MAKING MOTIONS

Commissioner begins a motion by saying: "I move that. . . ." Motion should be brief and concise. Example: "I move for approval of the master plan." "I move for approval of _____ with revisions suggested by staff" or ". . . with the following revisions: 1., 2., 3."

A resolution or complicated motion should be prepared in advance and put into writing before it is offered. The mover then passes it to the Chair as soon as it has been offered.

Chair restates all motions prior to the vote and clarifies wording, if necessary, to make sure motion is clear and understandable.

TESTIMONY

Persons who wish to testify will follow the time limits established in the Commission Rules of Procedure. A maximum of 15 minutes of the meeting will be set aside to hear testimony from individuals or groups. An individual will be allotted a maximum of 3 minutes for testimony and a representative of a group will be allotted 5 minutes as time allows. If all the requests for testimonies cannot be heard at a regular meeting, and the Commission feels it warrants a separate meeting, a date and time for the special meeting will be set within 30 days.

When your testimony is complete, the Commission may ask you questions. You may only testify once on any issue unless questioned by the Commission.
