

## IN 2025, WE ASKED THE ANCHORAGE COMMUNITY WHAT YOU VALUE MOST IN PUBLIC TRANSIT SERVICES...

- Survey respondents and public feedback continue to tell the story that the Public Transportation Department needs to prioritize new services.
- **1,541 survey responses** were collected April 15 thru September 30, 2025.

### Public Engagement:

PTD staff participated in 75 events throughout the Municipality in 2025.

### Public Feedback:

Thousands of riders and residents shared their ideas and perspectives on transit services, identifying new and ongoing transit projects.

## SURVEY RESPONDENTS JUSTIFIED THEIR PRIORITIES FOR PUBLIC TRANSPORTATION IN ANCHORAGE.

### WHY DID YOU CHOOSE ACCESSIBILITY?

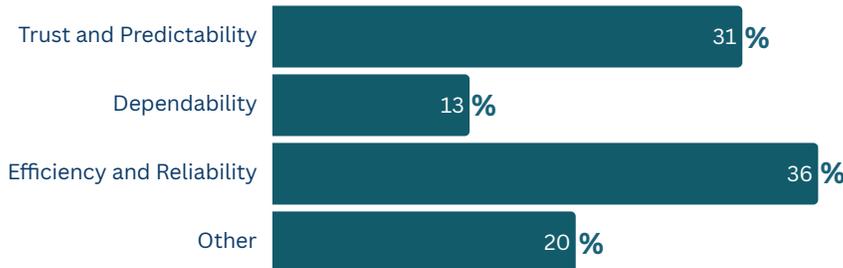

- Coverage = more bus service on more roads
- Access Gap = bus stop placements, winter challenges, connecting destinations
- Winter = physical barriers, senior mobility, or other difficulties

### WHY DID YOU CHOOSE CONVENIENCE?

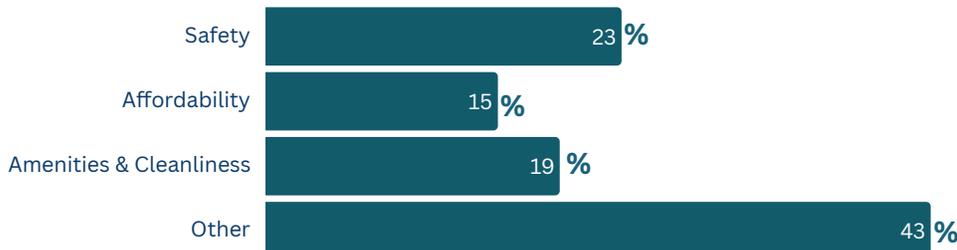

\*Other responses included: mobile apps & technology, transfers, environmental & tourism impacts, transit infrastructure, or ADA accessibility.

### WHY DID YOU CHOOSE RELIABILITY?

\*Other responses included: communication and public engagement, safety, bus stop amenities, hours of operations, seasonal impacts, or adding more accommodations for riders with disabilities.

### WHY DID YOU CHOOSE OTHER?

\*Other represents voters who couldn't decide, or wanted to choose all three.
