

Community input is an important part of the park planning process. Please let us know your thoughts about the future of the South Anchorage Sports Park by filling out the short survey below.

1. How do you use park playgrounds?
2. What matters the most to you in a playground?
3. What is your favorite activity to do at a playground?
4. What are your favorite playground elements (example, swings, climbing, ropes, etc.)?
5. What parts of a playground do you find most challenging?
6. Where are your top 3 favorite playgrounds in the world and why?
7. What are your top 3 favorite themes for this playground, South Anchorage Sports Park?
8. Are there other amenities that you would like to see included in this playground design that we haven't thought about?

Thank you for your feedback and participation! For any questions, please contact Landscape Architect Maeve Nevins at NevinsMV@muni.org or 343-4135. Project updates can be found here: <http://www.muni.org/Departments/parks/Pages/SASPmasterplan.aspx>.
