

MUNICIPALITY OF ANCHORAGE

PARKS & RECREATION DEPARTMENT

Dear Summer Camp Families,

We hope this letter finds you well during this most challenging and unprecedented time. In the interest of Public Safety the Municipality of Anchorage is taking extensive and proactive actions to prevent the spread of COVID-19 with a focus on protecting our most vulnerable populations subsequently, it is with heavy hearts that we have made the difficult but necessary decision to cancel all Parks & Recreation 2020 Summer Camp Programs in Anchorage and Eagle River.

We realize the far reaching impact this decision will have on many families at this time but know that it is truly the most responsible decision we could make to protect not only the children, but your families, our staff and the community in which we live.

Please be safe and continue to follow the health and safety recommendations to physically distance yourselves from others. We sincerely look forward to the day when this Pandemic is behind us and we can come together again for a great summer camp experience.

Please feel free to contact us with any questions you might have regarding these camp closures.
