Definitions

Alignment	The path the bus travels along.
Frequency of service	How often a bus comes along a particular route.
Service reliability	The ability of buses to consistently maintain their schedule.
Span of service	The time from when service begins in the morning to when it ends in the evening.
Travel time	The time it takes for a bus to travel from one stop to the next.

Summary of Service Changes

New Route: 85 - Old Seward / West Anchorage

This is a new route that will travel between the Downtown Transit Center and the Dimond Transit Center. It will provide direct service to the Loussac Library and travel along parts of Old Seward Hwy, 36th Ave, Wisconsin St, and Northern Lights Blvd. Weekday service will run every 60 minutes between 6 AM and Midnight. Weekend service will run every 60 minutes between 8 AM and 8 PM. The new route map and trip times are included in this packet.

Route 11 – Fairview / Senior Center & Route 41 – Government Hill

Routes 11 and 41 will be operated with 40' buses instead of the smaller 22' buses to help prevent overcrowding. The route alignments will remain the same. Trip start and end times will be adjusted to improve on-time performance and transfer opportunities.

Routes 10, 11, 20, 21, 25, 35, 40, 41, 55, & 92

Trip start and end times will be adjusted as part of this service change to improve on-time performance and transfer opportunities. The new trip times and timetables are included in this packet.

Route 40 – Spenard / Airport & Route 65 – Jewel Lake / Airport

The bus stop at the North Terminal (Stop #3034) and the bus stop on Postmark Drive (Stop # 3519) will be removed from service due to traffic pattern changes enacted by the airport. The bus stop at the South Terminal will remain in service.

The Routes 40 and 65 will no longer travel on Postmark Drive through the North Terminal parking lot, instead they will remain on International Airport Road. A map of the alignment change and discontinued bus stops are included in this packet.

AnchorRIDES

To help simplify the AnchorRIDES zones, “Premium Zone 2” will be merged with “Premium Zone 1” to create a single premium service area.

With the addition of the new route 85, the Core Service Area will expand in west Anchorage.

The new service area map is included in this packet.

Route 40 – Spenard / Airport & Route 65 – Jewel Lake / Airport

The bus stop at the North Terminal (Stop #3034) and the bus stop on Postmark Drive (Stop # 3519) will be removed from service due to traffic pattern changes enacted by the airport. The bus stop at the South Terminal will remain in service.

The Routes 40 and 65 will no longer travel on Postmark Drive through the North Terminal parking lot, instead they will remain on International Airport Road.

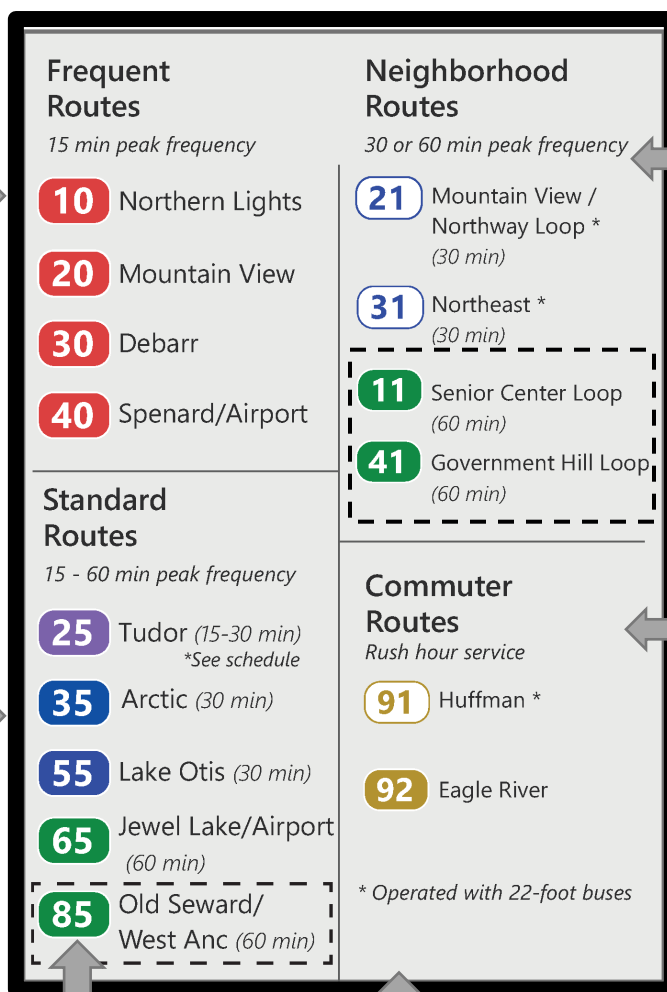

Route Numbers

The system redesign in 2017 brought new **route numbers**. The basis for the new numbering system gives insight into each of the route types.

15-minute routes are red & end in a zero. The routes 10, 20, 30, and 40 are all high frequency routes.

Standard routes end in a five. The routes 25, 35, 55, and 65 are standard routes ranging in frequency up to 60 minutes.

**Route 85 – coming
September 20, 2021!**

Neighborhood routes end in a one. The routes 11, 21, 31, and 41 are all neighborhood routes.

Commuter routes begin with a nine. The routes 91 and 92 are commuter routes.

Most Routes are operated by a 40-foot bus. Labels for routes operated by a 22-foot bus have a white background.

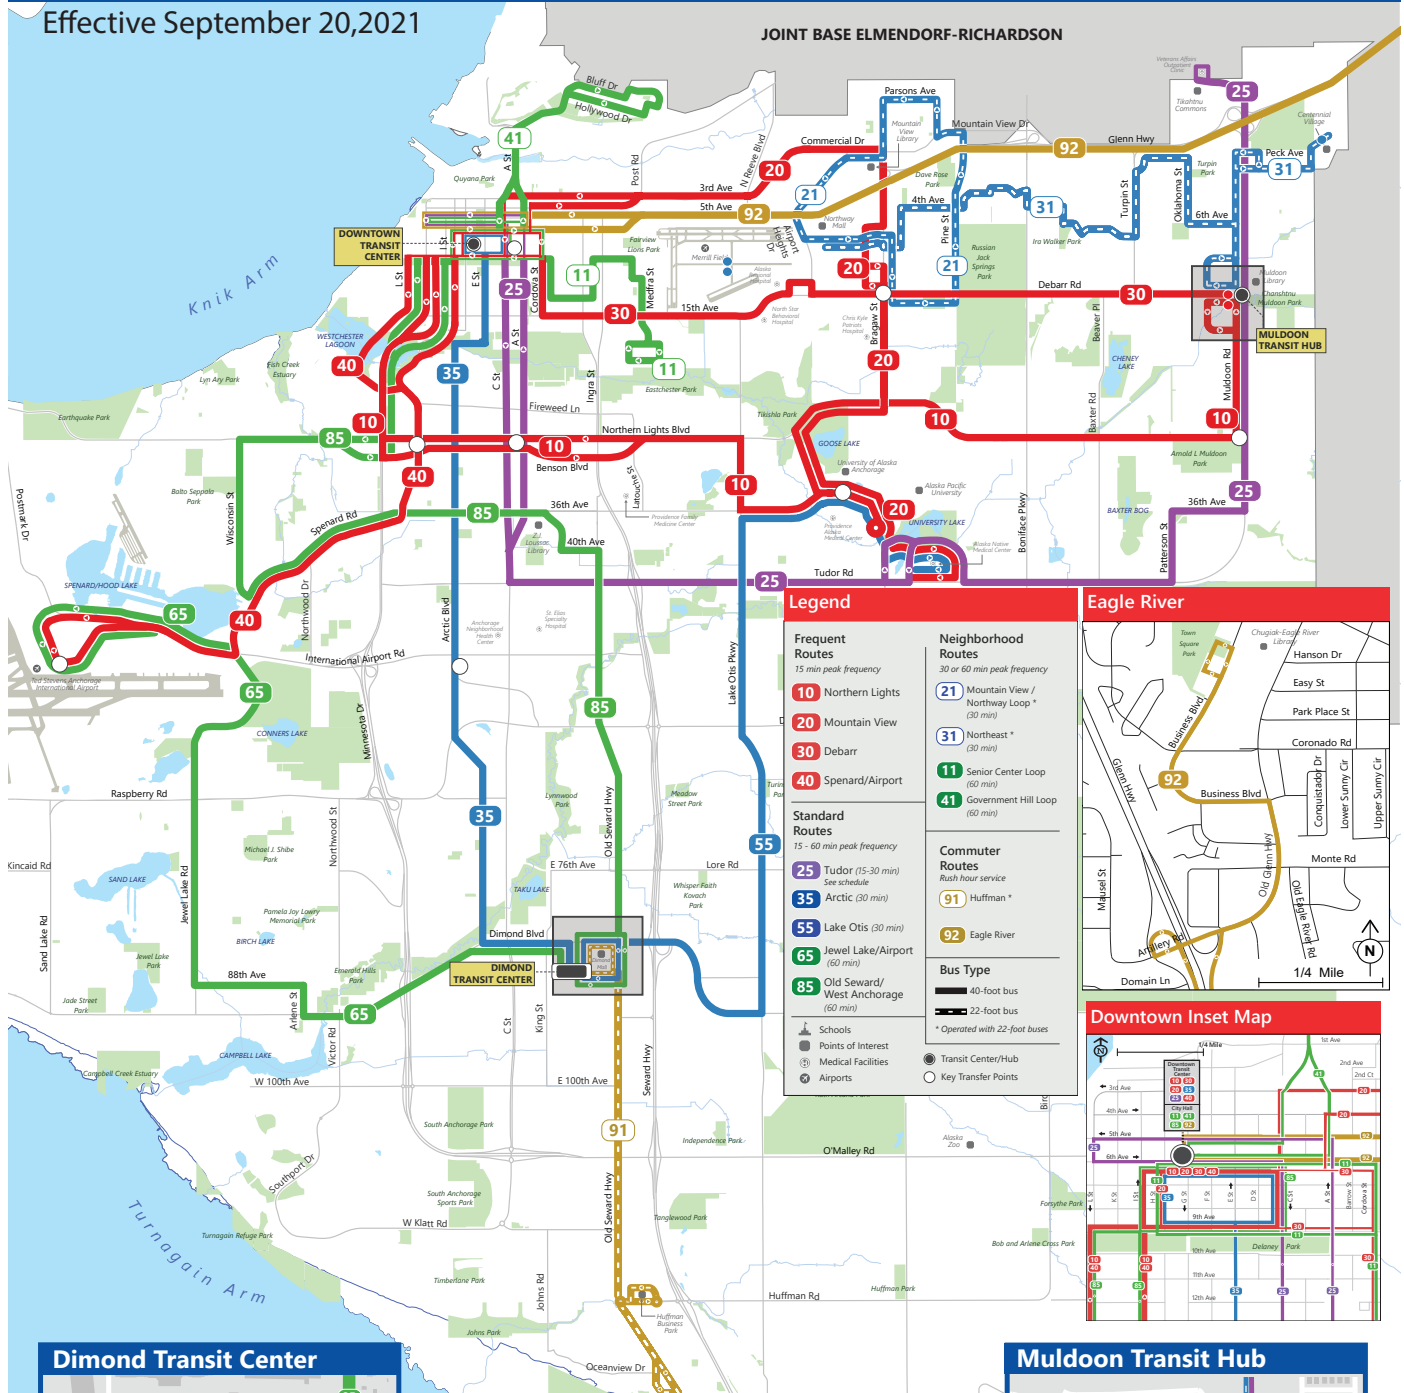

Routes 11 & 41 will be operated by a 40-foot bus beginning 9/20/21.

Municipality of Anchorage
Public Transit Advisory Board Resolution #2021-03

A RESOLUTION OF THE ANCHORAGE PUBLIC TRANSIT ADVISORY BOARD SUPPORTING FULL FUNDING
FOR THE PUBLIC TRANSPORTATION DEPARTMENT FOR 2022.

WHEREAS, the Public Transit Advisory Board (Board) was established to advise the Assembly and the Mayor on matters related to public transportation, and

WHEREAS, the Board is charged with making recommendations to the Assembly and Mayor on municipal policy with respect to budget review, capital improvement programs and funding of the public owned and operated transit system, and

WHEREAS, high frequency transit routes provide an incentive to housing and commercial development and infill development over the long term, and

WHEREAS, the new route 85 will be implemented on September 20, 2021 using a federal grant for service expansion and a reduction in the Public Transportation Department's operating budget would jeopardize the use of that grant and the provision of service, and

NOW THEREFORE BE IT RESOLVED that the Public Transportation Advisory Board strongly recommends the Assembly and the Mayor continue to support the Public Transportation Department's 2022 budget which contains no changes or increases from the current (2021) operating budget, and not reduce the amount allocated during the quarterly budget revision process.

PASSED AND APPROVED by the Anchorage Public Transit Advisory Board
this 9th day of September 2021.

Sarah Preskitt
Chair
