Mr. Andrew Ooms stated that this meeting would be focused on Transit on the Move's public comment period; that any and all comments would be taken during that time.

5. Action / Information Items

a) Transit on the Move Draft Plan Public Comment Period

Ms. Christine Schuette provided a brief introduction.

b) PUBLIC COMMENTS for Transit on the Move Draft Plan (2 Minutes Each)

Unknown – Stated that she voted for route A but understands how route H would also have a lot of interest. She continued and stated that route H provides a lot of coverage in the Wisconsin area and provides direct service to the Loussac Library. She further clarified that she probably wouldn't use route H given that route 25 would still provide a faster path to the Loussac Library than route H for her.

Unknown – Stated that the bus system would be more functional for him if it went more places. He also stated that People Mover should decrease its frequency and increase the overall coverage of the Anchorage bowl. He stated that it would be more equitable to have additional coverage rather than a high frequency, dense network.

6. MEMBER COMMENTS

Mr. Doug Miller commented that route H might have the same run time as route 25.

Mr. Andrew Ooms commented that it would be worth looking into route H vs route A. He suggested looking into the ridership in the Wisconsin area before the system change and determining whether providing additional coverage in that area would have a greater impact on the transit system than having a shorter overall run time.

Ms. Dawn Groth did not comment.

Ms. Jennifer Ham did not comment.

7. Adjournment

Without a quorum this informational meeting ended at 6:25pm.

The next PTAB meeting will be held on February 13, 2020, 5:30 - 7:00pm

Respectfully submitted,
