:
   1. Criteria for seat on CBERRRSA Board of Supervisors

H. ADJOURNMENT
   With no further business before the Board, Chair Cruikshank adjourned the meeting at 8:46 p.m.

Anthony Winsor, Superintendent
