All public comment meetings in December are official PTAB meetings. The date, time, and location for each of these meetings is listed above. We'd like to make it easy for you to attend any of these meetings, so **free bus passes** will be distributed at **all** of the public comment meetings **for all in attendance!**

These special meetings are scheduled to give you the opportunity to stand up and give your feedback regarding the Anchorage Talks Transit Route Concept Maps directly to members of the Public Transit Advisory Board. In addition to the comments already received, the feedback received at these meetings will be recorded as official public comments. Visit [www.peoplemover.org/transittalks](http://www.peoplemover.org/transittalks) to view the route concept maps.
