In the fall, the election for one of the Fire Board seats was held. James Bauman (Retired Fire) was re-elected by the Fire members for a three year term that began January I, 2016. This spring, the election for one of the Police Board seats was held. William (Bill) Herrick (Retired Police) was elected by the Police members replacing the seat held by Jeff Martin for a three year term that begins July I, 2016. We would like to thank Jeff for his service.

Additionally, we had two changes in the Municipal Board representatives, Mayor Berkowitz appointed Michael Abbott (Municipal Manager) and David Gottstein (President/CIO Dynamic Capital Management Inc. to the Board. Mike and David have both previously served on the Board.

At the May 25, 2016 Board meeting, the Board elected a new Chairperson and Vice Chairperson. Jim Bauman (Retired Fire) was elected as Chairperson and Dave Koch (Police) as Vice Chairperson. The Retirement Board members are as follows:

Police Members	Fire Members	Muni Members

A Message From The Chair - Jim Bauman

Hello members of the Police and Fire Retirement System. This is an exciting time for all of us. The weather is great and the fish are biting. I hope your summer is as good as mine has been.

You should receive this newsletter prior to our annual Investment Review Meeting held July 27 and July 28, at the Hotel Captain Cook, 939 W. 5th Ave, Anchorage in the Endeavor & Adventure rooms. We are living in a complex and challenging world where markets can change quickly. At this meeting we will be interacting with all our individual managers and get their opinions as to how to minimize risk and maximize return. Good governance is not something that is adopted and then forgotten. Ensuring its effectiveness depends on regular review and a determined effort to constantly improve. You are invited to attend all or part of this meeting. We will be having breakfast at 8am and lunch at noon. I'm sure we'll have an extra plate if you want to join us.

Message From the Chair (continued)

There are some of you who live out of state who thought you would like to run for the PFRB. In the past this wouldn't have been feasible but recently the Membership Committee established guidelines that were approved by the Board that allow for a Board member who lives outside Anchorage to participate by teleconference or other means. It's not complicated. If you are elected, then the PFRB staff will set up everything. The newest member to the Board, William (Bill) Herrick (retired police) was elected and resides in Sequim, Washington. Bill will be at the Investment Review Meeting.

We had six new retirees added to the list, three fire and three police (their names are on page 5), all from Plan 3 as Plans 1 & 2 members are retired. We also had four deceased members (page 4).

All the stories we could tell Ahh, we remember them well

2016 COLA for Plan III - Approved by the Board

On July 1st each year, the rate for Cost of Living Adjustments (COLA) for Plan III members goes into effect for the subsequent twelve month period. The COLA rate is based on the Anchorage Consumer Price Index for all Urban Consumers (CPI-U). The CPI increase for the 2016 COLA was 0.5%.

Surviving Spouses and Disabled Members are eligible for COLA immediately upon receipt of benefits. Members who retire under "Normal" circumstances are eligible for the lesser of 25% of the CPI rate or 3% of the current benefit when they would have had 20 years of service. COLA is equivalent to the lesser of 50% of the CPI rate or 6% of the current benefit when the Member would have had 25 years of service. The calculations and changes are automatically processed by the Retirement System Staff each year. If you have any questions, please contact the Retirement System Staff.

Investment Manager & Investment Consultant News

We had one addition to our investment line-up since the July 2015 newsletter as follows:

• UBS - Trumbull Property Income Fund, was added with an allocation of 4% to our real assets class effective January 2, 2016.

The Board and it's Investment Consultant, Callan Associates, reviews the performance of each manager on a quarterly and annual basis. Decisions to terminate a manager or to hire a new manager come after appropriate monitoring of performance.

In November 2015, the Board authorized a request for proposal (RFP) for an Investment Consultant. The RFP was advertised nationally, all proposals we evaluated in strict accordance with the criteria set forth in the RFP by the Retirement Board. The finalist were interviewed at the May 25, 2016 Board meeting and awarded the contract to RVK, Inc. out of Portland, Oregon. Callan Associates will remain our Investment Consultant through end of the third quarter.

Annual Audit Report

The Retirement System is audited annually. KPMG performs a comprehensive financial and internal controls audit of the plan each year. There were no audit findings and the 2015 Audit Report was accepted and approved by the Board at the May 25, 2016 Board meeting.

Annual Actuarial Report

The Actuarial Valuation Report is performed annually by Milliman. The report dated 1/1/2016, shows funding levels still below 100%. As a result, contributions will continue for the 2017 year and will be required from active members in Plan III (6% of pensionable wages). All member in Plan I and II are now retired. The municipality will pay approximately \$7.094 million is 2016 and \$10.393 million in 2017.

Annual Surplus Benefit Board Distribution Decision

Each year, the Board must make a Surplus Benefit decision no later than the regular June Board meeting. This year, the Board made its decision at the May 25, 2016 Board meeting.

As shown in the Plan funding level on page 4, the Annual Actuarial Valuation Report shows that all three Plans are still below the 100% mark, and none of the Plans are at or above 116% of Assets to Liabilities. Therefore, the Board passed a motion stating that no surplus benefit will be available during the 2016 Plan Year. By Code (Anchorage Municipal Code, Section 3.85), the Board may grant a distribution only if the funding ratio is greater than 116%.
