

## ***Route 11 - Fairview & Midtown Realignment Options***

The intent of this project is to better connect the Fairview and Midtown communities. This project asks the question: “If Route 11 were to go somewhere else, where should it go?”

**Option 2:** Connects Fairview, the Senior Activity Center and Midtown - to the Anchorage Neighborhood Health Center - via Denali, Tudor and C Streets.

**Option 3:** Connects Fairview, the Senior Activity Center and Midtown - to the UMED district, via 36th Avenue, the Loussac Library, and ending at the Anchorage Neighborhood Health Center.

**Option 4:** Connects Fairview, the Senior Activity Center and Midtown - to the UMED district, and ending at the Alaska Native Medical Center.
