Seth F. Andersen, EIT

Objective

Offer creative ideas to the Public Transportation Board to encourage use of public transportation and to become involved in public process.

Experience

2006- Schneider and Associates Anchorage, AK
Structural Engineer

- Structural Design and Seismic Analysis of multi-story commercial buildings to high end private residences.
- Provide on-site technical support throughout construction.
- Offer non-traditional approaches and solutions to complex building systems.
- Player in Multi-Discipline project teams.

2005-2006 Duane Miller Associates LLC Anchorage, AK
Staff Geotechnical Engineer

- Performed geotechnical field investigations using – drill rigs, excavators, hand probes and augers, and shovels.
- Did construction inspections for pile installations throughout Western Alaska.
- Tested soil samples in the laboratory for engineering properties.
- Developed foundation recommendations, verified them with calculations and load tests, and prepared geotechnical reports.

2004 CRW Engineering Group Anchorage, AK
Staff Civil Engineer

- Planned Bethel Water and Sewer Master Plan Update – researched water and sewer systems, modeled current and proposed systems for Bethel, determined heating and pumping requirements for the system, compared capitol and maintenance costs, and drafted a preliminary Master Plan Update.
- Ordered and expedited orders for remote Alaska water and sewer and boardwalk projects.
- Used Excel, Visual Basic, Water CAD, and Auto CAD.

2003-2004 Stahley Engineering & Associates Bozeman, MT
Intern Engineer

- Designed structural components and connections for residential houses, pole structures, and a library.
- Performed construction inspections for Montana Department of Transportation road and sidewalk projects.
- Surveyed for property boundaries, wetland delineation, aerial photography, topographic mapping, and construction staking of Native American Reservations, ski areas, and private and public property.
- Inspected septic installations, performed percolation tests, and soil classifications.
- Aided the senior engineer in forensic investigations of historic buildings for structural integrity.

Education

- 2005 University of Alaska Anchorage, AK
- Geotechnical Aspects of Earthquake Engineering Short Course.
 - Technical Writing Short Course.
- 2000-2004 Montana State University Bozeman, MT
- B.S. Civil Engineering
 - Graduated with honors.
 - Emphasis in structural and fluids classes.

Interests

Sustainable Design and Process, Building, Architecture, Community Development and Planning, Outdoor Recreation – Skiing, Hiking, Kayaking, Climbing, Mountaineering, Travel, Avalanches, and Good Food.

Organizations

United States Green Building Council – local and national member
American Society of Civil Engineers
Structural Engineers Association – Alaska
Alaska Design Forum
