

# 2018 Market Conciliation Review

**PART 1**

**-**

**INTRODUCTION**

# REVIEW PER AMC 11.20.030

- Last review Completed in 2016.
- Mandate to review annually.

# AMC 11.20.030

## ISSUANCE OF PERMIT

- Commission must hold hearing to receive testimony and evidence regarding quality of service, safety of riders, and other concerns.
- May consider, among other things:
- Public Demand for additional taxi service
- Unfulfilled Requests for service, including ADA
- Reasonableness of waiting time for service
- Economic impact of additional permits
- Impact of competition for passengers among all permits on public safety and quality of service.

- Only in year 2021 and thereafter shall ATC have authority to order no new permits shall be issued.
