

Notes

Girdwood Trails Maps Sub-Committee Work Session RE: Trail Maps MON Feb 26 2024

Girdwood Trails Committee meetings are taking place on Teams with in-person attendance at the Girdwood Community Room, 250 Egloff Rd.

1PM Call to Order

Approval of Feb 26 work session agenda

Business:

Discuss project to update Girdwood Summer Trails Maps:

Group reviewed draft map and chose to remove some trails that don't have legal connectivity.

Other changes to key, and trail/community resources (tram, USFS, Fire station), etc.

Group wants to show clearly those trails that are paved and to show the connectivity of the Iditarod National Historic Trail/(Long Trail)/Winner Creek Trail systems.

Margaret and Kyle will review changes with contractor and will set a meeting once those changes have been made. Kate Sandberg will work on the trail user notes on the map to make them more positive and concise. Trail etiquette will go on top of the page and trail user notes on the bottom. Grid regarding trail uses/lengths will include land manager as well as noting trails that are restricted in use (ie bike only).

Public Comment (3 minutes each): None

Adjourn

Girdwood Trails Committee Agendas and minutes are available on line: www.muni.org/gtc
