Project Scope:

Project Status:

Priority 2

Turnagain Area Traffic Calming and Safety Improvements

Agency:

Cost:

Funds on Hand:

Additional Funds Required:

Need: Speed and other issues have been identified by residents on numerous Turnagain streets, putting pedestrians and bikers at risk. Speed humps or other traffic calming and safety improvements are need to address these concerns.

Project Scope: There are numerous streets in Turnagain that need traffic calming features.

Project Status:

Priority 3

Wisconsin St Surface Rehab - Northern Lights Blvd to Spenard Rd

Agency: Project Management and Engineering

Cost: \$3,500,000.00

Funds on Hand: \$0.00

Additional Funds Required: \$3,500,000.00

Need: The top layer of asphalt is eroding leading to rutting and increased pot holing. The project is a priority for Street Maintenance. The 2023 GASB survey rated most of the collector in good to fair condition.

Project Scope: The project will resurface this collector street and make the pedestrian facilities ADA compliant.

Project Status: The project has not started. Bond funding is planned for design and construction.

Priority 4

Turnagain St Upgrade - Northern Lights Blvd to 35th Ave (10-31N)

Agency: Project Management and Engineering

Cost: \$14,500,000.00

Funds on Hand: \$0.00

Additional Funds Required: \$14,500,000.00

Need: Turnagain Street is a narrow two lane road that functions as a residential collector. Current right of way is limited. There are line of sight issues at some of the cross streets. The project is a high priority for the Turnagain Community Council.

Project Scope: The project will upgrade the road to urban collector standards. Improvements typically include a new road base, pavement, curb and gutters, storm drain, pedestrian facilities, lighting upgrades, and landscaping.

Project Status: Project is on hold until design funding is received. The design study phase, funded by a 2010 state grant, is substantially complete.

Priority 5

West Northern Lights Trail Rehabilitation - Nathaniel Court to Earthquake Park

Agency:

Cost:

Funds on Hand: \$0.00

Additional Funds Required:

Need: The well-used connecting Earthquake Park Trail, north of West Northern Lights Blvd. from Nathaniel Court to the parking lot, and continuing into the intersection of this trail and the Coastal Trail is in need of rehabilitation. Additionally, Turnagain Community Council has noted erosion by the overlook railing in the earthquake interpretive/overlook area as well as identified a long-requested need for parking lot lighting and security cameras, as cars parked in this area have been broken into.

Project Scope: Earthquake Park is a popular destination for both residents and visitors. It includes a parking lot along West Northern Lights, a connecting trail to a 1964 Earthquake interpretive area and Cook Inlet overlook and the Tony Knowles Coastal Trail, as well as a large area of natural open space which was part of the landslide from the earthquake shaking. Some upgrades previously occurred, including installation of bear-resistant trash cans, replacing the interpretive panels at both the parking lot area as well as the earthquake interpretive area, and the addition of picnic tables in this same area.

Project Status:

Priority 6

Lakeshore Dr Upgrade - Constellation St to Wisconsin St

Agency: Project Management and Engineering

Cost: \$12,000,000.00

Funds on Hand: \$0.00

Additional Funds Required: \$12,000,000.00

Need: This segment of road has not been built to urban collector standards. The 2023 GASB survey rated Lakeshore Drive in failing condition.

Project Scope: Improvements would include a new road base, curbs, pavement, underground storm drains, street lighting, and pedestrian facilities.

Project Status: No work is underway and no funding is proposed in the six-year Capital Improvement Program. The project will remain on the Capital Projects Needs List for future funding consideration. The project is identified as a collector route in the Official Streets & Highways Plan (OS&HP).

Priority 7

Knik Ave Surface Rehab - Turnagain Pkwy to McKenzie Dr

Agency:

Cost:

Funds on Hand:

Additional Funds Required:

Need:

Project Scope:

Project Status:

Priority 8

Lyn Ary Park and Playground Improvements

Agency: Parks and Recreation

Cost: \$0.00

Funds on Hand: \$0.00

Additional Funds Required: \$0.00

Need: Lyn Ary Park is an important neighborhood park playground for the Turnagain neighborhood. The playground and safety surfacing need upgrading to be compliant with industry-wide ADA accessibility and safety standards.

Project Scope: Funds will be used to rehabilitate the playground and surfacing of this well-loved playground and to provide seating for parents and park visitors.

Project Status:

Priority 9

Milky Way Dr Surface Rehab - Aero Ave to Wisconsin St

Agency: Project Management and Engineering

Cost: \$2,000,000.00

Funds on Hand: \$0.00

Additional Funds Required: \$2,000,000.00

Need: Pavement on this collector street is deteriorating. This is identified as a collector route in the Official Streets and Highways Plan. The 2023 GASB survey rated more than half of Milky Way Drive in failing condition.

Project Scope: The project will address the deteriorating pavement and curb conditions on a collector route by replacing worn curbs and overlaying the existing pavement.

Project Status: No work is currently scheduled in the 6-year Capital Improvement Program. Project will remain on the Capital Project Needs List for future funding consideration.

Priority 10

Hillcrest Dr Sidewalk - West High Campus to Forest Park Dr

Agency: Project Management and Engineering

Cost: \$750,000.00

Funds on Hand: \$0.00

Additional Funds Required: \$750,000.00

Need: There is no separation between motorized and non-motorized traffic along this route that is frequently used by West/Romig students, Coastal Trail users, and neighborhood residents. Vehicles often cross into the parking lane used by most pedestrians and cyclists. Conditions are preventing students from walking to school, adding to traffic congestion. The project ranks number 144 in the Anchorage Pedestrian Plan. The project need is supported by the Turnagain Community Council.

Project Scope: This project will install a sidewalk along Hillcrest Dr., either within the existing shoulder (parking lane) or in the right-of-way beyond the existing curb, or partially on both.

Project Status: The project has not started. The project will remain on the needs list for future funding consideration.

Priority 11

Earthquake Park Trail Rehabilitation

Agency: Parks and Recreation

Cost: \$0.00

Funds on Hand: \$0.00

Additional Funds Required: \$0.00

Need: Added by Turnagain CC CIP Survey in 2024, this community requests The well-used connecting Earthquake Park Trail, north of West Northern Lights Blvd. from Nathaniel Court to the parking lot, and continuing into the intersection of this trail and the Coastal Trail is in need of rehabilitation. Additionally, Turnagain Community Council has noted erosion by the overlook railing in the earthquake interpretive/overlook area as well as identified a long-requested need for parking lot lighting and security cameras, as cars parked in this area have been broken into.

Project Scope: Turnagain Community Council requests safety improvements such as lighting, and erosion control and prevention along the coast near the Earthquake Park Plaza.

Project Status:

Priority 12

Turnagain Pkwy Surface Rehab - Illiamna Ave to Northern Lights Blvd

Agency: Project Management and Engineering

Cost: \$1,000,000.00

Funds on Hand: \$0.00

Additional Funds Required: \$1,000,000.00

Need: Pavement on this collector is deteriorating. Most segments of the road surface were rated in serious condition by the 2023 GASB survey.

Project Scope: The project will replace or overlay pavement.

Project Status: No work is underway or scheduled in the six-year Capital Improvement Program. The project will remain on the Capital Projects Needs List for future funding consideration. This route is designated as a collector in the Official Streets and Highways Plan (OS&HP).

Priority 13

Spenard Beach Park

Agency:

Cost:

Funds on Hand: \$20,000.00

Additional Funds Required:

Need: Phase II park upgrades — which have not been funded — include replacement of existing swing set, addition of aviation-themed playground equipment, interpretative signs with park history, additional benches and relocation of the MOA park sign and existing kiosk.

Project Scope: The Turnagain and Spenard Community Councils are collaborating with MOA Parks and Recreation Department to upgrade/add amenities to this heavily-used park. This park is located within the Lake Hood Seaplane Base, but the Airport has approved our park improvement plans. Phase I, which has already received an Anchorage Park Foundation Challenge Grant as well as some private donations, includes installation of two park benches, two picnic tables (one ADA accessible), and two aviation-themed bike racks will take place late summer 2022.

Project Status: Turnagain and Spenard Community Councils will continue to seek funding for the Phase II park amenities and upgrades.

Priority 14

Didlika Park Park Improvements

Agency: Parks and Recreation

Cost: \$0.00

Funds on Hand: \$0.00

Additional Funds Required: \$0.00

Need: Didlika Park is an important neighborhood park playground for the Turnagain neighborhood. The playground and safety surfacing need upgrading to be compliant with industry-wide ADA accessibility and safety standards.

Project Scope: Funds will be used to repair the playground and safety surfacing and fix neighborhood park amenities.

Project Status:

Priority 15

Esquire Dr Sidewalk - Forest Park Dr to Hillcrest Dr

Agency: Project Management and Engineering

Cost: \$750,000.00

Funds on Hand: \$0.00

Additional Funds Required: \$750,000.00

Need: There is no separation between motorized and non-motorized traffic along this route that is frequently used by West/Romig students, Coastal Trail users, and neighborhood residents. In particular, Esquire Drive is often used by non-motorized users to avoid the narrow roadway curve along the north section of Forest Park Drive. Vehicles occasionally cross into the parking lane used by most pedestrians and cyclists, especially in icy conditions. The project need was identified and is supported by the Turnagain Community Council.

Project Scope: The project will install a sidewalk along Esquire Drive., either within the existing shoulder (parking lane) or in the right-of-way beyond the existing curb, or partially on both.

Project Status: The project has not started. The project will remain on the Needs List for future funding consideration.

Priority 16

Coastal Trail Shoreline Erosion

Agency: Parks and Recreation

Cost: \$0.00

Funds on Hand: \$0.00

Additional Funds Required: \$0.00

Need: To protect the shoreline and trail corridor from shoreline erosion threatening the Tony Knowles Coastal Trail.

Project Scope: Design, permit, and construct a solution to protect against shoreline erosion along the land-water interface near the Tony Knowles Coastal Trail

Project Status:

Multi-use trails and access

Agency: Parks and Recreation

Cost: \$0.00

Funds on Hand: \$0.00

Additional Funds Required: \$0.00

Need: Safety upgrades are needed along major greenbelt trails to support trail use in all seasons. This includes lighting missing links and spur trails, wayfinding with emergency locators, bridge upgrades as needed.

Project Scope: Add LED lighting to trails and missing greenbelt trail links. Upgrade/replace aging bridges. Upgrade signage and wayfinding.

Northern Lights Blvd Upgrade Phase IV - Postmark Dr to Nathaniel Ct

Agency: Project Management and Engineering

Cost: \$19,400,000.00

Funds on Hand: \$0.00

Additional Funds Required: \$19,400,000.00

Need: The arterial street has not been constructed to urban standards. The 2023 GASB survey rated West Northern Lights Boulevard from failing to fair condition.

Project Scope: The scope for this project has not been determined. Typically, an arterial street upgrade would include a new road base, pavement, curbs, storm drains, street lighting, pedestrian facilities and landscaping. The specific street section will be developed in the design study phase, which will include significant public involvement.

Project Status: No work is underway or scheduled in the six-year Capital Improvement Program. The project is included in the Metropolitan Transportation Plan (MTP) and is designated as a minor arterial in the Official Streets and Highways Plan (OS&HP).

Playground Development- Inclusive Play

Agency: Parks and Recreation

Cost: \$0.00

Funds on Hand: \$0.00

Additional Funds Required: \$0.00

Need: Anchorage Parks and Recreation manages over 80 playgrounds and is a national leader for inclusive play. In 2018 the department completed a strategic plan for inclusive play- "The State of Play in the MOA." This plan highlights improvements to playgrounds across anchorage that go beyond ADA accessibility.

Project Scope: Funding will bse used to renovate neighborhood and community use park playgrounds to provide a more inclusive experience by upgrading play equipment and safety surfacing by removing barriers to access for children and families

Chester Creek Sports Complex Planning and Development

Agency: Parks and Recreation

Cost: \$0.00

Funds on Hand: \$0.00

Additional Funds Required: \$0.00

Need: This complex is in need of capital improvements and reinvestment including updated ballfields, hockey facilities, pickleball, baseball, softball, lighting, access and circulation improvements. All of these improvements need to be considered within its modern context of recreation needs for our city and region.

Project Scope: The last Master Plan for the Chester Creek Sports Complex, approved in 2006, aimed to address outdated facilities and transform the complex into a community asset. Since then, additional public engagement led to a 2015 Major Site Plan review focused on parking expansion and a renovated Mulcahy Stadium. The upcoming 20-year update will involve community input and include a vision for the entire park.

Chester Creek-Campbell Creek Trail Connection Lighting

Agency: Parks and Recreation

Cost: \$0.00

Funds on Hand: \$0.00

Additional Funds Required: \$0.00

Need: Trail user safety is a priority for the Department and the residents of Anchorage. The Chester Creek-Campbell Creek trail connection is a well used link between two major greenbelts within Anchorage. Trail safety will increase with the addition of lighting for the long winter months. LED technology continues to decrease in cost and the utility bills are a fraction of traditional lighting technology.

Project Scope: Add light poles and LED light fixtures to the Chester Creek Trail-Campbell Creek Trail Connection from the Tudor Road overpass all the way to Goose Lake Park/Northern Lights Bridge.
