MAYOR'S OFFICE

To the Office of the Mayor,
Boards and Commissions:

Attached is my filled-out Board/Commission Application Form. I apply for a second term of the Library Advisory Board.

I take a deep interest in the Anchorage municipal library system and in membership on the advisory board. During the past three years I believe I have attended every monthly meeting of the board. If I missed one meeting it was because of out-of-state travel.

My qualifications are those I offered three years ago, augmented by what I have gained in the past three years of board membership. They include:

Experience as a news reporter in Washington, D.C.

12 years as a freelance writer of nonfiction books and articles

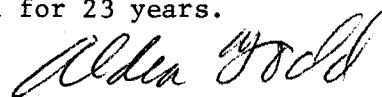

21 years as a teacher of research techniques and writing, New York University, and seminars at UCLA

15 years as editor and publications director for a national CPA firm

Authorship of six published books; a seventh imminent

Nine years of research for my writing in the Library of Congress, plus special libraries in New York, Boston, London, et al.

I am interested in the maintenance and improvement of library services to the entire community, and promotion of public education of what libraries have to offer everyone, for many purposes. I have spent more than 30 years as writer and teacher helping people increase their opportunities and powers through good use of libraries within their reach. My book "Finding Facts Fast" was in print for 23 years.
