**Propositions**

**Proposition 1**  
**Capital Improvements for the Anchorage School District Bonds**  
Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, upgrades and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AO 2014-117? The Projects currently qualify for up to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).  

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School.  

For the purpose of providing school capital improvements, the Municipality of Anchorage shall issue up to $5,350,000 in principal amount of general obligation bonds.  

**Proposition 2**  
**Areawide Safety and Public Transportation Capital Improvement Bonds**  
For the purpose of acquiring replacement ambulances, replacing radio communication consoles, upgrading the E911 System, providing matching funds for public transportation upgrades, replacing vehicles, making bus stop improvements, transit facilities improvements, transit fleet expansions and improvements, technology upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-5, shall Anchorage issue up to $6,760,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.  

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.  

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.  

**Proposition 3**  
**Areawide Facilities Capital Improvement Project Bonds**  
For the purpose of providing areawide facilities capital improvements, including public facility safety upgrades, Chester Creek Sports Complex parking lot expansion, Mulcahy Stadium relocation, Library automated handling system improvements, improvements to Anchorage Golf Course, and related capital improvements as provided in Anchorage Ordinance No. 2015-1, shall Anchorage issue up to $5,350,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.  

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.17 to retire the proposed bonds.  

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION 4
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

To repair and replace aging pedestrian bridges along major greenbelt trails, complete the Anchorage Football Stadium facility demolition and replacement, provide funds to supplement state grants for improvements to the relocated Mulcahy Stadium, and complete the resurfacing of major greenbelt bike trails including Campbell Creek Trail and Chester Creek Trail in the Anchorage Parks and Recreation Service Area, and related capital improvements as provided in Anchorage Ordinance AO No. 2015-2, shall Anchorage borrow money and issue up to $2,750,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $228,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2015 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of $0.70 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.75 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be first paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION 5
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-4, shall Anchorage borrow money and issue up to $17,030,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $1,577,000 to pay the associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Roads and Drainage Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2015 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $4.74 to retire the proposed bonds, and (ii) an annual increase necessary to fund the proposed increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $5.72 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt.

PROPOSITION 6
ANCHORAGE FIRE SERVICE AREA FIRE PROTECTION BONDS

For the purpose of acquiring three replacement fire engines and undertaking other related capital improvements as provided in Anchorage Ordinance No. 2015-3 in the Anchorage Fire Service Area, shall Anchorage borrow money and issue up to $1,800,000 in principal amount of general obligation bonds with no increase in the municipal tax cap required to pay the associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2015 assessed valuation in the Anchorage Fire Service Area): an annual increase in taxes of approximately $0.42 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Fire Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds.

### Propositions

#### Proposition 1
**Capital Improvements for the Anchorage School District Bonds**

Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, upgrades and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AO 2014-117? The Projects currently qualify for up to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for up to 60% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.17 to retire the proposed bonds.

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for up to 60% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.17 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

#### Proposition 2
**Areawide Safety and Public Transportation Capital Improvement Bonds**

For the purpose of acquiring replacement ambulances, replacing radio communication consoles, upgrading the E911 System, providing matching funds for public transportation upgrades, replacing vehicles, making bus stop improvements, transit facilities improvements, transit fleet expansions and improvements, technology upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-5, shall Anchorage issue up to $6,760,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

#### Proposition 3
**Areawide Facilities Capital Improvement Project Bonds**

For the purpose of providing areawide facilities capital improvements, including public facility safety upgrades, Chester Creek Sports Complex parking lot expansion, Mulcahy Stadium relocation, Library automated handling system improvements, improvements to Anchorage Golf Course, and related capital improvements as provided in Anchorage Ordinance No. 2015-1, shall Anchorage issue up to $5,350,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.12 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITIONS

PROPOSITION 1
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, upgrades and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AO 2014-117? The Projects currently qualify for up to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for 70% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION 2
AREAWIDE SAFETY AND PUBLIC TRANSPORTATION CAPITAL IMPROVEMENT BONDS

For the purpose of acquiring replacement ambulances, replacing radio communication consoles, upgrading the E911 System, providing matching funds for public transportation upgrades, replacing vehicles, making bus stop improvements, transit facilities improvements, transit fleet expansions and improvements, technology upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-5, shall Anchorage issue up to $6,760,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.00 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION 3
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements, including public facility safety upgrades, Chester Creek Sports Complex parking lot expansion, Mulcahy Stadium relocation, Library automated handling system improvements, improvements to Anchorage Golf Course, and related capital improvements as provided in Anchorage Ordinance No. 2015-1, shall Anchorage issue up to $5,350,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.17 to retire the proposed bonds. To repair and replace aging pedestrian bridges along major greenbelt trails, complete the Anchorage Football Stadium facility demolition and replacement, provide funds to supplement state grants for improvements to the relocated Mulcahy Stadium, and complete the resurfacing of major greenbelt bike trails including Campbell Creek Trail and Chester Creek Trail in the Anchorage Parks and Recreation Service Area, and related capital improvements as provided in Anchorage Ordinance AO No. 2015-2, shall Anchorage borrow money and issue up to $2,750,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $228,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of $0.70 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.75 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds.

**PROPOSITION 5**
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-4, shall Anchorage borrow money and issue up to $17,030,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $1,577,000 to pay the associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Roads and Drainage Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2015 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $4.74 to retire the proposed bonds, and (ii) an annual increase necessary to fund the proposed increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $5.72 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt.

**PROPOSITION 6**
ANCHORAGE FIRE SERVICE AREA FIRE PROTECTION BONDS

For the purpose of acquiring three replacement fire engines and undertaking other related capital improvements as provided in Anchorage Ordinance No. 2015-3 in the Anchorage Fire Service Area, shall Anchorage borrow money and issue up to $1,800,000 in principal amount of general obligation bonds with no increase in the municipal tax cap required to pay the associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2015 assessed valuation in the Anchorage Fire Service Area): an annual increase in taxes of approximately $0.42 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Fire Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds.

### PROPOSITIONS

#### PROPOSITION 1
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, upgrades and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AO 2014-117? The Projects currently qualify for up to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for 60 to 70% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION 1
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

 Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, upgrades and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AC 2014-117? The Projects currently qualify for up to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay for site preparation, constructing, renovating, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for up to 60% State debt reimbursement of the issuance and $1,950,000 of the Projects currently qualify for up to 70% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2014 assessed valuation) an annual increase in taxes of approximately $14.11 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt.

PROPOSITION 1
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, upgrades and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AO 2014-117? The Projects currently qualify for up to 60% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for up to 60% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

☐ YES ☐ NO

PROPOSITION 2
AREAWIDE SAFETY AND PUBLIC TRANSPORTATION CAPITAL IMPROVEMENT BONDS

For the purpose of acquiring replacement ambulances, replacing radio communication consoles, upgrading the E911 System, providing matching funds for public transportation upgrades, replacing vehicles, making bus stop improvements, transit facilities improvements, transit fleet expansions and improvements, technology upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-5, shall Anchorage issue up to $6,760,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality of Anchorage shall also provide a $250,000.00 contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

☐ YES ☐ NO

PROPOSITION 3
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements, including public facility safety upgrades, Chester Creek Sports Complex parking lot expansion, Mulcahy Stadium relocation, Library automated handling system improvements, improvements to Anchorage Golf Course, and related capital improvements as provided in Anchorage Ordinance No. 2015-1, shall Anchorage issue up to $5,350,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.17 to retire the proposed bonds. The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

### PROPOSITION 1
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AO 2014-117? The Projects currently qualify for up to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, uprating and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for up to 60% State debt reimbursement of the issuance and $1,950,000 of the Projects currently qualify for up to 70% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.17 to retire the proposed bonds. The annual increase in taxes would be located within the Municipality of Anchorage.

The debt is payable from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt.

### PROPOSITION 2
AREAWIDE SAFETY AND PUBLIC TRANSPORTATION CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of acquiring replacement ambulances, replacing radio communication consoles, upgrading the E911 System, providing matching funds for public transportation upgrades, replacing vehicles, making bus stop improvements, transit facilities improvements, transit fleet expansions and improvements, technology upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-5, shall Anchorage issue up to $6,760,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

### PROPOSITION 3
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements, including public facility safety upgrades, Chester Creek Sports Complex parking lot expansion, Mulcahy Stadium relocation, Library automated handling system improvements, improvements to Anchorage Golf Course, and related capital improvements as provided in Anchorage Ordinance No. 2015-5, shall Anchorage issue up to $5,350,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.17 to retire the proposed bonds. The annual increase in taxes would be located within the Municipality of Anchorage.

The debt is payable from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt.
**PROPOSITION 4**
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

To repair and replace aging pedestrian bridges along major greenbelt trails, complete the Anchorage Football Stadium facility demolition and replacement, provide funds to supplement state grants for improvements to the relocated Mulcahy Stadium, and complete the resurfacing of major greenbelt bike trails including Campbell Creek Trail and Chester Creek Trail in the Anchorage Parks and Recreation Service Area, and related capital improvements as provided in Anchorage Ordinance AO No. 2015-2, shall Anchorage borrow money and issue up to $2,750,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $228,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2015 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of $0.70 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.75 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be first paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. **PROPOSITION 1**

**CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS**

Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, upgrades and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AC-2014-117? The Projects currently qualify for up to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for 60% State debt reimbursement of the issuance and $1,950,000 of the Projects currently qualify for 70% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible projects, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

**PROPOSITION 2**

**AREAWIDE SAFETY AND PUBLIC TRANSPORTATION CAPITAL IMPROVEMENT BONDS**

For the purpose of acquiring replacement ambulances, replacing radio communication consoles, upgrading the E911 System, providing matching funds for public transportation upgrades, replacing vehicles, making bus stop improvements, transit facilities improvements, transit fleet expansions and improvements, technology upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-5, shall Anchorage issue up to $6,760,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITIONS

PROPOSITION 1
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, upgrades and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AO 2014-117? The Projects currently qualify for up to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for up to 60% State debt reimbursement of the issuance of Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for up to 60% State debt reimbursement of the issuance and $1,950,000 of the Projects currently qualify for up to 70% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of assessed real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.17 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION 2

PROPOSITIONS

PROPOSITION 1
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, upgrades and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AO 2014-117? The Projects currently qualify for up to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for up to 60% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2014 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.17 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bond.

PROPOSITION 2
AREAWIDE SAFETY AND PUBLIC TRANSPORTATION CAPITAL IMPROVEMENT BONDS

For the purpose of acquiring replacement ambulances, replacing radio communication consoles, upgrading the E911 System, providing matching funds for public transportation upgrades, replacing vehicles, making bus stop improvements, transit facilities improvements, transit fleet expansions and improvements, technology upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-5, shall Anchorage issue up to $6,760,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bond.

PROPOSITION 3
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements, including public facility safety upgrades, Chester Creek Sports Complex parking lot expansion, Mulcahy Stadium relocation, Library automated handling system improvements, improvements to Anchorage Golf Course, and related capital improvements as provided in Anchorage Ordinance No. 2015-1, shall Anchorage issue up to $5,350,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.11 to retire the proposed bonds. The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bond.

PROPOSITION 4
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

To repair and replace aging pedestrian bridges along major greenbelt trails, complete the Anchorage Football Stadium facility demolition and replacement, provide funds to supplement state grants for improvements to the relocated Mulcahy Stadium, and complete the resurfacing of major greenbelt bike trails including Campbell Creek Trail and Chester Creek Trail in the Anchorage Parks and Recreation Service Area, and related capital improvements as provided in Anchorage Ordinance AO No. 2015-2, shall Anchorage borrow money and issue up to $2,750,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $228,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of $0.70 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.75 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be first paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds.

YES  ☐  NO  ☐

PROPOSITION 5
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-4, shall Anchorage borrow money and issue up to $17,030,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $1,577,000 to pay the associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Roads and Drainage Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2015 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $4.74 to retire the proposed bonds, and (ii) an annual increase necessary to fund the proposed increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $5.72 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt.

YES  ☐  NO  ☐

PROPOSITION 6
ANCHORAGE FIRE SERVICE AREA FIRE PROTECTION BONDS

For the purpose of acquiring three replacement fire engines and undertaking other related capital improvements as provided in Anchorage Ordinance No. 2015-3 in the Anchorage Fire Service Area, shall Anchorage borrow money and issue up to $1,800,000 in principal amount of general obligation bonds with no increase in the municipal tax cap required to pay the associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2015 assessed valuation in the Anchorage Fire Service Area): an annual increase in taxes of approximately $0.42 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Fire Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds.

### PROPOSITIONS

#### PROPOSITION 1
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for educational capital improvements, design, construction, upgrades and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AO 2014-117? The Projects currently qualify for up to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for up to 60% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of assessed real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value an annual increase in taxes of approximately $1.48 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

#### PROPOSITION 2
AREAWIDE SAFETY AND PUBLIC TRANSPORTATION CAPITAL IMPROVEMENT BONDS

For the purpose of acquiring replacement ambulances, replacing radio communication consoles, upgrading the E911 System, providing matching funds for public transportation upgrades, replacing vehicles, making bus stop improvements, transit facilities improvements, transit fleet expansions and improvements, technology upgrades and related capital improvements as provided in Anchorage Ordinance No. 2015-5, shall Anchorage issue up to $6,760,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value an annual increase in taxes of approximately $1.17 to retire the proposed bonds. If this proposition is approved, the Municipality will also pledge its full faith and credit for payment of the bonds.

#### PROPOSITION 3
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements, including public facility safety upgrades, Chester Creek Sports Complex parking lot expansion, Mulcahy Stadium relocation, Library automated handling system improvements, improvements to Anchorage Golf Course, and related capital improvements as provided in Anchorage Ordinance No. 2015-1, shall Anchorage issue up to $5,350,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within the Municipality of Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value an annual increase in taxes of approximately $1.17 to retire the proposed bonds. The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

### PROPOSITIONS

#### PROPOSITION 1
**CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS**

Shall Anchorage borrow up to $59,250,000 through the issuance of general obligation bonds to pay for architectural and engineering services, construction, design, and renovation of school facilities and educational facility building life extension projects within Anchorage, as provided in Anchorage Ordinance No. AC-2014-117? The Projects currently qualify for up to 60 to 70% State debt reimbursement of the issuance (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects including, but not limited to, renewals, replacements, and renovations of electrical and mechanical systems, building systems, and sites, design, constructing, expanding and renovating Gladys Wood Elementary School and design, constructing, upgrading and renovating Mountain View Elementary School, Rabbit Creek Elementary School, Turnagain Elementary School, and renovating Hatcher Elementary School, Rabbit Creek Elementary School and Turnagain Elementary School. $57,300,000 of the Projects currently qualify for up to 60% State debt reimbursement of the issuance and $1,950,000 of the Projects currently qualify for up to 70% State debt reimbursement of the issuance. If the State chooses to make full reimbursement on the eligible $59,250,000, the annual increase in taxes would be $5.59 to retire the proposed bonds (based on $100,000 of 2014 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2015 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.17 to retire the proposed bonds. If this proposition is approved, the Municipality anticipates receipt of $1,000,000 in federal grants for public transit projects to match the local Anchorage contribution of $250,000.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.
