Campbell Creek Estuary Master Plan

June 2012

Spectrum of Development

PLACE A STICKER NEXT TO THE LEVEL OF DEVELOPMENT, AMENITIES OR ACTIVITIES FOR EACH CATEGORY THAT YOU FIND MOST APPROPRIATE FOR THIS SITE.

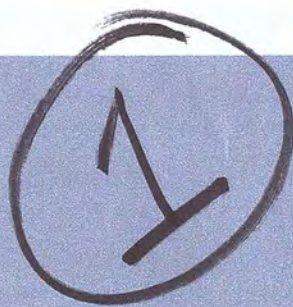

CATEGORY	● LEAST DEVELOPED	●	●	● MOST DEVELOPED	ADDITIONAL COMMENTS
NO DEVELOPMENT	NATURAL/LEAST DEVELOPMENT	SOME DEVELOPMENT	MODERATE DEVELOPMENT	HIGHLY DEVELOPED	
Experience	 10 http://www.anchorageparkfoundation.org/directory/johns.htm Supervised docent led tours only, closed except by permit, a few trails	 18 Trails, Some structures, Self guided, Walking, Bird-watching	 http://www.alaska-in-pictures.com/board-walk-at-potters-marsh-2707-pictures.htm Decks, amenities, multiple trails, information throughout site	 In Limited Development Area: covered structures. Throughout site: decks, amenities, multiple trails	- Access by permit only. - Cranes! - Sensitive bird nesting area - Some development with decks and info
Education	 1 NONE No information on site except for minimal signage at entry	 13 Brief information at entry/trail head	 12 Multiple topics, multiple panels	 STRUCTURE FOR OUTDOOR CLASSROOM Amphitheater, gathering space for educational purposes	- Make primary use. - User groups assume most responsibility. - Phase info, first in parking lot then throughout site
Trail Surface	 12 NARROW COMPACT SURFACE Dirt paths	 13 NARROW WOODCHIP OR GRAVEL 3'-6' Wide path	 5 BOARDWALK/OPEN GRATE	 WIDE GRAVEL TRAIL 6'-8' wide paths	- Plastic netting that will allow drainage and vegetation. - No bikes
Overlook	 6 WIDENED TRAIL IN TRAIL	 17 SMALL DECK At lookout areas, railing, no amenities	 2 LARGE DECK Railing, seating, interpretive material	 CANTILEVERED STRUCTURE Allows viewers access to the tree canopy and an enhanced viewing spot	- Respect crane habitat - Do not put deck out in marsh
NONE ON LENNOX	 2 NONE Access via dirt parking	 12 SINGLE LOT, (5-10 SPACES)	 11 SINGLE LOT, (10-20 SPACES)	 2 TWO LOTS, (5-15 SPACES EACH)	- Bus and van parking provision
Access/ Circulation	 15 ONE LOOP Out along the bluff and back (concept, not an actual trail layout)	 6 TWO LOOPS Two linked loops (concept, not an actual trail layout)	 2 TRAILS TO ALL HABITAT TYPES Multiple loops accessing all habitat types (concept, not an actual trail layout)	 TIERED TRAIL SYSTEM THROUGHOUT SITE Varied trail types and surfaces aimed at more users, access to water (concept, not an actual trail layout)	- User groups develop based on importance. - Include controlled access to showable parts of estuary/mudflats - Minimal trail development
Bathroom	 19 NO MAINTENANCE	 9 PORT-A-POTTY With decorative screen	 2 CONCRETE VAULT	 FULL SERVICE WATER & SEWER	- Prefer none but vault if necessary and van parking provision
Meadow	 14 NO MAINTENANCE Allow for natural succession to take over	 11 PARTIALLY MAINTAINED Maintain part of meadow, allow natural succession in portion	 4 MAINTAINED AS HABITAT LOW FREQUENCY Maintain all of meadow as tall grass	 MAINTAINED AT HIGH FREQUENCY Maintain meadow more frequently to avoid woody plant growth	- Let it evolve - Maintain as habitat with native plant variety
Security	 1 SIGNS Warnings, "prohibited", No lighting in parking lot	 22 GATE Locked at certain hours, lighting in parking lot	 8 SEASONAL CAMPER HOST Location provided without on-site facilities	 3 FULL TIME CARETAKER Lives on-site year round	- Electrical and water should be provided for camper host. - Seasonal camper host with periodic security service drive by. - No full-time host - No lights - Phase in full time caretaker if crime starts up - Yes to gate, unsure on lights
NO DOGS	 2 ON-LEASH On-leash signage, no additional amenities or barriers	 2 DOG-USE INSTRUCTIONS (RELATED TO SENSITIVE HABITAT) Poop stations, disposal sites, and info regarding sensitive habitat	 HABITAT FENCING Fencing blocks dog access to sensitive habitat	 1 ALL ITEMS INCLUDED	- No dog amenities.

NO DEVELOPMENT

Experience

NATURAL/LEAST DEVELOPMENT

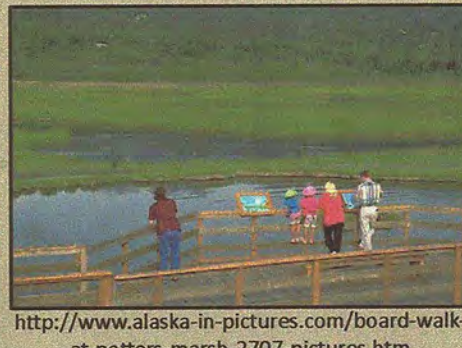

Supervised docent led tours only, closed except by permit, a few trails

SOME DEVELOPMENT

Trails, Some structures, Self guided, Walking, Bird-watching

MODERATE DEVELOPMENT

Decks, amenities, multiple trails, information throughout site

HIGHLY DEVELOPED

In Limited Development Area: covered structures. Throughout site: decks, amenities, multiple trails

Education

PRIMARY USE
User groups assume most responsibility - Not parks Dept. (Cascadia) (Bartle's) (etc.)

NONE

No information on site except for minimal signage at entry

INFORMATION IN PARKING LOT

Brief information at entry/trail head

INTERPRETIVE PANELS THROUGHOUT SITE

Multiple topics, multiple panels

STRUCTURE FOR OUTDOOR CLASSROOM

Amphitheater, gathering space for educational purposes

Trail Surface

Plastic mulch that will allow drainage and vegetation anchoring

NARROW COMPACT SURFACE

Dirt paths

NARROW WOODCHIP OR GRAVEL

3'-6' Wide path

BOARDWALK/OPEN GRATE

WIDE GRAVEL TRAIL

6'-8' wide paths

Overlook

WIDE SPOT IN TRAIL

Widened trail with seating area

SMALL DECK

At lookout areas, railing, no amenities

LARGE DECK

Railing, seating, interpretive material

CANTILEVERED STRUCTURE

Allows viewers access to the tree canopy and an enhanced viewing spot

Parking Lot(s)

NONE

Access via street parking

SINGLE LOT, (5-10 SPACES)

SINGLE LOT, (10-20 SPACES)

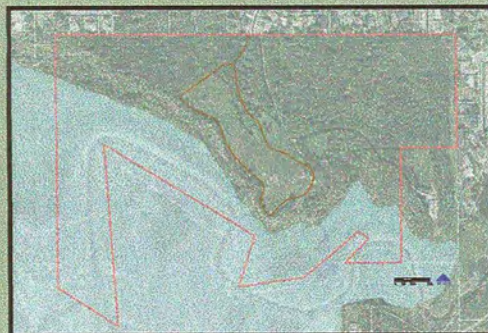

TWO LOTS, (5-15 SPACES EACH)

Access/
Circulation

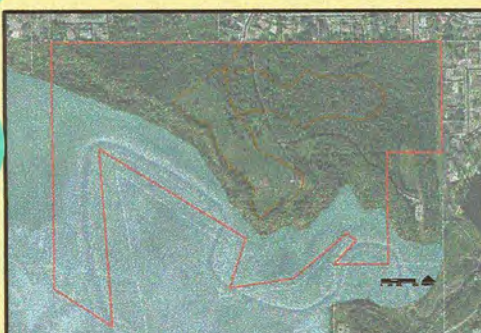

User groups develop as importance

ONE LOOP

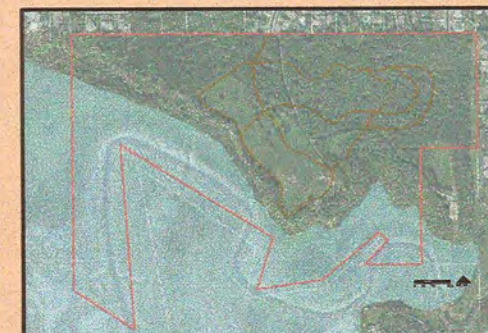

Out along the bluff and back (concept, not an actual trail layout)

TWO LOOPS

Two linked loops (concept, not an actual trail layout)

TRAILS TO ALL HABITAT TYPES

Multiple loops accessing all habitat types (concept, not an actual trail layout)

TIERED TRAIL SYSTEM THROUGHOUT SITE

Varied trail types and surfaces aimed at more users, access to water (concept, not an actual trail layout)

Bathroom

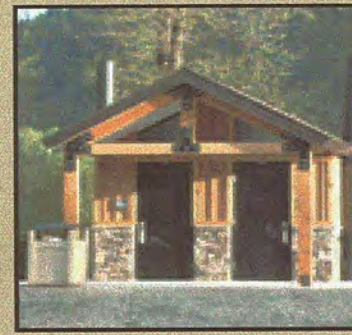

NONE

PORT-A-POTTY

With decorative screen

CONCRETE VAULT

FULL SERVICE WATER & SEWER

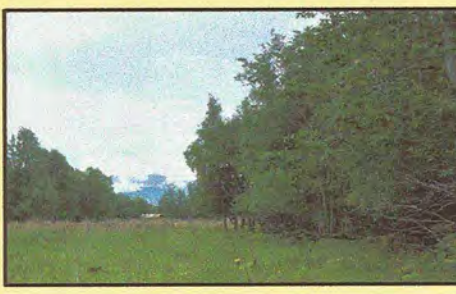

Meadow

NO MAINTENANCE

Allow for natural succession to take over

PARTIALLY MAINTAINED

Maintain part of meadow, allow natural succession in portion

MAINTAINED AS HABITAT LOW FREQUENCY

Maintain all of meadow as tall grass

MAINTAINED AT HIGH FREQUENCY

Maintain meadow more frequently to avoid woody plant growth

Security

Seasonal Camper Host / in. Periodic Security Service drive by.

SIGNS

Warnings, "prohibited", No lighting in parking lot

GATE

Locked at certain hours, Lighting in parking lot
