

**FAIRVIEW COMMUNITY COUNCIL
RESOLUTION 2023-03**

A Resolution Regarding the Fairview Community Recreation Center Strategic Plan

Whereas, on February 9th, 2023, staff from the Municipal Parks and Recreation Department presented the Fairview Recreation Center Strategic Plan to the Fairview Community Council General Membership, and

Whereas, Department staff summarized the public process that included meetings with a Staff Advisory Group, a Community Advisory Group, public outreach (in-person and digital), and updates to the Fairview Community Council, and

Whereas, the Strategic Plan outlines goals, objectives, and actions to ensure the Fairview Recreation Center meets the diverse needs of the Anchorage community, and establishes a vision and framework for the facility's future development, management, and maintenance, and

Whereas, the Strategic Plan documents baseline facility use and programs, analyzes findings and trends, establishes a vision and goals, and defines actions and desired outcomes for the Fairview Recreation Center on a 3-5 year timeline, and

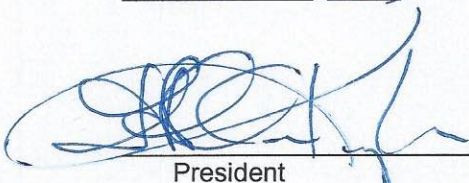

Whereas, the Strategic Plan highlights four overarching goals that emerged from planning and outreach with staff and the community. These are:

- 1) upgrading Fairview Recreation Center to a well-maintained, modern facility,
- 2) strengthening the relationship between the Fairview community and facility identity,
- 3) building and sustaining partnerships with outside organizations,
- 4) prioritizing a commitment to long-term programs that attract diverse, frequent users while promoting improvements that give the recreation center a stronger identity through signature signage, wayfinding, and placemaking; and

WHEREAS, the Strategic Plan provides a framework to begin implementing programs and strategies that are tied to its goals in the near future and provides a structure to revisit, adapt and assess those goals to better serve the community;

Therefore, Be It Resolved the Fairview Community Council supports the main components as identified in the Strategic Plan and requests approval by the Municipal Parks and Recreation Commission.
