

# SLEEP OUT

## Kincaid Park

KINCAID PARK ~ANCHORAGE

MAY 2-3, 2025

### WHO

Anyone and Everyone! This family friendly community event is for school groups, individuals, families and organizations.

### WHAT

Sleep Out at Kincaid Park and join the fight to achieve a world where every young person has access to safe housing, support, and opportunity.

When you Sleep Out, you give up your bed for one night and use the experience to raise awareness about youth homelessness and raise funds to shelter youth overcoming homelessness at Covenant House.

Covenant House Alaska's doors are open 24/7 for young people who need a safe place to sleep. Youth work towards independence through programs that give them the skills and tools needed to break the cycle of homelessness.
