Federation of Community Councils  
1057 West Fireweed Lane, Suite 100  
Anchorage, AK 99503

Dear Community Council Representatives,

Spring is upon us, homeowners are planning improvements, and City Hall is reviewing Anchorage's needs for capital improvements. Many of you recall that the Community Council Survey is the first step in this process. My administration relies on community council guidance when identifying, considering, and prioritizing Anchorage's capital projects.

The way we do this is through the Community Council Survey. Through this survey, city government develops the 2025-2030 Capital Improvement Budget/Program (CIB/CIP). We want Community Councils to provide an overall priority ranking of all capital projects in their area, as well as suggest additional projects. Projects listed are those currently included in the approved 2024-2029 Capital Improvement Program (CIP). Please keep projects on this list for future years if your project is not selected.

**The survey will be available online beginning April 15, 2024 at <https://www.muni.org/communitycouncilsurveys/homepage/>. The deadline to complete the survey is June 15, 2024.**

Community councils play a pivotal role in advancing the needs of their communities and promoting the overall well-being of Anchorage. The 2023 Project Anchorage Task Force underscored the importance of refining Anchorage's geographic districts, offering recommendations aimed at enhancing community cohesion and engagement. I urge you to peruse the Task Force's Final Report for insights (<https://www.muni.org/Pages/Project-Anchorage.aspx>).

On behalf of Anchorage, I want to thank you for your service and sense of civic responsibility. I appreciate your insight into our community, and I want to make sure that your voice is heard on capital spending and other important matters facing our fair city.

Best,

Mayor Dave Bronson
