

Summer Trails Projects

- Glacier Creek Bridge on Winner Creek Trail
Bids Opened. Project awarded to Spernak and Sons. Timeline includes pre-work in 2026, construction in 2027.
- California Creek Bridge replacement (Town Center to Crow Creek Rd Crossing)
Funding received and permitting complete. Project started 7/7/26 and wrapping up early Aug.
Volunteer effort is proposed to work on the Crow Creek Road access trail

- Middle Iditarod NHT
RTP \$80,000 reimbursement received.

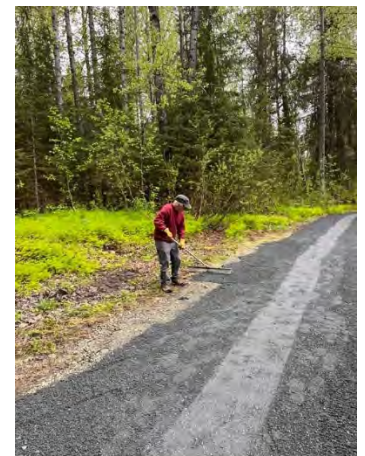

- AK Trails worked 2 weeks in June; YEP crew 1 week in June. AK Trails returns in AUG for another hitch.
Focus of this years' work is moving town valley toward the school to the location where the trail will be re-routed around Holtan Hills subdivision.
- Lower Iditarod NHT
Early season work to remove sticks and overgrowth. Brushed in July by seasonal crew.

- Beaver Pond Trail
Continuation of drainage and trail tread improvements. Alaska Trails Crew brushed the trail end of June.

- Connector trails from Alyeska Highway to Lower Davos Rd.

Work party June 2026 for drainage work and gravel

- Lower Virgin Creek Trail (from Virgin Creek Rd to Danich)
Project is trail clearing, work on establishing a single route up the hill to meet the social trail on the ridge.
Trailhead, map and signage installation when work is complete.
