11. Capital Budget for consideration under leaseback funding mechanism. (Edgington/Wingard)

Item was added to the agenda in case there was need to exceed the tax cap. Better understanding of how this would work shows that this is not necessary. There will be more discussions in work sessions likely in Jan/Feb 2026.

No action needed by GBOS at this time. Item will be removed from agenda until a specific project/proposal is ready.

Redline with revisions to the proposed draft plans is available in the HLBAC meeting packet.

Of concern is that Parcel 6-134 and 6-076 have moved from 1 year to 5 year plan, relating to disposal of property to Girdwood entities (GCLT and Parks and Rec). These are pending approval of the Parks Master Plan, which after local approval will go to the Assembly, and is unlikely to complete this process until fall 2026. Also language about community led development has been removed from GBOS recommendation for parcel 6-039.

ME will attend HLBAC and speak in favor of the recommendations from GBOS as they were presented in the letter from Nov 19.

16. Consider Agenda topics for MOA GBOS Quarterly Meeting scheduled Jan 26, 2026 at 4PM at Anchorage City Hall (Wingard/Edgington)
