We have received a completed application for the above listed license (see attached application documents) within your jurisdiction. This is the notice required under AS 04.11.480.

A local governing body may protest the approval of an application(s) pursuant to AS 04.11.480 by furnishing the director **and** the applicant with a clear and concise written statement of reasons for the protest within 60 days of receipt of this notice, and by allowing the applicant a reasonable opportunity to defend the application before a meeting of the local governing body, as required by 3 AAC 304.145(d). If a protest is filed, the board will deny the application unless the board finds that the protest is arbitrary, capricious, and unreasonable. To protest the application referenced above, please submit your protest within 60 days and show proof of service upon the applicant.

AS 04.11.491 – AS 04.11.509 provide that the board will deny a license application if the board finds that the license is prohibited under as a result of an election conducted under AS 04.11.507.

AS 04.11.420 provides that the board will not issue a license when a local governing body protests an application on the grounds that the applicant's proposed licensed premises are located in a place within the local government where a local zoning ordinance prohibits the alcohol establishment, unless the local government has approved a variance from the local ordinance.

## Williwaw Security Protocol

Going into its fifth year of operations, Williwaw has time-proven security protocols and processes that help ensure that the company and its staff engage in responsible alcohol sales and guest services. All managers, bartenders and servers are trained in alcohol management and carry valid TAPS/TAMS cards. Guests are identified and assessed to ensure that they can enter and remain on the licensed premises.

During day operations, staff check I.D.s to verify that guests are 21 or older or in the case of minors that they are either with a parent or legal guardian or are between the ages of 16-20 for dining purposes only. During the evening operations after 9 p.m, Williwaw house rules do not allow minors to be on the premises without a parent or legal guardian.

Williwaw security personnel are on the premises during evening operations and special events and banquets to help ensure that guests do not leave the premises with alcohol and that minors do not have access to alcohol. Managers, servers, and posted and roving security help ensure that alcohol served on the Roof and back patio fire pit areas stays on premises.

The licensed front stoop and main entrance area is part of the building's private property (not the city right-of-way) and is used on occasion during the summer season for alcohol service and when so used is marked off with stanchions/roping and monitored by managers, servers, and/or security.
