

Meeting #2
September 4, 2012, 5:30-7:30PM
Location: USKH Offices, 2515 A Street

AGENDA

ITEM 1: Review of Meeting Purpose and Objectives -

In this process, one of the objectives is to come up with some key site criteria. Tonight, we will be discussing what are some features and characteristics associated with site criteria.

ITEM 2: Review of Disc Golf Materials from Boulder, Colorado (Mark McCaffrey, MOA)

What have other municipalities done for their issues?
What issues are similar or relevant?
How were their issues managed?

ITEM 3: Maps of Existing Course Locations and Potential Sites (Terry Schoenthal, USKH)

The provided map shows the current disc golf course locations within the Municipality of Anchorage. These courses do extend as far as Girdwood, and vary in size and course length. Potential sites have been shown on a separate map as parks as they contain 15 acres or more in space.

ITEM 4: Site Criteria (Roundtable discussion)

Suggested talking points:

- Size?
- Access?
- Number of targets?
- Signage?
- Topography?
- Parking?
- Safety?
- Restrooms?
- Neighborhoods?
- Schools?
- Trails?

DISC GOLF INVENTORY/ANALYSIS CRITERIA (Boulder, CO)
1) Disc Golf within an existing use area
2) Disc Golf within a planned use area
3) Disc Golf within a shared use or dedicated use area
4) Surfacing and topography
5) Physical, political, legal, or natural constraints
6) Suitability for disc golf
7) Required infrastructure and maintenance

CLOSING: Upcoming Schedule and objectives

Next schedule meeting: September 18th (5:30-7:30pm) – Management Strategies

→ CHANGES TO SEPT 19TH
