MAKING MOTIONS

Commissioner begins a motion by saying: "I move that. . . ." Motion should be brief and concise. Example: "I move for approval of the mast plan." "I move for approval of _____ with revisions suggested by staff" or ". . . with the following revisions: 1., 2., 3."

A resolution or complicated motion should be prepared in advance and put into writing before it is offered. The mover then passes it to the Chair as soon as it has been offered.

Chair restates all motions prior to the vote and clarifies wording, if necessary, to make sure motion is clear and understandable.
