

## 'WOOLLY MAMMOTH' THEMED CLIMBING BOULDER INCORPORATED PLAY STRUCTURE

### "WOOLLY MAMMOUTH" THEMED CLIMBING BOULDER DETAILS:

- ~Multiple Climbing Routes for all ages (2 to Adult);
- ~Inspired by natural forms from the outdoors, this climbing boulder would be filled with numerous realistic hand and foot holds;
- ~Boulders develop coordination skills, balance, increased hand-eye coordination, core strength, agility and increased self-confidence when dealing with new obstacles;
- ~ Themed boulders are where art and play work together, enhancing each other while fostering creativity and unstructured free play.

*"A climbing wall is different than a typical slide or other playground equipment. It encourages children to do something that they can naturally do: climb."  
~Jason Stollenwerk, managing director of Entre-Prises Climbing Walls in Bend, Ore.*

# PLAYGROUND LAYOUT CONCEPT

SUZAN NIGHTINGALE MCKAY PARK • 201 W COOK AVENUE • FEB. 25, 2015
