Agenda Item LUC 2601-01:

Land Acknowledgement: As we gather with a common intention for our GVSA this evening, LUC would like to begin by acknowledging the stewardship of the indigenous peoples of Alaska, whose land we reside on and the surrounding waters we depend on. The current area of Girdwood is situated between the areas known to be Dena'ina and Alutiiq homeland. A necessary connection for Alaska Native people, the landscape and waters around us served to carry their traditional ways of life; to gather here and harvest Native foods. The community of Girdwood respects the Dena'ina and Alutiiq people, who were stewards of this land for generations. We will continue to be stewards of this land and are grateful to be a part of this community.
