

Route 92 Extension North

The intent of this extension is to further encourage commuter Route 92 service and make it more useful to more of Chugiak and Birchwood areas.

Route 92 Extension North: This version of Route 92 would start and end at the North Birchwood Park & Ride. It would service the South Birchwood Park & Ride, the Eagle River Transit Center and continue into Anchorage via the VA Clinic and end Downtown. (*Alignment Option #2 would to travel along the Old Glenn Hwy.*)
