

## MEMORANDUM

DATE: November 18, 2019  
TO: General Distribution  
FROM: Kristen Langley,  
Associate Traffic Engineer/Traffic Safety Division Manager  
RE: Revision to MOA School Area Traffic Safety Manual

Effective 1 November 2019, Appendix "D" of the School Area Traffic Safety Manual dated March 2017 is amended to change the following sign.

The Drug Free School Zone sign (A-S6-100) is no longer valid for use on private or public projects or school zone signage.

The S6-200\_A Drug Free School Zone sign, as shown in the image in this Memorandum, will be the default sign when called for in plans, specifications and new signage installations.

The sign shall consist of 2.75 inch black Class "D" letters on a fluorescent yellow-green Diamond Grade VIP sheeting.
