

2018 CHUGACH FOOTHILLS PLAYGROUND IMPROVEMENTS

Community Advisory Group

Meeting #1 Design Development Agenda

December 28, 2017

I. Introductions

- Name and Relationship to Chugach Foothills Park
- Discussion of Goals
 - Provide a forum for those who can influence design to meet and begin planning future park improvements
 - Identify and develop consensus about project design priorities
 - Organize, Plan and Recruit Neighbors for potential Volunteer Fix-it Day

II. Park Background and Overview

- Review process
- Inclusive Play Overview

III. Improvement Prioritization and Map Exercise

- Opportunities and Constraints Exercise
- Base Map Exercise

IV. Concept Review

- “How Do you Like to Play?” Survey Review
- Review concepts and decide what theme/elements we want to include moving forward

V. Next Steps

- Share meeting notes with members who could not attend
- Schedule next CAG meeting
- Conceptual Designs to be presented at the next meeting

Community Advisory Group Roles:

- Assist in identifying what is special about the park, prioritize improvements for the Park in the volunteer-powered park makeover projects;
 - Keep your Community Council informed of CAG work – make consistent reports to your Community Council on action taken by the Group;
 - Recruit neighborhood volunteers for the volunteer-powered project;
 - Volunteer on the volunteer day; and join in the celebration of the completed park project.
 - Each CAG member needs to represent a variety of interests, demonstrate good organizational skills, encourage and accept new ideas, and identify and engage potential participants, partners and speakers.
-
