WUI-CAT did not meet in May but still has the following update and attachments:

AFD Update:

No updates on chipping program at this time.

Sprinkler kits:

some components have arrived, which is huge progress. Still awaiting remainder of the kit components and need time to assemble kits.

Next planned outreach are Girdwood Forest Fair and Eagle River Bear Paw Festival. FFair organizers have been communicating with Stephanie and she was awaiting final confirmation for booth space last week.

General Updates:

- Our [2026 Wildfire Division Brochure](#) is available on our website and printed copies are available in our office
- Firewise assessments are rolling in. Please continue encouraging residents to [get on our list](#).
- On May 19, we had our first larger wildfire incident of the season near 100th Avenue and C Street. Previous week's [Wildfire Wednesday](#) included a briefing on the incident. While this event brought increased attention to wildfire risk, it also demonstrated how quickly AFD and DFFP were able to respond and work together. Throughout the incident, we maintained communication with partner agencies, including Girdwood Fire, Chugiak Fire, and JBER, while also coordinating with the Office of Emergency Management regarding potential evacuation messaging and coordination needs. Incidents such as this demonstrate the level of operational readiness and interagency coordination in place as we begin to see increased wildfire potential across the municipality.
- Smart911 stickers are available. If you know of any businesses or community partners willing to help with outreach, such as coffee shops, pizza shops, or other public-facing locations, please let us know. We have stickers available and can produce additional sheets as needed.

Further, the WiRē partnership for future community outreach and wildfire mitigation has begun. Girdwood SPU (Suppression Protection Unit) is one of the areas included in the project.

Phase 1 involves rapid curbside wildfire risk assessments, conducted by a small number of AFD's light-duty personnel. They anticipate the assessments in Girdwood to begin last week. No action is needed from GFD or public at this time.

Engagement begins in Phase 2:

Surveys will be mailed out during Phase 2 and Girdwood community is encouraged to complete the survey.

If community members inquire about the activity, staff will have informational leave-behind flyers available. Stephanie Dufek has also scheduled a FB and Instagram post for last week to notify the community that assessments are beginning and explain the purpose of the project.

Personnel and Training

Currently the Whittier Police Department is one position down. We are continuing our recruitment process and will conduct boards on potential police candidates within the next couple weeks.

- Officer Lloyd Willis was awarded his Alaska Police Standards Council Advance Police Certificate in May 2026.
- Officer Tim Sampson was awarded his Alaska Police Standards Council Intermediate Police Certificate in May 2026.
- Lieutenant Jerry Herrod was awarded his Intermediate Police Certificated in June 2026.
- Officer Colin Neace’s Alaska Police Standards Council Basic Police Certificate was renewed in June 2026.

Whittier Police Department is currently preparing for upcoming training in July 2026. We will be conducting our annual in-service training on use of force, reality based simulation training and recertification on new equipment (Taser 10).

We also anticipate the complete installation of our in-car videos and mobile data terminals with new software.

MUNICIPALITY OF ANCHORAGE GIRDWOOD ROADS, FACILITIES, PARKS & RECREATION

DATE: June 15, 2026
TO: Girdwood Board of Supervisors
FROM: Kyle Kelley, Girdwood Service Area Manager & Margaret Tyler, Parks and Recreation
SUBJECT: Roads, Facility, Cemetery & P & R Monthly Report

Staff: Parks Caretaker crew Luke and John are busy working for us everywhere in the park! Our campgrounds hosts have moved into more permanent housing. Campground host is open, reach out tylerms@muni.org to apply.

Bears: The local bear population is looking for easy meals. Girdwood petitioned to create and be a part of the MOA Secure Trash Regulation Zone: [Trash Regulation Ordinance](#). Girdwood has specific requirements for trash storage and collection. Fines may be assessed for failure to comply with the ordinance.

Spring! Or maybe summer just showed up. We've been super busy with cool projects like the new pavilion construction at Lions Club Park, power washing Nissman, prepping for trail projects, coordinating volunteers for Girdwood Beautification, and lots of jobs in the parks.

Dogs: Please pick up after your dog and throw bags in the trash. Dogs are not allowed on the ballfield, tennis courts, playground and skate park
If you see anything that needs attention, please contact Kyle kellekkt@muni.org or Margaret tylerms@muni.org.

Trails: Trails are good to go for the summer. Watch for wildlife and be aware of trail work on the Middle Iditarod National Historic Trail starting June 15. Stop by and say hello to the Alaska Trails and YEP crew who will be working out there.

The second Trails Tue of the year was hosted by GTC on TUE June 9 at the Cutoff trail from Alyeska Highway to Davos. Thank you to Paul and Barb Crews for facilitating the event. Thanks to Girdwood Brewing Co donating beverages to encourage our thirsty volunteers!

No trails meeting in July, next scheduled GTC meeting is in August. Subcommittee is finishing up the winter map.

Large projects this summer include a bridge to replace one that is failing between Crow Creek Road and Townsquare and continued work on the Middle Iditarod National Historic Trail, in preparation for construction and restored connectivity with the suspension bridge over Glacier Creek.

Smaller projects are maintenance and turf work on the Beaver Pond and other connector trails in the valley.

Parks & Amenities:

- *Campground:* Tent campground open!
- *Playground:* Open with 30 yards of new fresh soft wood chips spread!
- *Lions Club Park:* Pavilion construction complete!
- *Disc golf:* Open. Spring Fling Tournament May 23 and 24.
- *Library/Community Center:* Library is open TUE-SAT 10-6
- *Tennis Courts:* Nets and windscreens are up.
- *Soccer field:* open.
- *Sladen J Mohl Ball Field:* Open
- *Skate Park:* Open
- *Annual Beautification:* done! Thanks everyone!

GBOS Non-profit Grants: Grantees should be receiving payment soon. 2027 grant cycle will be announced July 1; applications available August 3 - September 11.

Other Grants:

National Forest Foundation Matching Awards Program (MAP) Grant: GVSA was not awarded this grant. Staff attended feedback session; next application round is in the summer with fall award.

Land and Water Conservation Fund (LWCF) Grant: GVSA applied and was awarded a grant for the Lions Club Park Pavilion. Match is 1:1. LWCF grant request is \$103,737.00 for a project costing \$207,474.00. Grant must be wrapped up by 2027. Kyle has completed reporting for now.

Staff is working on interpretive signs; materials are ready for construction May/June 2026.

Recreational Trails Program Grant (RTP): GVSA/GTC opted not to apply for 2026 RTP grant. In 2024 GTC/GVSA was awarded RTP funding for the Middle Iditarod National Historic Trail. This project is under way and will continue through 2026. Kyle is working on reimbursements, currently in winter shut-down, poised for start in spring.

Rasmuson Foundation: GVSA received \$250,000 Tier 2 Grant to assist with construction of the suspension bridge to replace the decommissioned hand tram.

National Forest Foundation: GVSA has completed application through the National Forest Foundation of approximately \$220,000 for the bridge to replace the hand tram.

Alaska Community Foundation: Trail Care Fund Grant application was not successful.

Anchorage Park Foundation: GTC was awarded grant with 1:1 match for interpretive signs for the interpretive center at the suspension bridge.

Social Media & Websites: GBOS, committee and sub-committee meetings are now available on a calendar view. Go to www.muni.org/gbos/events and see what meetings are coming up! GBOS videos are on line: <https://www.youtube.com/channel/UCOUJINnprZEjhbpVPiJOIEA>

Roads and Drainages

Road Status: It has been a busy spring/early summer for road maintenance and projects. The following items have been completed:

- Spring sweeping all paved roads collected 400 tons of debris from the roads
- Spring grading and compaction of all gravel roads has been completed. 50,000 lbs of calcium chloride have been applied to the gravel roads for dust suppression and road hardening. We have another 20,000 lbs in reserve to reapply to main connectors as needed.
- Drainage work completed on Vail, St. Johann, Alpine Meadows, Northland, Alta, Brighton, Alyeska View, Lake Tahoe, Mount Hood, Arlberg, Olympic Mountain Loop, Jewel Mine, Timberline and Crystal Mountain. The work consisted of reshaping the ditch, lowering driveway culverts, adding more road material to improve drainage, and replacing culverts. We also addressed areas that had chronic icing issues this winter.
- All paved road traffic-painted lines have been repainted. All traffic signs have been repaired and will be addressed as problems arise.
- Another round of projects and maintenance of roads will happen in the late summer/early fall after we complete the rebid of the roads contract in July. In the meantime, GVSA staff will be making brushing improvements in various spots throughout the service area to open the line of sight and improve drainage access as needed.

Major project updates:

Ruane Road fish passage culvert replacement. The Boutet company will lead project management for this new culvert project, and the Jacobs company will assist in ensuring compliance with the EPA grant and federal requirements. EPA has approved our Request for Proposal (RFP) for Design and Engineering services for the new culvert. An RFP is currently being advertised by MOA Purchasing to solicit bids from professional firms to provide the design services for the construction of the new culvert. Still on pace to be constructed in summer 2027.

Winner Creek Trail Bridge at the Glacier Creek crossing: A contract has been signed with Spernak and Sons for them to procure the bridge construction materials and build the bridge. We have a pre-construction meeting with the contractor this week to kick off the project and confirm

the construction schedule. This project will start this summer and be completed next summer in 2027. The materials needed for this project have long lead times, and recent disruptions in global markets have led to unforeseen increases in material, freight, and fuel costs. Besides the challenges this project already faces because of its location, these unforeseen market conditions only add more work to complete this great bridge for the community.

GVSA Road Maintenance contract: The five-year contract with Western ended in April, but we extended it by 90 days to work with Purchasing to establish a new bid that meets their updated requirements. In April, we had a meeting with Purchasing to determine how we should correctly account for summer construction work and pay Davis-Bacon wages to the contractor for the work performed. We finally worked out documents and equipment specifications that the Purchasing department will accept, so we can issue a contract for bidding. Eagle River roads are in the same position, so we've worked with them to flesh out the language that purchasing approves. All documents for bidding the new GVSA have been submitted to Public Works Administration leadership for their review. I am hoping they complete their review this week so we can get it over to MOA Purchasing to solicit bids from contractors. The goal is to have the Invitation to Bid process completed so we have a new contract in place for August 1, 2026.

Resolution 2026-XX
Of the Girdwood Board of Supervisors
**RESOLUTION OF SUPPORT
FOR THE ANNUAL REPLACEMENT OF FIRE DEPARTMENT HOSE, TURNOUTS AND
BEDS.**

WHEREAS, Girdwood Fire and Rescue annually test fire hose and replaces the needed lengths of hose and firefighting tools and anticipates replacing approximately \$10,000 of fire hose and equipment; and

Whereas, the fire department has 6 mattresses past the MOA replacement cycle, and needs to replace 6 mattresses using MOA supply contract for an anticipated cost of \$4,800; and,

Whereas the fire department annually replaces 3-4 sets of turnouts and personal protective firefighting equipment for an anticipated cost of \$5,200, and

Whereas, the Girdwood Fire and Rescue Board on April 28, 2026 approved by resolution support of these purchases from the capital account.

THEREFORE, the Girdwood Board of Supervisors supports the purchase of hose, firefighting tools, turnouts and mattresses at a combined cost not to exceed \$20,000 (TWENTY THOUSAND DOLLARS)

PASSED AND APPROVED

Resolution 2026-XX
Of the Girdwood Board of Supervisors
**RESOLUTION OF SUPPORT
FOR THE PURCHASE OF 1 FIRE DEPARTMENT VEHICLES**

WHEREAS, in 2022, Girdwood Fire and Rescue Inc (GFR) identified the need to purchase 3 replacement command vehicles, and this was discussed and approved both the Girdwood Fire Board and Girdwood Board of Supervisors with the proposal that 2 vehicles would be purchased from the 406 account and one vehicle was proposed to be purchased from Areawide EMS due to its function of moving medical supplies; and

Whereas, in 2023, the MOA funded 2 of the command vehicles with SEMT funding and determined the third vehicle would need to be from the Girdwood 406 account; and,

Whereas 3 years have passed and the Girdwood Fire and Rescue Board on April 29, 2026 reaffirmed their approval to purchase one command vehicle of the 406 account; and,

THEREFORE, the Girdwood Board of Supervisors supports the purchase of one vehicle replacement at a cost not to exceed \$100,000 (ONE HUNDRED THOUSAND DOLLARS) from the GFR 406 Capital Account.

PASSED AND APPROVED

GHEC Proposed additions to Section 9:

Skirting around the base of the mobile dwelling

Connection to sewer

Street facing façade (siding) to match that of the main dwelling

LUC Discussion, not included in motion:

Concern about grouping of smaller units along Alyeska Highway viewshed, consider removal of Relocatable Dwelling Unit Community for gR-1.

Consider line 245 in section 9. Remove and retain design standards for relocatable dwelling units.

Agree with connection to sewer

AO NO. 2026-____**

AN ORDINANCE AMENDING AMC SECTIONS 21.09.020, 21.09.040(C)(2)(b)ii), AND 21.09.050(A)(5) TABLE 21.09-2 “TABLE OF ALLOWED USES” TO ALLOW MORE FLEXIBILITY FOR SMALL FORMS OF HOUSING AND RELOCATABLE DWELLING UNITS IN THE gR-1, gC-5 and gC-8 ZONING DISTRICTS

(Planning and Zoning Commission Case No. 2026-00__

WHEREAS, the Assembly finds that as a resort community, Girdwood faces high external housing demand and has seen a drastic increase in short term rentals in the last 10 years, making it challenging for year-round residents of Girdwood to obtain housing, and raising concerns among residents that the character of this beloved and close-knit community will be lost as community members, especially working and middle class families, will be increasingly priced out of the housing market; and

WHEREAS, to meet the housing needs in Girdwood, the development of housing that is at least 50% occupied as primary residences whether owner occupied or leased on a five-month to yearly basis should be prioritized; and

WHEREAS, Girdwood has an estimated immediate need to add at least 150-300 units of year-round permanent housing for residents to its inventory and this demand will be updated through the Girdwood Area Plan that is underway; and

WHEREAS, the Assembly finds that the Girdwood community seeks some relief to the housing pressures experienced by current and future full-time residents of Girdwood, specifically by providing more stable long-term rental property and more attainable housing to those at 120 percent and below area median incomes; and

WHEREAS,; one way to provide more stable long-term rental property and more ; attainable housing to those at 120 percent and below area median incomes is to reduce current zoning regulations restricting what property may be used for residential purposes; and

43 **WHEREAS**, current zoning regulations for Girdwood as set forth in AMC 21.09 do
44 not permit use of “mobile homes” or “relocatable housing” in zoning districts gC-5
45 and gC-8 and;
46

47 **WHEREAS**, permitting use of “mobile homes” or “relocatable housing” in zoning
48 districts gC-5 and gC-8 can reasonably be expected to increase the supply of more
49 attainable housing to those at 120 percent and below area median incomes
50 residential property in Girdwood thereby providing more stable long-term rental
51 property and more attainable housing to those at 120 percent and below area
52 median incomes; and
53

54 **WHEREAS**, AO-2025-45 was adopted to expand the allowable uses of relocatable
55 homes in all areas of Anchorage except Girdwood ; and
56

57 **WHEREAS**, ; similarly expanding the allowable uses of relocatable homes in the gC-
58 5, gR-1 and gC-8 zoning districts in Girdwood is in the public interest; and
59

60
61 **WHEREAS**,; **WHEREAS**, one of the goals of the Anchorage 2020—Anchorage Bowl
62 Comprehensive Plan is for a balanced, diverse supply of affordable, quality housing,
63 located in safe and livable neighborhoods with amenities and infrastructure, that
64 reflects Anchorage’s varied social, cultural, and physical environment; and,
65

66 **WHEREAS**, Policy #59 of the Anchorage 2020—Anchorage Bowl Comprehensive
67 Plan calls for the Municipality to recognize mobile home parks, co-ops, and common
68 ownership interests as viable, affordable housing choices and neighborhood
69 lifestyle options; and,
70

71 **WHEREAS**, Goal #3 of the Anchorage 2040 Land Use Plan calls for Anchorage’s
72 neighborhoods to provide a range of places to live, meeting the housing needs of
73 residents at all income levels, household sizes, interests, ages, abilities, and races
74 and ethnicities; and,

82 **THE ANCHORAGE ASSEMBLY ORDAINS:**
83

84 **Section 1. Amendment of AMC 21.09.040(B)(2)(a)(ii).** AMC 21.09.040(B)(2)(a)(ii)
85 is hereby amended to read as follows [deletions are overstruck, new language is
86 underlined]:

87
88 a. gR-1 (Alyeska Highway Mixed Residential) district.

89 i. Location. The gR-1 district is located in two sections along Alyeska Highway
90 from just north of the railroad to just past the junction with Crow Creek Road and
91 encompasses already-sewered, established and largely developed residential
92 neighborhoods characterized generally by single-family detached and two-family
93 development.

94 ii. Intent. The intent of this district is to continue the existing pattern of
95 development as dwelling units are constructed on the remaining undeveloped lots,
96 and to permit development of hostels, inns and multiple-family housing. Relocatable
97 dwelling units on individual lots are allowed in this district.

98 iii. District-specific standard. More than one principal structure may be
99 allowed on any lot or tract by administrative site plan review.

100
101
102 **Section 2. Amendment of AMC 21.09.040(C)(2)(e)(ii).** AMC 21.09.040(C)(2)(e)(ii)
103 is hereby amended to read as follows [deletions are overstruck, new language is
104 underlined]:

105
106 ii. *Intent.* This district is the southern extension of the new townsite.
107 Development in this district is intended to include a blending of commercial,
108 institutional, residential and park uses, with new and modified access routes
109 established. Small commercial lots are anticipated along the extension of south
110 Hightower, where a main street character, similar to the north townsite area, is
111 intended. This may differ from larger lot commercial development at the south end
112 of the commercial district, where a larger structure (grocery store) is anticipated.
113 Although buildings are likely to be larger than in new townsite areas north of the
114 Alyeska Highway, the desired character is expected to be compatible with
115 Girdwood's mining town origins, using elements such as human-scale building
116 massing; varied rooflines; protected entries; traditional window forms; well-detailed
117 retail frontages; and use of natural materials. Relocatable dwelling units on
118 individual lots are allowed in this district.

119
120
121 **Section 3. Amendment of AMC 21.09.040(C)(3)(a).** AMC 21.09.040(C)(3)(a) is
122 hereby amended to read as follows [deletions are overstruck, new language is
123 underlined]:

124
125 a. Ground-floor residential. In the gC-2, ~~gC-5~~, and gC-7, ~~and gC-8~~ commercial
126 districts, residential uses are permitted only on an upper story above the ground floor.
127 Commercial and/or other non-residential uses shall occupy the ground floor.

128

129 **Section 4. Amendment of AMC 21.09.040(C)(3)(b).** AMC 21.09.040(C)(3)(b) is
130 hereby amended to read as follows [deletions are overstruck, new language is
131 underlined]:

132 b. Arcades and covered walkways in the New Girdwood Townsite. In the gC-
133 5, gC-7, gC-8 and gC-9 districts, arcades or roofed walkways are required along the
134 street face of all new commercial buildings and as part of any application for
135 modification or redevelopment. In the gaps between buildings within these districts,
136 privately maintained walkways are required. Development standards for arcades
137 and walkways on building frontages are established in subsection 21.09.080 E.5.d.

138

139

140 **Section 5. Amendment of Table 21.09-2.** AMC 21.09.050(A)(5) titled Table of
141 Allowed Uses is hereby amended as follows:

142

143

144 A. A new "Use Type" row labeled "Relocatable Dwelling Unit is added to the
145 Household Living Use Category.

146

147 B. A new "Use Type" row labeled "Relocatable Dwelling Unit Community, is added

171 **Section 6. Amendment of AMC 21.09.060(B)(1).** AMC 21.09.060(B)(1)
172 Amendment of Table 21.09-2. AMC 21.09.060(B)(1) titled Table of Dimensional

Standards Girdwood Residential Districts for the R-1 Alyeska Highway mixed residential district is hereby amended as follows:

A. A new "Use Type" row labeled "Relocatable Dwelling Unit Community, is added to the Uses Column.

B. "Dwelling, single family detached" is hereby amended to read: "Dwelling, single family detached, relocatable dwelling unit".

C. Dimensional standards are added for the Relocatable Dwelling Unit Community Use type using the following language:

See 21.05.030(A)(8)(b)

NOTE: the above language applies existing single family residential dimensional standards for minimum lot size, setbacks and lot coverage for relocatable dwelling units on individual lots in the gR-1 district. For any new trailer parks the standards used by Anchorage will apply. No change to minimum lot sizes, setbacks etc. in gC-5 and gC-8.

NOTE: MOBILE DWELLING UNITS NOT ALLOWED IN FLOODPLAIN

Section 7. Amendment of AMC 21.09.070(K)(1)(a). AMC 21.09.040(K)(1)(a) is hereby amended to read as follows [deletions are overstruck, new language is underlined]:

K. Snow management.

1. Commercial, community, industrial, and residential uses.

a. Applicability.

i. Single-family, two-family, relocatable and townhouse dwellings on individual lots are exempt from this section.

ii. Applicants in Girdwood may instead comply with the generally applicable snow storage provisions of subsection 21.07.040F., except that storage of snow is prohibited in natural vegetation areas required by subsection 21.09.070E.4.

Section 8. Amendment of AMC 21.09.070(M)(2)(b). AMC 21.09.070(M)(2)(b) is hereby amended to read as follows [deletions are overstruck, new language is underlined]:

b. Single-family, two-family, relocatable dwelling unit and townhouse. The sign standards of Section 21.12.050 shall apply to a single-family dwelling, relocatable dwelling unit, duplex or townhome, except only one freestanding identification sign shall be allowed for any residential subdivision.

Section 9. Amendment of AMC 21.09.080(A). AMC 21.09.080(A) is hereby amended to read as follows [deletions are overstruck, new language is underlined]:

21.09.080 - Building design standards.

A. Purpose and general goals. The design standards establish control over certain aspects of the design of multiple-family, commercial, and resort development in order to retain the visual beauty and character of Girdwood Valley's natural landscape and to reduce the visual and physical problems arising from poor site planning. Except as modified by an approved development master plan, these standards apply to new or remodeled development, as noted in the specific applicability statements, and related new accessory structures. Specific purposes include:

- 1. To preserve and reinforce the unique natural qualities of the site;
- 2. To fit the building into the land in a way to keep natural landforms and features intact; and
- 3. To treat the building as an integral part of the natural environment and an attractive addition to the Girdwood community.

The standards contained in this section shall not apply to relocatable dwelling units.

No part of Chapter 21.09, is meant to preclude, discourage, or inhibit the design, installation, or implementation of ecologically sound methods of harnessing and utilizing wind, solar, hydro, or other sources of renewable energy in Girdwood.

Section 10. This Ordinance shall become effective immediately upon passage and approval by the Anchorage Assembly.

PASSED AND APPROVED by the Anchorage Assembly this _____ day of _____, 2026.

Generalized Zoning Districts

	TA Turnagain Arm Areas intended to govern the land uses known as Turnagain Arm south of Foster Marsh, including, but not limited to, Rainbow, Indian, Bird Creek, and Portage.		MC Marine Commercial District Area intended for water-dependent or water-related (coastal) commercial uses.
	GRST-1, GRST-2 Resort Resort districts are focused on tourism and alpine skiing. These districts permit a varied range of commercial and residential dwelling uses.		MI Marine Industrial District Area intended for a mix of water-dependent or water-related (coastal) industrial manufacturing, processing, storage, wholesale or distribution operations.
	GR-1, GR-2, GR-2A, GR-3 Girdwood Residential Areas intended for primarily single and two-family development, although some districts may permit the development of overnight lodging, childcare, religious assembly, community buildings, etc.		PLI GOS Public Lands and Institutions Areas of significant public open spaces, public and quasi-public institutional uses and activities, and public land reserves for which a specific use or activity is not yet identified.
	GR-4, GR-5 Multiple Family Residential Districts Areas intended for multi-family development on public sewer.		GIP, GIP-p Parks and Recreation Public parks.
	PC Planned Community District Large areas under unified ownership or development control which are allowed flexibility in later use and development design when done under the auspices of a publicly reviewed and approved master development plan. Intended for large master-planned projects which will be constructed in phases over time.		GWS, WS Watershed District Areas are intended to protect the potable water reserves available to the municipality in the Chugach Mountain Range.
	GC-1, GC-2, GC-3, GC-4, GC-5, GC-6, GC-7, GC-8, GC-9, GC-10, GCR-1, GCR-2, GCR-3 Urban/Suburban Commercial Districts Areas are intended to serve the commercial needs of the community ranging from small-scale neighborhood establishments to large-scale community-wide businesses. Specific zoning districts within the category address neighborhood, central business district, and highway-oriented development, as well as specific types of commercial use.		AF Antenna Farm District Areas intended for erection of communication equipment, typically in the form of metal towers which support receiving or transmitting antennas.
	GI-1, GI-2 Girdwood Industrial District Areas are intended for manufacturing, processing, storage, wholesaling and distribution operations, but also permits limited commercial uses.		TR Transition District Areas left without stricter zoning restrictions because they were originally located where development patterns were still uncertain and were not expected to develop in the immediate future along definitive land use lines. Transition zones are temporary, and during the interim before a more restrictive zoning classification is established, development is intended to proceed in accordance with the Comprehensive Plan.
	GDR, GRR Reserve Areas identified to hold land for future development and recreational opportunities.	NOTICE 1) The colors depicted on this map represent a consolidation of generally similar zoning districts. In some land use categories represented by the same color, there remain distinct differences in regard to certain types of uses and/or siting/development standards. For details on individual zoning districts, refer to Title 21, Land Use Planning, in Anchorage Municipal Code. 2) This is not a copy of the official zoning map.

18 **WHEREAS**, By vote of the people in 1979, revenues raised by a 4% tax on hotel-motel
19 rooms (Room Tax) in the Municipality are dedicated to “promotion of the tourism industry;”
20 and

21
22 **WHEREAS**, with the approval of AM 955-2025, on December 16, 2025, the Municipality
23 entered into a contract with Visit Anchorage for all but a withheld amount of the 4% Room
24 Tax dedicated to the promotion of the tourism industry; and,

25
26 **WHEREAS**, the withheld amount reserves to the Municipality a portion of the bed taxes
27 dedicated to the promotion of tourism for Tourism Improvement Projects that will require
28 Assembly approval and be administered by the MOA or its designee; and,

29
30 **WHEREAS**, the TIPs amount for 2026 is \$1,600,000; now, therefore,

31
32 **THE ANCHORAGE ASSEMBLY RESOLVES:**

33
34 **Section 1.** That the following 2026 TIPs projects are consistent with the Professional
35 Services Contract provisions reserving a portion of Room Tax revenues for tourism-
36 related grants, visitor-facing infrastructure, public safety enhancements, and destination
37 development activities and are hereby approved:

- 1 • \$750,000 to the Alaska Center for the Performing Arts (ACPA) for management
- 2 costs
- 3 • \$650,000 to the Anchorage Police Department for overtime funding to support
- 4 **[downtown] foot patrols in downtown, and patrols as needed to address hot**
- 5 **spots in area-wide parks and pedestrian facilities** to enhance public safety in
- 6 tourism areas
- 7 • \$100,000 to support Fur Rendezvous in replacing critical IT systems and other
- 8 ongoing operations
- 9 • \$100,000 to the Anchorage Parks & Recreation Department for acquisition and
- 10 deployment of a mobile restroom facility to support tourism-facing facilities and
- 11 events.
- 12

13 **Section 2.** That an amount of SEVEN HUNDRED FIFTY THOUSAND DOLLARS
14 (\$750,000) is hereby reappropriated from the Convention Center Operating Reserves
15 Fund (202020), 2026 Tourism Budget, to a transfer and appropriating said transfer to the
16 Areawide General Fund (101000) for ACPA contractual management costs, all within the
17 Office of the Chief Administrative Officer.

18
19 **Section 3.** That an amount not-to-exceed of SIX HUNDRED FIFTY THOUSAND
20 DOLLARS (\$650,000) is hereby reappropriated from the Convention Center Operating
21 Reserves Fund (202020), Office of the Chief Administrative Officer, 2026 Tourism
22 Budget, to a transfer and appropriating said transfer to the Anchorage Metropolitan Police
23 Service Area Fund (151000), Anchorage Police Department, for overtime funding to
24 support foot patrols in **downtown, and patrols as needed to address hot spots in area-**
25 **wide parks and pedestrian facilities, and other [high]** tourism areas to enhance public
26 safety.

27
28 **Section 4.** That an amount of ONE HUNDRED THOUSAND DOLLARS (\$100,000) is
29 hereby reappropriated within the Convention Center Operating Reserves Fund (202020),
30 Office of the Chief Administrative Officer, 2026 Tourism Budget, to support Fur
31 Rendezvous in replacing critical IT systems and other ongoing operations.

32
33 **Section 5.** That an amount not-to-exceed of ONE HUNDRED THOUSAND DOLLARS
34 (\$100,000) is hereby reappropriated from the Convention Center Operating Reserves
35 Fund (202020), Office of the Chief Administrative Officer, 2026 Tourism Budget, to a
36 transfer and appropriating said transfer to the Anchorage Parks and Recreation Service
37 Area Capital Improvement Projects Fund (461800), Anchorage Parks and Recreation
38 Department, for acquisition and deployment of a mobile restroom facility to support
39 tourism-facing facilities and events.

40
41 **Section 6.** This resolution shall be effective immediately upon passage and approval
42 by the Assembly.

23

24 By vote of the people in 1979, revenues raised by a 4% tax on hotel-motel rooms
25 (Room Tax) in the Municipality are dedicated to "promotion of the tourism industry."
26

27 On December 16, 2025, the Anchorage Assembly approved AM 2025-955 authorizing
28 the Municipality to enter into a Professional Services Contract with Visit Anchorage,
29 executed on January 16, 2026 for all but a withheld amount of the 4% Room Tax
30 dedicated to the promotion of the tourism industry.
31

32 The withheld amount reserves to the MOA a portion of the Room Tax revenues
33 dedicated to the promotion of tourism for Tourism Improvement Projects (TIPs). TIPs
34 may include tourism-related grants, additional promotional initiatives, visitor-facing
35 infrastructure, and destination development activities such as trails work, wayfinding,
36 support for festivals and events (including sporting events, dog mushing, performing
37 arts and music festivals, concerts), support for attractions such as botanical gardens,
38 wildlife attractions, cultural institutions, sister cities exchanges, and visitor
39 transportation. TIPs are not intended to shift responsibilities historically borne by the
40 Contractor.

The amounts to be withheld for the TIPs are as follows:

- 2026: \$1,600,000
- 2027: \$1,500,000
- 2028: Ten percent (10%) of 2027 Net Tourism Receipts
- 2029 and thereafter: Ten percent (10%) of Net Tourism Receipts paid to Visit Anchorage for the prior year.

For 2026, the Administration requests Assembly approval and appropriation of the following projects for the \$1,600,000 TIPs:

- \$750,000 for Alaska Center for the Performing Arts (ACPA) management costs. Under AM 759-2025, the Anchorage Assembly approved amending the ACPA management agreement contract by an increase of \$1,089,000, from \$1,598,52.74 in 2025 to \$2,687,502.74 for 2026.
- \$650,000 to the Anchorage Police Department to fund overtime for downtown foot patrols to enhance public safety in high-tourism areas.
- \$100,000 to support Fur Rendezvous, Anchorage’s premier winter-time festival, in replacing critical IT systems and other ongoing operations.
- \$100,000 to Anchorage Parks & Recreation Department for acquisition and deployment of a mobile restroom facility to support tourism-facing facilities and events. When not deployed for events, the mobile restroom facility is anticipated to serve public areas, such as Town Square Park.

The budget details are recommended as follows:
