PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA
FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs.

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mckinley Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbows, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL
IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs.

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL
IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,959,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES
AND SYSTEMS SPECIAL LEVY AND REDUCTION OF
VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, is unlawful to consume in public, is prohibited by federal law to transport on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - "Drive under the influence – lose your car" and describing applicable penalties.
    - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment, 
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, 
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
  - Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**Section 4.01.** Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... ...

**Section 4.04.** Presiding officer, meetings and procedures.

(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Chart § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

**Section 14.07** Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated uses.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**ARTICLE II**

**BILL OF RIGHTS**

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

- The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

**Section 14.01** Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148/S-1, As Amended)

This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.

Additional signs required in the consumption area or at its entrance access:
- “Drive under the influence — lose your car” and describing applicable penalties.
- “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
- Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
- Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 14 (H) members. There shall be six (6) election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *[strikeouts]* ...

Section 4.04. - Presiding officer, meetings and procedures.
... *[strikeouts]* ...

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit to sell marijuana to adults 21 and older in a smoke-free area, as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Shall be separated by a smoke barrier from the retail store in or near the designated smoking area.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any point.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence.
- Has health risks, including use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding.
- Is unlawful to consume in public.
- Is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carriers.
- Is prohibited by federal law to transport or ship outside of the State of Alaska.
- Is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Smoking area is for consumption only. Do not consume outside or in public areas.”
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosures that are places of employment.
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80.
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances.
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorize to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2019-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, labor and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Guening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(B)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements to the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6

ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbow, Portage, Portage, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7

AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and MLK libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8

AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugach, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, judgment and thinking, and not to
    operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breast-feeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of Alaska;
- and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence — lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to
  - allow marijuana consumption by smoking or inhalation in on-site consumption areas?

**CHARTER AMENDMENT**

**TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT**

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows *(underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):*

Section 4.01 - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of **12** [**[H]**] members. **There shall be six election districts; each shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...**

Section 4.04 - Presiding officer, meetings and procedures.

*(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.*

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? *(A0 2019-62)*

**PROPOSITION NO. 13**

**CHARTER AMENDMENT**

**RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES**

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.

(a) Tax levy and effective date.

The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective **February 1, 2021.**

(b) Dedicated proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders.
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows *(underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):*

**ARTICLE II**

**BILL OF RIGHTS**

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

4. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 4.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

**Section 14.01 - Taxing Authority**

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? *(A0 2018-148(S-1), As Amended)*

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas. As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-observed outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and to not operate a vehicle or machinery under its influence, has health risks, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment, and
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT  
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [H] members. There shall be six [E] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * *.

Section 4.04 - Presiding officer, meetings and procedures.

* * * * *

(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

PROPOSITION NO. 13  
CHARTER AMENDMENT  
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.

(a) Tax levies and effective dates.

The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage's homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years.

The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II  
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

* * * * *

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

### PROPOSITION NO. 11
**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding;
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $34,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA
CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03b(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA
FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03b(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclnagh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL
IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03b(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL
IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES
AND SYSTEMS SPECIAL LEVY AND REDUCTION OF
VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,200,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $39.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [ establishes] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04. - Presiding officer, meetings and procedures.
...
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY
AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. - Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline. And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b)

[underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions]:

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
...
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

- “Drive under the influence – lose your car” and describing applicable penalties.
- “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that

- Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
- Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area. Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeout in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [4] members. There shall be six [6] election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. … [strikeout in bold] …

Section 4.04 - Presiding officer, meetings and procedures.

… (e) Seven [five] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated expenditures.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeout in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2018-148(S-1), As Amended)

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall be authorized to borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) an annual increase in taxes of approximately $0.52 to retire the proposed bond.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mulchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbows, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Louisiac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall be authorized to borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an increase in taxes of approximately $1.20 to retire the proposed bond.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall be authorized to borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bond.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES  NO

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall be authorized to levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.

- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - “Drive under the influence – lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CAPITAL IMPROVEMENT BONDS

For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(c) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA
FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(c)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of McHugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL
IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(c)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL
IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,955,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES
AND SYSTEMS SPECIAL LEVY AND REDUCTION OF
VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $20.70 to retire the proposed bonds. The proposed bonds will not increase the maximum annual attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. … [strikeouts].

Section 4.04 - Presiding officer, meetings and procedures.
… (e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter §4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated and additional uses.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

…

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § (Section) 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

### PROPOSITION NO. 11

**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment, and
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, and
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except by emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY
AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Collection methods.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline. This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § (Section) 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.
Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.66 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area): (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Louisian and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak, and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence—lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [of the districts] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** ... ***

Section 4.04 - Presiding officer, meetings and procedures.
... *** ...
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020, Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

YES ☐ NO ☐

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorizes a levy of five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use of funds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020, Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding;
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: (underline and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

* * *

Section 4.04. - Presiding officer, meetings and procedures.
* * *

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated to purposes.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

* * *

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $300,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugach, Eagle River and other areas outside the Service Area.   - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area. Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

Proposition No. 13
Charter Amendment
Retail Sales Tax on Alcoholic Beverages of 5% Dedicated to Public Safety and Health Purposes

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Article II  Bill of Rights
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

4. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorages Parks and Recreation Service Area as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorages Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

\[ \text{PROPOSITION NO. 6} \]
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

\[ \text{PROPOSITION NO. 7} \]
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

\[ \text{PROPOSITION NO. 8} \]
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,950,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

\[ \text{PROPOSITION NO. 9} \]
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $630,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

\[ \text{PROPOSITION NO. 10} \]
PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENTS
For the purpose of renovating and enhancing the facilities at the Anchorage Public Safety and Transit Center, as provided in AO 2019-160, shall Anchorage borrow money and issue up to $1,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $65,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 public safety assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $0.66 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(2)) of approximately $0.16 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding;

- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any person one day per on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. … [strikeouts in bold]. …

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized user or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.01. The exception shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas. As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. PROPOSITION NO. 2
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2018-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whaley School, designing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area): (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclough Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $25,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage): (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $300,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds? Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas. As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold in a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [4] members. There shall be six (6) election districts; each [shall] have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *

Section 4.04. - Presiding officer, meetings and procedures. *

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.07(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.07. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $26.70 to retire the proposed bonds. The proposed bonds will not increase the maximum allowable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.

The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.

Additional signs required in the consumption area or at its entrance access:

- “Drive under the influence – lose your car” and describing applicable penalties.
- “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that

- Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
- Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter
sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04. - Presiding officer, meetings and procedures.

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated funds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-I), As Amended)

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $360,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

**Girdwood Valley Service Area Facilities Bonds**

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugach, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

## Proposition No. 11

**Allowing On-Site Consumption of Marijuana by Smoking or Inhaling Per Applicable Law in Licensed Retail Marijuana Stores With an Endorsement for an On-Site Consumption Area**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-observed outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.

Signs in the consumption area warning that marijuana

- has intoxicating effects,
- impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
- has health risks,
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.05S for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated revenue.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized and as prescribed by the public.
(e) The net receipts described in subsection (b) shall not be used to supplement funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §4.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
...
4. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and §14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

● Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
● Shall only be accessible from the retail marijuana store premises.
● The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
● A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
● Signs in the consumption area warning that marijuana
  ● has intoxicating effects,
  ● impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  ● has health risks,
  ● use is restricted to adults twenty-one years and older,
  ● should not be used by women who are pregnant or breastfeeding;
  ● is unlawful to consume in public,
  ● is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  ● is prohibited by federal law to transport or ship outside of the State of Alaska, and
  ● is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

● Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
● The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.

Additional signs required in the consumption area or at its entrance access:

● "Drive under the influence – lose your car" and describing applicable penalties.
● “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that

● Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
● Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
● Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
● Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [4] members. There shall be six [4] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 [Taxing Authority]

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40. Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,020,000 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition B on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3)(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car” and describing applicable penalties.

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [HH] members. There shall be six [6] election districts, each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *[...]

Section 4.04 - Presiding officer, meetings and procedures.

... *(e) Seven [6] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorizes a levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated use of revenues.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... *(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchororage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2)(b) of approximately $0.06 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchororage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2)(b) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Michlugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

 Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

 Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

 If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

 The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

**PROPOSITION NO. 11**  
**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport on carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport on ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY
AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated revenues.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §4.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
...
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority
...
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

3. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclough Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

3. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and supporting equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,955,000 in principal amount of general obligation bonds?

3. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

3. Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace
Glacier City Hall and Little Bears facilities and making related capital
improvements in the Girdwood Valley Service Area, as provided in AO
2020-1, shall Anchorage borrow money and issue up to $2,200,000 in
principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of
assessed taxable property value (based on the estimated 2020 assessed
valuation in the Girdwood Valley Service Area) an annual cost in taxes of
approximately $29.70 to retire the proposed bonds. The proposed bonds
will not increase the maximum attainable Girdwood Valley Service Area
mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property
taxes levied and collected within the Girdwood Valley Service Area,
without cost to properties in Anchorage, Chugiak, Eagle River and other
areas outside the Service Area. The Municipality will also pledge its full
faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores
with a license and special land use permit endorsement approved by the
Municipality and the State of Alaska to allow their customers to consume
marijuana bud or flower by inhalation or smoking in their marijuana
consumption areas. Currently it is legal for only edible marijuana products
to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for
marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in
  an area, at least twenty-five feet of
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with
  a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the
  marijuana consumption area at all times to ensure consumption is in
  compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, "coordination and judgment, and not to
    operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.

- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska
  waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of twenty-one.

In addition, if this proposition is approved the Anchorage Municipal
Code will be amended as provided in AO 2019-103(S). As Amended, to
add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a
  licensed retail store to any one person per day for on-site
  consumption.

- The operating plan submitted with an application for an on-site
  consumption endorsement shall include plans for immediate
cessation of smoking and inhalation use by persons in the
  consumption area, extinguishment of lighted marijuana, and rapid
clearing of visible smoke in case of emergency circumstances.

- Additional signs required in the consumption area or at its entrance
  access:
    - "Drive under the influence – lose your car" and describing
      applicable penalties.
    - "Exposure to secondhand marijuana smoke may be harmful to
      your health, have intoxicating effects, and cause a positive
      drug test result."

- Amendments to the Secondhand Smoke Control Ordinance, AMC
  Chapter 16.65, that
  - Excepts approved on-site consumption areas from the
    prohibitions on smoking in enclosed public places and
    enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to
    monitor the consumption area consistent with the
    requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption
    area when in use for smoking, except in emergency
    circumstances, and
  - Incorporates by reference the ventilation requirements of AMC
    sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to
allow marijuana consumption by smoking or inhalation in on-site
consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: [underlined and bolded words] are proposed new words; [strikeouts in bold] are proposed deletions:

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;

2. Funding to combat and address child abuse, sexual assault, and domestic violence; and

3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the Assembly directs, the mayor shall submit to the Assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: [underlined and bolded words] are proposed new words; [strikeouts in bold] are proposed deletions:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § (Section) 14.05 and § 14.07 shall be effective if approved by a majority of 50 percent + one of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority ...

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40. Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $1,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

### PROPOSITION NO. 11

**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (14) members. There shall be six (eight) election districts; each of which shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * *

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01 as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... *(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question. *

Section 14.01 ... Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 1
AREAWIDE LIFE/SAFETY ACCESS ROADS IMPROVEMENTS BONDS

For the purpose of constructing and maintaining life/safety access roads, including conducting pre-construction design work to construct a new segment of Boundary Avenue, a new segment of Mountain Air Drive, and a new segment of Kullberg Drive, and related capital improvements in Anchorage as provided in AO 2020-2. As Amended, shall Anchorage borrow money and issue up to $111,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $0.25 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide in Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 2
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2018-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equiping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Firelake, Chugiak, and Bear Valley Elementary Schools and Whalley School, designing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruene Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $16.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mulchig Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [10] members. There shall be six [6] election districts; each [each] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *

Section 4.04. - Presiding officer, meetings and procedures.
... *(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

○ YES  ○ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50%+ one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-157, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

 The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

 Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

 Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

 If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

 The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

**GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS**

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall the Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $20.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

**PROPOSITION NO. 11**

**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana:
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
- It is unlawful to consume in public,
- It is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- It is prohibited by federal law to transport or ship outside of the State of Alaska, and
- It is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment, 
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, 
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.306 and 21.05.055 for the consumption area. Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation on in-site consumption areas?

**Charter Amendment**

To require 12 Assembly Members and 2 Members for each Assembly District

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [H] members. There shall be six [E] election districts; each [-] established] shall have two Assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven [Six] members of the Assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by Assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Retail Sales Tax on Alcoholic Beverages of 5% dedicating the revenue to public safety and health purposes

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.

(a) Tax levy and effective date.

The Assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders.
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the Assembly directs, the mayor shall submit to the Assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**Article II**

**Bill of Rights**

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

- (4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,

  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

### PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Chapter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 1
AREAWIDE LIFE/SAFETY ACCESS ROADS IMPROVEMENTS BONDS

For the purpose of constructing and maintaining life/safety access roads, including constructing pre-construction design work to construct a new segment of Boundary Avenue, a new segment of Mountain Air Drive and a new segment of Kullberg Drive, and related capital improvements in Anchorage as provided in AO 2020-2, as Amended, shall Anchorage borrow money and issue up to $110,000,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $0.25 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide in Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 2
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2018-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, designing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital repayment projects.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.

- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

**CHARTER AMENDMENT**

TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *... *... *... *... *... *... *...

Section 4.04 - Presiding officer, meetings and procedures.

*... *... *... *... *... *... *...

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

| YES | NO |

**PROPOSITION NO. 13**

**CHARTER AMENDMENT**

RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorize a levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated to expenses.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**ARTICLE II**

**BILL OF RIGHTS**

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

*... *... *... *... *... *... *... *... *... *... *... *... *... *... *... *... *

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibition on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [12] members. There shall be six [six] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...  
Section 4.04. - Presiding officer, meetings and procedures. ...  
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcoholic beverages retail sales tax.  
(a) Tax levy and effective date.  
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.  
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:  
(1) Funding for police, related criminal justice personnel, and first responders;  
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and  
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II  
BILL OF RIGHTS  
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are: 

4. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority  
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area.   - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal and transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area at or its entrance:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Fund for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements to the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mckinley Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not exceeding $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,995,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $630,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

The full text of ordinances referenced is available at muni.org/elections. BE SURE TO VOTE BOTH SIDES OF BOTH BALLOT CARDS.
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - “Drive under the influence – lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area. Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [4] members. There shall be six [2] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... ...

Section 4.04. - Presiding officer, meetings and procedures.
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

[Options: YES / NO]

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated and used.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter §14.05 and §14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter §14.05 and §14.07 shall be effective if approved by a majority (50% + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (14) members. PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... 

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chart 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mulchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chart 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐  NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS
For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.
The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA
This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.
As of October 2019, applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [HH] members. There shall be six [E] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. * * * * * 

Section 4.04 - Presiding officer, meetings and procedures. * * * *
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mighty Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐  NO ☐

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,995,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐  NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

**GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS**

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

### PROPOSITION NO. 11

**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana affore premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.

- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.

- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.306 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT
This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [11] members. There shall be six [6] election districts; each [-] established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. … *** [=*]*

Section 4.04 - Presiding officer, meetings and procedures.
*** [=*]*
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

○ YES ○ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES
This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorizes to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, ... shall be used to provide for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline. And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... ...

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,959,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40. Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000. The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

YES ☐ NO ☐
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020. The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugach, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding;
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signage required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area. Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * * *

Section 4.04 - Presiding officer, meetings and procedures. ... * * * * * 
(e) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date. 
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds. 
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders; 
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchor Borough borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.
## Regular Election
### Municipality of Anchorage
### April 7, 2020 - Official Ballot

**Proposition No. 10**
**Girdwood Valley Service Area Facilities Bonds**

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

**Proposition No. 11**
**Allowing On-Site Consumption of Marijuana by Smoking or Inhalation Per Applicable Law in Licensed Retail Marijuana Stores With an Endorsement for an On-Site Consumption Area**

This would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently, it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019, applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved, the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment.
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80.
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [12] election districts; each electoral district shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... [strikeouts]

Section 4.04 - Presiding officer, meetings and procedures.
...[strikeouts]

(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES  ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net proceeds:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Visitor approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - it is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area at or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC Chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
   The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use of proceeds.
   The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
   (1) Funding for police, related criminal justice personnel, and first responders;
   (2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
   (3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years.
(f) The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; strikethrough is proposed deletions):

ARTICLE II  BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $1.15 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

Anchorage Metropolitan Police Service Area Facilities Bonds

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area): (i) an annual increase in taxes of approximately $0.05 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(22)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of McHugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

 Proposition No. 7
Areawide Facilities Capital Improvement Project Bonds

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $0.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(22)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

 Proposition No. 9
Areawide Emergency Medical Supplies and Systems Special Levy and Reduction of Voter-Approved Indebtedness

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugach, Eagle River, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Use of illegal marijuana or smoking in areas designated for consumption only is prohibited.
- Signs in the consumption area warning that marijuana use is illegal and punishable by law.
- Impacts concentration, coordination, and judgment, to not operate a vehicle or machinery under its influence.
- Has health risks.
- Use is restricted to adults twenty-one years and older.
- Should not be used by women who are pregnant or breastfeeding.
- It is unlawful to consume in public.
- It is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier.
- It is prohibited by federal law to transport or ship outside of the state of Alaska and
- It is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence—lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempt approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: [underline and bolded words] are proposed new words; [strikeouts in bold] are proposed deletions:

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area.

... Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

 Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.

(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years.

The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: [underline and bolded words] are proposed new words; [strikeouts in bold] are proposed deletions:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 12 ([H] members. There shall be six (6) election districts; each [(4)] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures. ...

(e) Seven ([six]) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax. (a) Tax levy and effective date. The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated for purposes.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S).
- As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - "Drive under the influence – lose your car!" and describing applicable penalties.
    - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(ii)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbow, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(ii)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurneys, systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

**PROPOSITION NO. 11**  
**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.  

As of October 2019 applicable laws include the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation on in-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT
This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):
Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04. - Presiding officer, meetings and procedures.
(a) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rules.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.
Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES
This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:
Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use of revenue.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crises.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):
ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-14/5(S-1), As Amended)

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: (underlined and bolded words) are proposed new words; [strikeouts in bold] are proposed deletions:

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [11] members. There shall be six (6) election districts; each [...] established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. [...] * * * * *

Section 4.04. - Presiding officer, meetings and procedures.
* * * * *
(e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

○ YES ○ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated administration.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: (underlined and bolded words) are proposed new words; [strikeouts in bold] are proposed deletions:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

* * * * *
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

ANCHORAGE PARKS AND RECREATION SERVICE AREA
CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorıhe borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposal authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $0.02 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chart 14.03b(2)) of approximately $0.06 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCORGAHE METROPOLITAN POLICE SERVICE AREA
FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorıhe borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposal authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bond and (ii) an annual increase in the municipal tax cap (Chart 14.03b(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Middle Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Raincove, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL
IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorıhe borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposal authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chart 14.03b(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL
IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorıhe borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Vote approval of this bond proposal authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorıhe levy a special tax in the amount of $630,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40. Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $26.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is illegal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - “Drive under the influence — lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated to spending.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underline and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchororage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2)(C) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchororage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2)(C) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbow, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchororage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2)(C) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved prior to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska,
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [6] members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... [Strikeout].

Section 4.04. - Presiding officer, meetings and procedures.
... (e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

☐ YES  ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated purposes.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

The proposition language states, among other things:

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2018-148(S-1), As Amended)

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years or older,
  - should not be used by women who are pregnant or breastfeeding;
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SERVICES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 12 [H] members. There shall be six (6) election districts: each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. * * * * *.

Section 4.04. - Presiding officer, meetings and procedures. * * * * *
(e) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date. The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated proceeds. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter § 14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

4. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

For the purpose of renovating and redeveloping trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Yes No

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.58 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mckinley Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $530,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
**PROPOSITION NO. 10**
**GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS**

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

**PROPOSITION NO. 11**
**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - it is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Smoke under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated funds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
   (1) Funding for police, related criminal justice personnel, and first responders;
   (2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
   (3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: (underlined and bolded words are proposed new words; [strikeout in bold] are proposed deletions):

ARTICLE II  BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

- The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, design and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, design and constructing building wide earthquake damage repairs; seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

- Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

- The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

- Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

- The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 4
ANCHORAGE FIRE SERVICE AREA FIRE PROTECTION BONDS

For the purpose of acquiring a replacement fire ladder truck, making AFD facility improvements and expanding the shop in the Anchorage Fire Service Area, as provided in AO 2019-152, shall Anchorage borrow money and issue up to $2,050,000 in principal amount of general obligation bonds?

- Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Fire Service Area) an annual increase in taxes of approximately $0.49 to retire the proposed bonds.

- The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Fire Service Area without cost to properties in Chugiak, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - "Drive under the influence – lose your car" and describing applicable penalties.
    - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment, implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bold words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [4] members. There shall be six [4] election districts; each [of] established shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * * * * * * *

Section 4.04. - Presiding officer, meetings and procedures. * * * * * *
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax. *(a) Tax levy and effective date.*
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bold words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to
    operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska
    waterways, including by cruise ships, or by air carrier.
  - is prohibited by federal law to transport or ship outside of
    the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal
Code will be amended as provided in AO 2019-103(3S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; strikeouts in bold are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter §14.05 and §14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter §14.05 and §14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(5-1), As Amended)

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times. It is intended that consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effect,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES
AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts-in-bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *

Section 4.04 - Presiding officer, meetings and procedures.
(e) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rules.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated sales tax.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts-in-bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § (Section) 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter §§ 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

AREAWIDE EMERGENCY MEDICAL SERVICES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

• Shall be separated by a secure door from the retail store or in a completely enclosed outdoor area.
• Shall only be accessible from the retail marijuana store premises.
• The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
• A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
• Signs in the consumption area warning that marijuana
  • has intoxicating effects,
  • impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  • has health risks,
  • use is restricted to adults twenty-one years and older,
  • should not be used by women who are pregnant or breastfeeding;
  • is unlawful to consume in public,
  • is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  • is prohibited by federal law to transport or ship outside of the State of Alaska, and
  • is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

• Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
• The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
• Additional signs required in the consumption area or at its entrance access:
  • “Drive under the influence – lose your car” and describing applicable penalties.
  • “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
• Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  • Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  • Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  • Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  • Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation on on-site consumption areas?

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words) are proposed new words; (strikeouts in bold) are proposed deletions:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

4. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § (Section) 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whaley School, constructing and constructing building wide earthquake damage repairs, seismic upgrades, security, building and educational improvements at Glenview Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $16.45 to retire the proposed bonds. The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION No. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Lousiac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, shall Anchor be borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION No. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchor be borrow money and issue up to $3,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION No. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchor be levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood Fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugach, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [11] members. There shall be six [7] election districts; each [est] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * *

Section 4.04. - Presiding officer, meetings and procedures.
* * *
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders.
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 should have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition B on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas. As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.

- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.

- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% Dedicating the Revenue to Public Safety and Health Purposes

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net receipts.

(1) The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

   (1) Funding for police, related criminal justice personnel, and first responders;
   (2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
   (3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) shall be effective if the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(d) The net receipts described in subsection (b) shall be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows

☐ YES  ☐ NO

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. ... Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES
AND SYSTEMS SPECIAL LEVY AND REDUCTION OF
VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vacation approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 6 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance accessible:
    - "Drive under the influence – lose your car" and describing applicable penalties.
    - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
    - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporate by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
  - Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question in a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148/5-1, Amended)

For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements to the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2)(ii) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2)(ii) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2)(ii) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

**CHARTER AMENDMENT**
**TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT**

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**Section 4.01.** Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six election districts; each established shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... ...

**Section 4.04.** Presiding officer, meetings and procedures.

(a) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

**PROPOSITION NO. 13**
**CHARTER AMENDMENT**
**RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES**

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

**Section 14.07.** Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net receipts.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, deconstruction or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**ARTICLE II**

**BILL OF RIGHTS**

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

**Section 14.01.** Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.07 shall be effective if approved by a majority (50% + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-151, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds. The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mckinley Highway (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainclower, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40. Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

• Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
• Shall only be accessible from the retail marijuana store premises.
• The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
• A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
• Signs in the consumption area warning that marijuana
  • has intoxicating effects,
  • impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  • has health risks,
  • use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding,
  • is unlawful to consume in public,
  • is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  • is prohibited by federal law to transport or ship outside of the State of Alaska, and
  • is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

• Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
• The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
• Additional signs required in the consumption area or at its entrance access:
  • “Drive under the influence – lose your car” and describing applicable penalties.
  • “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
• Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  • Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  • Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  • Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  • Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 (10) members. [Strikeout: There shall be six (6) section districts; each shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...]

... Section 4.04. - Presiding officer, meetings and procedures.

... (e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated use proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... (4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.05 to retire the proposed bond and (ii) an annual increase in the municipal tax cap (Chart 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chart 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any and all voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPlicable LAw in LICENSEd RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to
    operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older, and
  - should not be used by women who are pregnant or breastfeeding.
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.

Additional signs required in the consumption area or at its entrance access:

- “Drive under the influence – lose your car” and describing applicable penalties.
- “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:

- Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
- Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: (underline and bolded words) are proposed new words; (strikeouts in bold) are proposed deletions:

Section 4.01. Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 12 (14) members. There shall be six election districts; each shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * *

Section 4.04. Presiding officer, meetings and procedures. * * * *

(e) Seven members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcoholic beverages retail sales tax.

(a) Tax levy and effective date. The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net receipts. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: (underline and bolded words) are proposed new words; (strikeouts in bold) are proposed deletions:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding;
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * [strikeouts in bold] * * *

Section 4.04. - Presiding officer, meetings and procedures. * * * * *
(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

O YES  O NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date. The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for: (1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and (3) Funding for substance misuse treatment, prevention programs, de-addiction or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

### Proposition No. 3: Anchorage Roads and Drainage Service Area Road and Storm Drainage Bonds

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area) (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt will be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

- **YES**

PROPOSITION NO. 5  
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8  
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6  
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7  
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9  
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 6 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS
For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.
The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA
This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.
As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,

  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT 
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chart 14.03b(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03b(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03b(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,956,000 in principal amount of general obligation bonds?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

 The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

 YES ☐ ☐ NO ☐ ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

 Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

 Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

 If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

 The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

### PROPPOSITION NO. 10

**GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS**

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

### PROPPOSITION NO. 11

**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is illegal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - Has intoxicating effects,
  - Impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - Has health risks,
  - Use is restricted to adults twenty-one years and older,
  - Should not be used by women who are pregnant or breastfeeding,
  - Is unlawful to consume in public,
  - Is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - Is prohibited by federal law to transport or ship outside of the State of Alaska,
  - Is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [...] established, shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. [...] * * *

Section 4.04. Presiding officer, meetings and procedures.

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

☐ YES ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

☐ YES ☐ NO

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.6S, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [six] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04. - Presiding officer, meetings and procedures.
...
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated funds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § Section 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchororage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chart 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Raincove, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchororage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chart 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchororage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchororage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable laws.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of twenty-one.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance. AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underline and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of the Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [-建立] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04. - Presiding officer, meetings and procedures.

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underline and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
...
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
...
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2018-148(S-1), As Amended)

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2019-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, design and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, at designing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of
assessed taxable property value (based on the estimated 2020 assessed
valuation in the Girdwood Valley Service Area) an annual cost in taxes of
approximately $28.70 to retire the proposed bonds. The proposed bonds
will not increase the maximum attainable Girdwood Valley Service Area

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING
OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL
MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE
CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores
with a license and special land use permit endorsement approved by the
Municipality and the State of Alaska to allow their customers to consume
marijuana bud or flower by inhalation or smoking in their marijuana
consumption areas. Currently it is legal for only edible marijuana products
to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for
marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in
  an enclosed retail area.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with
  a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor
  the marijuana consumption area at all times ensure consumption is in
  compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to
    operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breast-feeding
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska
    waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the
    State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal
Code will be amended as provided in AO 2019-103(S). As Amended, to
add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a
  licensed retail store to any one person per day for on-site
  consumption.
- The operating plan submitted with an application for an on-site
  consumption endorsement shall include plans for immediate
cessation of smoking and inhalation use by persons in the
consumption area, extinguishment of lighted marijuana, and rapid
  cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance
  access:
  "Drive under the influence – lose your car" and describing
  applicable penalties.
  "Exposure to secondhand marijuana smoke may be harmful to
  your health, have intoxicating effects, and cause a positive
  drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC
  Chapter 16.65, that
  - Excepts approved on-site consumption areas from the
    prohibitions on smoking in enclosed public places and
    enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees
    to monitor the consumption area consistent with the
    requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption
    area when in use for smoking, except in emergency
    circumstances, and
  - Incorporates by reference the ventilation requirements of AMC
    sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to
allow marijuana consumption by smoking or inhalation in on-site
consumption areas?

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.
(a) Tax levy and effective date. The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated uses. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II  BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbows, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Louisiac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,955,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall not be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - Has intoxicating effects,
  - Impairs concentration, coordination and judgment, and not to
deoperate a vehicle or machinery under its influence,
  - Has health risks,
  - Use is restricted to adults twenty-one years and older,
  - Should not be used by women who are pregnant or breastfeeding.
  - Is unlawful to consume in public,
  - Is prohibited by federal law to transport or carry on the Alaska
  - Waterways, including by cruise ships, or by air carrier,
  - Is prohibited by federal law to transport or ship outside of the
  - State of Alaska, and
  - Is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3),. As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a
  - Licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence—lose your car" and describing
    - Applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."

- Amendments to the Secondhand Smoke Control Ordinance. AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the
    - Prohibitions on smoking in enclosed public places and
    - Endorsed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to
    - Monitor the consumption area consistent with the
    - Requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption
    - Area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC
    - Sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeout in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of [strikeout in bold] [12] [H] members. There shall be [strikeout in bold] six [H] election districts; each [strikeout in bold] established] shall have two [strikeout in bold] assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... ...

Section 4.04 - Presiding officer, meetings and procedures.
... ...
(e) Seven [strikeout in bold] [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

○ YES  ○ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeout in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
... ...
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
... ...
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEXY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $360,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence — lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that

- Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
- Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underline and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts: each [...] established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. [...]

Section 4.04 - Presiding officer, meetings and procedures.
(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated to purposes:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underline and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.07 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana shall not be used by women who are pregnant or breastfeeding.
- It is unlawful to consume in public.
- It is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier.
- It is prohibited by federal law to transport or ship outside of the State of Alaska.
- It is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment.
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80.
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcoholic beverages retail sales tax.
(a) Tax levy and effective date. The assembly hereby authorizes a levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - “Drive under the influence – lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.
(e) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use of revenues.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

**PROPOSITION NO. 9**  
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

 Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

 Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

 If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

 The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that

- Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
- Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [H] members. There shall be six [E] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** ... ***

Section 4.04 - Presiding officer, meetings and procedures.
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated expenditures:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 shall be effective if approved by a majority (50% + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES
AND SYSTEMS SPECIAL LEVY AND REDUCTION OF
VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 6 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to
    operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - “Drive under the influence – lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.93 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclough Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SERVICES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition B on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows. [underline and bolded words] are proposed new words; [strikeouts in bold] are proposed deletions:

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [each] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** *** ***

Section 4.04 - Presiding officer, meetings and procedures.
*** *** ***
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of alcohol beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the Assembly directs, the mayor shall submit to the Assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows. [underline and bolded words] are proposed new words; [strikeouts in bold] are proposed deletions:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [— established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.
...
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

CHARTER

12

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II, (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II

BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.40 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.75 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.

Additional signs required in the consumption area or at its entrance access:
- “Drive under the influence – lose your car” and describing applicable penalties.
- “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
- Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
- Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Michugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system-management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.
The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.
The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds? Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** ***

Section 4.04. - Presiding officer, meetings and procedures.
 (e) Seven (seven) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § (Section) 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment.
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80.
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use of revenues.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03b(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclough Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainice, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

**PROPOSITION NO. 7**
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03b(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

**PROPOSITION NO. 8**
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

- **YES**

**PROPOSITION NO. 9**
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10  
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS  

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?  

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.  

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11  
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA  

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.  

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:  

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.  
- Shall only be accessible from the retail marijuana store premises.  
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.  
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.  
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination, judgment, and not to operate a vehicle or machinery under its influence, has health risks, use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.  

In addition, this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:  

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.  
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.  
- Additional signs required in the consumption area or at its entrance access: “Drive under the influence – lose your car” and describing applicable penalties, “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”  
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment, Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area. Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

Proposition No. 12
Charter Amendment
To require 12 Assembly members and 2 members for each Assembly District

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions:

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each district shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may reassemble from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☑ YES ☐ NO

Proposition No. 13
Charter Amendment
Retail sales tax on alcoholic beverages of 5% dedicating the revenue to public safety and health purposes

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, de-addiction or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage's homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions:

ARTICLE II
Bill of Rights

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

1. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-15, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(22)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(22)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - Has intoxicating effects,
  - Impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - Has health risks,
  - Is restricted to adults twenty-one years and older,
  - Should not be used by women who are pregnant or breastfeeding,
  - Is unlawful to consume in public,
  - Is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - Is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - Is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.306 and 21.05.055 for the consumption area.

If approved, this proposition would make it legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** ... ***

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3)S. As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage's homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mckinley Heights (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,995,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable laws.

- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is prohibited to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding;

  is unlawful to consume in public,
  is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  is prohibited by federal law to transport or ship outside of the State of Alaska, and

  is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bold words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bold words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A.O. 2019-148(S-1), As Amended)

ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements to the Anchorage Parks and Recreation Service Area as provided in AO 2019-15, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S), as Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in cases of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words) are proposed new words; [strikeouts in bold] are proposed deletions:

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. *** *** *** Section 4.04 - Presiding officer, meetings and procedures.
*** *** ***
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words) are proposed new words; [strikeouts in bold] are proposed deletions:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2019-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?
The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, designing and constructing building wide earthquake damage repairs, seismic upgrades, security and educational improvements at Glennville Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requiremet projects.
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.
The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS
For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

○ YES    ○ NO

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

PROPOSITION NO. 11

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby is authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated fund proceeds:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeout] are proposed deletions):

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 (11) members. There shall be six (6) election districts; each established shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** ...

Section 4.04 - Presiding officer, meetings and procedures.

... (e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;...

2. Funding to combat and address child abuse, sexual assault, and domestic violence; and

3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the Assembly directs, the mayor shall submit to the Assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... (4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorizes to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, decriminalization or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area at or at its entrance access:
    - “Drive under the influence – lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (1H) members. There shall be six (6) election districts; each [-established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04. - Presiding officer, meetings and procedures.

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated service.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☑ NO 💲

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [district] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

* * *

Section 4.04. - Presiding officer, meetings and procedures.

* * *

(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorizes to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net receipts.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, deincarceration or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline. And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

* * *

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area as provided in AO 2019-15, shall Anchororage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbow, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Lousianac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

PROPOSITION NO. 10
For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

PROPOSITION NO. 11
This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

☑️ YES ☐ NO

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects, and
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, and
  - has health risks, and
  - use is restricted to adults twenty-one years and older, and
  - should not be used by women who are pregnant or breastfeeding.
- is unlawful to consume in public, and
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, and
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “ Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES
This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 …
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Michugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainine, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retailers’ store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibited on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions:

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (E) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** *** *** ***

Section 4.04. - Presiding officer, meetings and procedures.
*** *** *** ***
(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated funds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, deconditioning or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions;

ARTICLE II  BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in
  scent-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with
  a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor
  the marijuana consumption area at all times to ensure consumption is in
  compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, judgment and coordination, and not to
    operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport on the Alaska
    waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the
    State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a
  licensed retail store to any one person per day for on-site
  consumption.

- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.

Additional signs required in the consumption area or at its entrance access:
- "Drive under the influence – lose your car" and describing
  applicable penalties.
- "Exposure to secondhand marijuana smoke may be harmful to
  your health, have intoxicating effects, and cause a positive
drug test result."

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
- Excepts approved on-site consumption areas from the
  prohibitions on smoking in enclosed public places and
  enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to
  monitor the consumption area consistent with the
  requirements of AMC chapter 10.80,
- Limits employee from entering the marijuana consumption area
  when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC
  sections 10.80.308 and 21.05.055 for the consumption area.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY
AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by
adding a new section 14.07 to read as follows:

Section 14.07. Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax
on all retail sales of alcoholic beverages. The tax levy shall be
effective February 1, 2021.
(b) Dedicated uses of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after
payment of the costs of administration, collection and audit to the
municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first
responders;
(2) Funding to combat and address child abuse, sexual assault,
and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs,
detoxification or long-term addiction recovery facilities, mental
and behavioral health programs, and resources to prevent and
address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five
percent (5%) or change of the use of its proceeds may be made
without approval of the majority of qualified voters voting on the
question.
(d) At least 120 days before the end of the fiscal year of the
municipality and at such other times as the assembly directs, the
mayor shall submit to the assembly a report of the tax revenues
collected and expended. The report of expenses shall be itemized
by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used
to supplant funding for existing service levels contained in the actual
operating budget for fiscal year 2020 and the funding to provide for
and maintain that level of service in subsequent years. The
dedicated net receipts shall only be used to provide additional
service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new
words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in
addition to rights guaranteed by the Constitution of the United States of
America and the Constitution of the State of Alaska. Among rights
guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval
by three-fifths (3/5) of the qualified voters voting on the question,
except the taxes imposed by Charter § 14.07 shall be effective if approved by a majority (50 percent + one) of the
qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is
valid until ratified by three-fifths (3/5) of those voting on the question at
a regular or special election, except the taxes imposed by
Charter § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2019-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whaley School, designing and constructing building wide earthquake damage repairs, seismic upgrades, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Vote approval of this bond proposition authorities for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected area wide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bond(s), and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Midlawn Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbows, Portage and other areas outside the Service Area. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bond(s), and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ Proposition, included as Proposition B on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is illegal for any edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment, implementation the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

PROPOSITION NO. 10

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

PROPOSITION NO. 11

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in a smoke-free area.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, judgment and control, and to not operate a vehicle or machinery under its influence, has health risks, use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding.
- It is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S).

To add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment.
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80.
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [11] members. There shall be six [six] election districts; each [- - established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practical a relatively integrated socioeconomic area. ... * * *

Section 4.04. - Presiding officer, meetings and procedures.

(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01. Shall the Anchorage Municipal Charter be amended as set forth above? (AQ 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY
AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. - Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated use of revenues.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AQ 2019-148(S-1), As Amended)

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay associated annual operations and maintenance costs?
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $3,955,000 in principal amount of general obligation bonds?
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.
The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?
Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.
Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.
If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 6 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.
The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
- Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
- Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated revenues.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for: (1) Funding for police, related criminal justice personnel, and first responders; (2) Funding to combat and address child abuse, sexual assault, and domestic violence; and (3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change in the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) (At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underline and bold words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2018-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whaley School, as designing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $16.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected area wide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Louisiac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S).

Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: Underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions:

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (10) members. There shall be six (5) election districts; each shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... 

Section 4.04 - Presiding officer, meetings and procedures.
... (e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated tax receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expensed. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: Underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § (Section) 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence—lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six election districts; each established shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area.  

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter §4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07   Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) of the use of all proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter §14.05 and §14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter §14.05 and §14.07 shall be effective if approved by a majority (50 percent + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

Proposition 8: Vote YES or NO

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 6 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

improvements in the Girdwood Valley Service Area, as provided in AO
2020-1, shall Anchorage borrow money and issue up to $2,200,000 in
principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of
assessed taxable property value (based on the estimated 2020 assessed
valuation in the Girdwood Valley Service Area) an annual cost in taxes of
approximately $28.70 to retire the proposed bonds. The proposed bonds
will not increase the maximum attainable Girdwood Valley Service Area
mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property
taxes levied and collected within the Girdwood Valley Service Area,
without cost to properties in Anchorage, Chugiak, Eagle River and other
areas outside the Service Area. The Municipality will also pledge its full
faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores
with a license and special land use permit endorsement approved by the
Municipality and the State of Alaska to allow their customers to consume
marijuana bud or flower by inhalation or smoking in their marijuana
consumption areas. Currently it is legal for only edible marijuana products
to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for
marijuana consumption areas where smoking or inhalation is allowed:

• Shall be separated by a secure door from the retail store or in
  sight-obsured outdoor areas.
• Shall only be accessible from the retail marijuana store premises.
• The odor of marijuana is not allowed to be detected by a person
  with a normal sense of smell at any lot line.
• A smoke-free area for employees shall be provided to monitor
  the marijuana consumption area at all times to ensure consumption is in
  compliance with applicable law.
• Signs in the consumption area warning that marijuana
  • has intoxicating effects,
  • impairs concentration, coordination and judgment, and not to operate
    a vehicle or machinery under its influence,
  • has health risks,
  • is unlawful to consume in public,
  • is prohibited by federal law to transport or carry on the Alaska
    waterways, including by cruise ships, or by air carrier,
  • is prohibited by federal law to transport or ship outside of the
    State of Alaska, and
  • is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal
Code will be amended as provided in AO 2019-103(S). As Amended, to
add these additional legal requirements or restrictions:

• Up to one gram of marijuana bud or flower may be sold by a
  licensed retail store to any one person per day for on-site
  consumption.
• The operating plan submitted with an application for an on-site
  consumption endorsement shall include plans for immediate
  cessation of smoking and inhalation use by persons in the
  consumption area, extinguishment of lighted marijuana, and rapid
  clearing of visible smoke in case of emergency circumstances.
• Additional signs required in the consumption area or at its entrance
  access:
  • “Drive under the influence – lose your car” and describing
    applicable penalties.
  • “Exposure to secondhand marijuana smoke may be harmful to
    your health, have intoxicating effects, and cause a positive
    drug test result.”
• Amendments to the Secondhand Smoke Control Ordinance, AMC
  Chapter 16.65, that
  • Excepts approved on-site consumption areas from the
    prohibitions on smoking in enclosed public places and
    enclosed areas that are places of employment,
  • Implements the smoke-free area requirements for employees
    to monitor the consumption area consistent with the
    requirements of AMC chapter 10.80,
  • Prohibits employees from entering the marijuana consumption
    area when in use for smoking, except in emergency
    circumstances, and
  • Incorporates by reference the ventilation requirements of AMC
    sections 10.80.308 and 21.05.055 for the consumption area.

allow marijuana consumption by smoking or inhalation in on-site
consumption areas?

RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcoholic beverages retail sales tax.

(a) A tax on alcoholic beverages of 5% shall be effective.

The assembly hereby authorized to levy a five percent (5%) tax on retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds:

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the Assembly directs, the mayor shall submit to the Assembly report a tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strickenout in bold] are proposed deletions):

PROPOSITION NO. 4
ANCHORAGE FIRE SERVICE AREA FIRE PROTECTION BONDS
For the purpose of acquiring a replacement fire ladder truck, making AFD facility improvements and expanding the shop in the Anchorage Fire Service Area, as provided in AO 2019-152, shall Anchorage borrow money and issue up to $2,050,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Fire Service Area) an annual increase in taxes of approximately $0.49 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Fire Service Area without cost to properties in Chugiak, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements to the Anchorage Parks and Recreation Service Area, as provided in AO 2019-15, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Yes

No

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Yes

No

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(i)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainforest, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Yes

No

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(i)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $3,095,000 in principal amount of general obligation bonds?

Yes

No

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Yes

No

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘‘Areawide Public Safety and Transit Capital Improvement Bonds’’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace
Glacier City Hall and Little Bears facilities and making related capital
improvements in the Girdwood Valley Service Area, as provided in AO
2020-1, shall Anchorage borrow money and issue up to $2,200,000 in
principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of
assessed taxable property value (based on the estimated 2020 assessed
valuation in the Girdwood Valley Service Area) an annual cost in taxes of
approximately $28.70 to retire the proposed bonds. The proposed bonds
will not increase the maximum attainable Girdwood Valley Service Area
bond rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property
taxes levied and collected within the Girdwood Valley Service Area,
without cost to properties in Anchorage, Chugiak, Eagle River and other
areas outside the Service Area. The Municipality will also pledge its full
faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores
with a license and special land use permit endorsement approved by the
Municipality and the State of Alaska to allow their customers to consume
marijuana bud or flower by inhalation or smoking in their marijuana
consumption areas. Currently it is legal for only edible marijuana products
to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for
marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in
  sight-obsured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with
  a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the
  marijuana consumption area at all times to ensure consumption is in
  compliance with applicable law.
- Signs in the consumption area warning that marijuana
  • has intoxicating effects,
  • impairs concentration, coordination and judgment, and not to
    operate a vehicle or machinery under its influence,
  • has health risks,
  • use is restricted to adults twenty-one years and older,
  • should not be used by women who are pregnant or
    breastfeeding,
  • is unlawful to consume in public,
  • is prohibited by federal law to transport or carry on the Alaska
    waterways, including by cruise ships, or by air carrier,
  • is prohibited by federal law to transport or ship outside of the
    State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal
Code will be amended as provided in AO 2019-103(S). As Amended, to
add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a
  licensed retail store to any one person per day for on-site
  consumption.
- The operating plan submitted with an application for an on-site
  consumption endorsement shall include plans for immediate
cessation of smoking and inhalation use by persons in the
consumption area, extinguishment of lighted marijuana, and rapid
overflow of visible smoke in case of emergency circumstances.

- Additional signs required in the consumption area or at its entrance
  access:
  • “Drive under the influence – lose your car” and describing
    applicable penalties.
  • “Exposure to secondhand marijuana smoke may be harmful to
    your health, have intoxicating effects, and cause a positive
    drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance. AMC
  Chapter 16.65, that
  • Excepts approved on-site consumption areas from the
    prohibitions on smoking in enclosed public places and
    enclosed areas that are places of employment,
  • Implements the smoke-free area requirements for employees to
    monitor the consumption area consistent with the
    requirements of AMC chapter 10.80,
  • Prohibits employees from entering the marijuana consumption
    area when in use for smoking, except in emergency
    circumstances, and
  • Incorporates by reference the ventilation requirements of AMC
    sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores
to allow marijuana consumption by smoking or inhalation in on-site
consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [4] members. There shall be six [4] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * *

Section 4.04 - Presiding officer, meetings and procedures. * * * *
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated funds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03)(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03)(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of McHugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Louisiac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03)(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(35). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each district shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04. - Presiding officer, meetings and procedures.

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020, Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Chart § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-02)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of revenues.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders.
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, deaddiction or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by majority of the voters voting on the question at the April 7, 2020, Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchor be borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality also will pledge its full faith and credit for payment of the bonds.

 PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchor be borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclnugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality also will pledge its full faith and credit for payment of the bonds.

 PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchor be borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality also will pledge its full faith and credit for payment of the bonds.

 PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchor be borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

 The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality also will pledge its full faith and credit for payment of the bonds.

 PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchor be levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

 Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

 Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

 If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It also would reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

 The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding;
  - it is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.6S., that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcoholic beverages retail sales tax. 
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01 as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

...  ...
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-155, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2c)) of approximately $0.50 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.93 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2c)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Michugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2c)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,955,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2021-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

• Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
• Shall only be accessible from the retail marijuana store premises.
• The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
• A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
• Signs in the consumption area warning that marijuana
  • has intoxicating effects,
  • impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  • has health risks,
  • use is restricted to adults twenty-one years and older,
  • should not be used by women who are pregnant or breastfeeding,
  • it is unlawful to consume in public,
  • is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  • is prohibited by federal law to transport or ship outside of the State of Alaska, and
  • is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

• Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.

• The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.

• Additional signs required in the consumption area or at its entrance access:
  • “Drive under the influence – lose your car” and describing applicable penalties.
  • “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

• Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  • Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  • Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  • Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  • Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated purposes.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 6 [Section 14.05 and § 14.07] shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the sales tax imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
- is unlawful to consume in public.
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier.
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance. AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area. Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

Section 14.07  Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
(1) Funding for police, related criminal justice personnel, and first responders:
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II  BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA
CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.95 to retire the proposed bond and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbows, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance. AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each (e) established, shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES  ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated to purposes.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders.

2. Funding to combat and address child abuse, sexual assault, and domestic violence; and

3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of other taxes.

No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II  BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(a) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,990,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds. The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

[PROPOSITION NO. 11]
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas. As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obsured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - “Drive under the influence – lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax. (a) Tax levy and effective date. The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net receipts. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

## ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019, applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in private rooms.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area at or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorizes a levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, de-escalation or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II  BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements to the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchororge borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchororge borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbows, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA-compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchororge borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $55,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchororge borrow money and issue up to $3,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchororge levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [H] members. There shall be six [E] sections districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Retail sales tax on alcoholic beverages.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II  BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 11  
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA  

This would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding;
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crises.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §4.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

* * * * *
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 2
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2018-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, designing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

ANCHORAGE PARKS AND RECREATION SERVICE AREA
CAPITAL IMPROVEMENT BONDS

For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for association annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (a) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (b) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.58 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA
FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (a) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (b) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Lousiac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (a) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (b) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL
IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating systems/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES
AND SYSTEMS SPECIAL LEVY AND REDUCTION OF
VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempt approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each (established) shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * * *

Section 4.04. - Presiding officer, meetings and procedures.
* * * * *
(e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01. Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated to funds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, declassification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.
And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § (Section) 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood Fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud orflower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in a sight-obscured outdoor areas.
- Shall only be accessable from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects.
- Impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence.
- Has health risks.
- Use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding.
- Is unlawful to consume in public.
- Is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier.
- Is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.

- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.

- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

### PROPOSITION NO. 12

**CHARTER AMENDMENT TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT**

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**Section 4.01.** Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [all] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... ... ...

**Section 4.04.** Presiding officer, meetings and procedures.

(e) Seven [five] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

### PROPOSITION NO. 13

**CHARTER AMENDMENT RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES**

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

**Section 14.07.** Alcoholic beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**ARTICLE II BILL OF RIGHTS**

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

- (4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

**Section 14.01.** Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvement improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchor Park borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchor Park borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclough Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbows, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Louisiac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchor Park borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchor Park borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $303,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘’Areawide Public Safety and Transit Capital Improvement Bonds’’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 12 [H] members. There shall be six [E] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... ... ...

Section 4.04. - Presiding officer, meetings and procedures. ... ...
  (e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
  (a) Tax levy and effective date. The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
  (b) Dedicated and reserved.
    The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
    (1) Funding for police, related criminal justice personnel, and first responders;
    (2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
    (3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
  (c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of these proceeds may be made without approval of the majority of qualified voters voting on the question.
  (d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
  (e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter § 14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

  (4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
  (b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,956,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchororage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a social, special, or on-site consumption endorsement approved by the Municipality and the State of Alaska to allow customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently, it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019, applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment, implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation on in-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [- is referenced] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.
(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

1. Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
2. The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
3. Additional signs required in the consumption area or at its entrance access:
   - “Drive under the influence – lose your car” and describing applicable penalties.
   - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
4. Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
   - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
   - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
   - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
   - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area): (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of McHugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,995,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [4] members. There shall be six [4] election districts: each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... [strikeouts]

Section 4.04. - Presiding officer, meetings and procedures.
... [strikeouts]

(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent [5%] tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated revenues.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage's homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent [5%] or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
... [strikeouts]

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date:
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net proceeds:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage's homelessness crisis.

(c) No increase of the alcohol beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words) are proposed new words; (*strikeouts in bold) are proposed deletions:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
...
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and Charter § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority
...
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and Charter § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,289,537.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

○ YES  ○ NO
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas. As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

● Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.

● Shall only be accessible from the retail marijuana store premises.

● Shall not be sold by a person with a normal sense of smell at any lot line.

● Shall be smoke-free for employees to be monitored in the marijuana consumption area at all times. Ensuring consumption in compliance with applicable law.

● Signs in the consumption area warning that marijuana
  • has intoxicating affects,
  • impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  • has health risks,
  • use is restricted to adults twenty-one years and older,
  • should not be used by women who are pregnant or breastfeeding,
  • is unlawful to consume in public,
  • is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  • is prohibited by federal law to transport or ship outside the State of Alaska, and
  • is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

● Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.

● The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.

● Additional signs required in the consumption area or at an entrance access:
  • “Drive under the influence – lose your car” and describing applicable penalties.
  • “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

● Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  • Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  • Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  • Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  • Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

   (3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.
The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?
Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.
Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.
If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.
The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

**PROPOSITION NO. 10**  
**GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS**

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not exceed the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

## PROPOSITION NO. 11
**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [...] established shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. [...] *[strikeouts]*

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-06)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.

(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated service.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation on in-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY
AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by
adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax
on all retail sales of alcoholic beverages. The tax levy shall be
effective February 1, 2021.
(b) Dedicated net funds:
The net receipts from the alcoholic beverages retail sales tax, after
payment of the costs of administration, collection and audit to the
municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first
responders;
(2) Funding to combat and address child abuse, sexual assault,
and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs,
detoxification or long-term addiction recovery facilities, mental
and behavioral health programs, and resources to prevent and
address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five
percent (5%) or change of the use of its proceeds may be made
without approval of the majority of qualified voters voting on the
question.
(d) At least 120 days before the end of the fiscal year of the
municipality and at such other times as the assembly directs, the
mayor shall submit to the assembly a report of the tax revenues
collected and expended. The report of expenses shall be itemized
by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to
supplant funding for existing service levels contained in the actual
operating budget for fiscal year 2020 and the funding to provide for
and maintain that level of service in subsequent years. The
dedicated net receipts shall only be used to provide additional
service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter
§14.01(b) as follows (underlined and bolded words are proposed new
words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in
addition to rights guaranteed by the Constitution of the United States of
America and the Constitution of the State of Alaska. Among rights
guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by
three-fifths (3/5) of the qualified voters voting on the question,
except the taxes imposed by Charter § 14.05 and 14.07 shall be effective if approved by a majority (50 percent + one) of the
qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance
is valid until ratified by three-fifths (3/5) of those voting on the question
at a regular or special election, except the taxes imposed by
Charter § 14.05 and 14.07 shall be effective if approved by a
majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the
April 7, 2020 Regular Election, the amendments to the Charter above
shall be effective upon certification of the election.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) election districts; each (each) shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. 

... ... ... ...

Section 4.04 - Presiding officer, meetings and procedures.
... ... ...
(e) Seven (seven) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, de
crification or long term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... ... ...
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 4.01 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

☐ YES  ☐ NO

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000. The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas. As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana

  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated revenues.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows [underlined and bolded words are proposed new words; (strikeouts in bold) are proposed deletions]:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 1
AREAWIDE LIFESAFETY ACCESS ROADS IMPROVEMENTS BONDS
For the purpose of constructing and maintaining life/safety access roads, including conducting pre-construction design work to construct a new segment of Boundary Avenue, a new segment of Mountain Air Drive and a new segment of Kullberg Drive, and related capital improvements in Anchorage as provided in AO 2020-2. As Amended, shall Anchorage borrow money and issue up to $111,000 in principal amount of general obligation bonds?
Voter approval of this bond proposition authorizes for each $100 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $0.25 to retire the proposed bonds.
The debt shall be paid from real and personal property taxes levied and collected areawide in Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 2
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS
For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2019-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?
The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, designing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $14.85 to retire the proposed bonds.
The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS
For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-4, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?
Voter approval of this bond proposition authorizes for each $100 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chartier 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 4
ANCHORAGE FIRE SERVICE AREA FIRE PROTECTION BONDS
For the purpose of acquiring a replacement fire ladder truck, making AFD facility improvements and expanding the shop in the Anchorage Fire Service Area, as provided in AO 2019-152, shall Anchorage borrow money and issue up to $2,050,000 in principal amount of general obligation bonds?
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Fire Service Area) an annual increase in taxes of approximately $0.49 to retire the proposed bonds.
The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Fire Service Area without cost to properties in Chugiak, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

Proposition No. 10

Girdwood Valley Service Area Facilities Bonds

For the purpose of building a new community building to replace Glacier City Hall and Little Bear facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

Proposition No. 11

Allowing On-Site Consumption of Marijuana by Smoking or Inhalation Per Applicable Law in Licensed Retail Marijuana Stores With an Endorsement For an On-Site Consumption Area

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently, it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019, applicable law includes the following requirements for marijuana consumption areas where smoking or inhaling is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved, the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * *

Section 4.04 - Presiding officer, meetings and procedures.
* * * *
(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated to needs.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

**Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.**

**PROPOSITION NO. 9**

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

**Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.**

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood Fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition B on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

**CHARTER AMENDMENT TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT**

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**Section 4.01** - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** ... ***

**Section 4.04** - Presiding officer, meetings and procedures.

... *** ... ***

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

### PROPOSITION NO. 13
**CHARTER AMENDMENT RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES**

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

**Section 14.07** - Alcoholic beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net receipts.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**ARTICLE II BILL OF RIGHTS**

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... *** ... ***

4. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

**Section 14.01** - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AQ 2019-148(S-1), As Amended)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

**Section 14.07. Alcohol beverages retail sales tax.
**(a) **Tax levy and effective date.
**The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) **Dedication of revenues.
**The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1) Funding for police, related criminal justice personnel, and first responders.
2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**ARTICLE II **
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

* * * * *

4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

**Section 14.01. Taxing Authority
**(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(i)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6

ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7

AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Lousiac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8

AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 could have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- Shall be separated from the marijuana flower or bud display.
- Shall not be a place for the sale of marijuana products.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana is not allowed in the area.
- Has intoxicating effects.
- Impairs concentration, judgment, and health, and not to operate a vehicle or machinery under its influence.
- Has health risks.
- Is unlawful to consume in public.
- Is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier.
- Is prohibited by federal law to transport or ship outside of the State of Alaska.
- Is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment.
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80.
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; strikeouts in bold are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (14) members. There shall be six (eight) election districts; each (each) district shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * *

Section 4.04. - Presiding officer, meetings and procedures. * * *
(e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; strikeouts in bold are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax levies by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.58 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, and without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 could have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

If the bond proposition is approved, a refunding bond issue of approximately $300,000 will be sold to retire the bonds from the school district.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six (6) election districts; each [6] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. 

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated use.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [hit] members. There shall be six [six] election districts; each [district] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. *** ...
*** ...

Section 4.04 - Presiding officer, meetings and procedures.
*** ...
(e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
- (1) Funding for police, related criminal justice personnel, and first responders;
- (2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
- (3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(c) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
*** ...
- (4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 1
AREAWIDE LIFE/SAFETY ACCESS ROADS
IMPROVEMENTS BONDS

For the purpose of constructing and maintaining life/safety access roads, including conducting pre-construction design work to construct a new segment of Boundary Avenue, a new segment of Mountain Air Drive and a new segment of Kulbeg Drive, and related capital improvements in Anchorage as provided in AO 2020-2, As Amended, shall Anchorage borrow money and issue up to $1,110,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $0.25 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ○ NO

PROPOSITION NO. 2
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2018-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, as designing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

YES ○ NO

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-4, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt will be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

YES ○ NO

PROPOSITION NO. 4
ANCHORAGE FIRE SERVICE AREA FIRE PROTECTION BONDS

For the purpose of acquiring a replacement fire ladder truck, making AFD facility improvements and expanding the shop in the Anchorage Fire Service Area, as provided in AO 2019-152, shall Anchorage borrow money and issue up to $2,050,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Fire Service Area) an annual increase in taxes of approximately $0.49 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Fire Service Area without cost to properties in Chugiak, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements to the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $0.12 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, or
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY
AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax. 
(a) Tax levy and effective date. The assembly hereby authorizes to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021. 
(b) Dedicated net receipts: The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1) Funding for police, related criminal justice personnel, and first responders;
2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... ...

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Yes / No

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

Yes / No

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Yes / No

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak, and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $26.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in a smoke-free area.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects, and
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposal is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.

- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.

- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
- Exceptions approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
- Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: [underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * * * * * * * * *

Section 4.04 - Presiding officer, meetings and procedures.
* * * * * * * * * * * *
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: [underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
* * * * * * * * * * * *
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter §14.05 and §14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter §14.05 and §14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A.O. 2019-148(S-I), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall the Municipality of Anchorage, and the State of Alaska, authorize an issue of bonds in an amount not to exceed $1,200,000 for the purpose of providing funds for the new community building? Yes or No?

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal will make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019, applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in a designated area.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs coordination, judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance. AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas? Yes or No?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: 

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (1) members. There shall be six (6) election districts; each district shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * *

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% 
DEDICATING THE REVENUE TO PUBLIC SAFETY 
AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby is authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use of resources.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: 

ARTICLE II  BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-14/8(S)-1, As Amended)

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence — lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) election districts; each district shall have two (2) assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... [strikeouts in bold]

Section 4.04 - Presiding officer, meetings and procedures.
...
(e) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may reconstitute from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY
AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks, 
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
  
In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence—lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health; have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:  
(1) Funding for police, related criminal justice personnel, and first responders;  
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and  
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bold words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II  BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:  

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? [AO 2019-148(S-1), As Amended]

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainy Pass, Portage and other areas outside the Service Area. The Municipality shall also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality shall also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality shall also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace the Girdwood Valley Service Area, as provided in AO 2003-74, shall the Anchorage Borough and the School District borrow money and issue up to $2,200,000 in principal amount of general obligation bonds? 

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment.
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 ([H]) members. There shall be six (6) election districts; each [...] established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. [...] *[...]*

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven ([six]) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcoholic beverages retail sales tax.

(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated fund proceeds:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,959,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace
Glacier City Hall and Little Bears facilities and making related capital
improvements in the Girdwood Valley Service Area, as provided in AO
2020-1, shall Anchorage borrow money and issue up to $2,200,000 in
principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of
assessed taxable property value (based on the estimated 2020 assessed
valuation in the Girdwood Valley Service Area) an annual cost in taxes of
approximately $28.70 to retire the proposed bonds. The proposed bonds
will not increase the maximum attainable Girdwood Valley Service Area
mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property
taxes levied and collected within the Girdwood Valley Service Area,
without cost to properties in Anchorage, Chugiak, Eagle River and other
areas outside the Service Area. The Municipality will also pledge its full
faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores
with a license and special land use permit endorsement approved by the
Municipality and the State of Alaska to allow their customers to consume
marijuana bud or flower by inhalation or smoking in their marijuana
consumption areas. Currently it is legal for only edible marijuana products
to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for
marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in
  sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person
  with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor
  the marijuana consumption area at all times to ensure consumption is in
  compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to
  - operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  should not be used by women who are pregnant or
  breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska
    waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the
    State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal
Code will be amended as provided in AO 2019-103(S). As Amended, to
add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a
  licensed retail store to any one person per day for on-site
  consumption.

- The operating plan submitted with an application for an on-site
  consumption endorsement shall include plans for immediate
cessation of smoking and inhalation use by persons in the
consumption area, extinguishment of lighted marijuana, and rapid
cleaning of visible smoke in case of emergency circumstances.

- Additional signs required in the consumption area or at its entrance
  access:
    - “Drive under the influence – lose your car” and describing
      applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to
      your health, have intoxicating effects, and cause a positive
      drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC
  Chapter 16.65, that
  - Expects approved on-site consumption areas from the
    prohibitions on smoking in enclosed public places and
    enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to
    monitor the consumption area consistent with the
    requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption
    area when in use for smoking, except in emergency
    circumstances, and
  - Incorporates by reference the ventilation requirements of AMC
    sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to
allow marijuana consumption by smoking or inhalation in on-site
consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

4.01. Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [11] members. There shall be six [six] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... 

4.04. Presiding officer, meetings and procedures.

(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage's homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

1. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-198, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(c)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area): (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(c)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Midlough Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage): (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(c)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will stipulate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approval by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- SHALL be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended on AO 2019-103(SJ). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - “Drive under the influence – lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.306 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (10) members. There shall be six election districts; each district shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... [strikeouts in bold]... 

Section 4.04. - Presiding officer, meetings and procedures.
... (e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES  ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorizes to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, decriminalization or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.
And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
... (4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - “Drive under the influence – lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of [12 (H)] members. There shall be six [6] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** *** *** ***

Section 4.04. - Presiding officer, meetings and procedures.

... *** *** *** ***

(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, deaddiction or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant existing sources of funding or to exceed the amount of funding for the fiscal year 2020 and the funding for previous years. The dedicated net receipts shall only be used to provide additional services levels above the baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.04(b) (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and §14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and §14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2019-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, designing and constructing building wide earthquake damage repairs; seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Chugach Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbow, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

PROPOSITION NO. 10

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugach, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

PROPOSITION NO. 11

This would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** ... *** Section 4.04. - Presiding officer, meetings and procedures.
... *** ... ***
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicaing effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [H] members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. *** ... ***

Section 4.04. - Presiding officer, meetings and procedures.
... ...

(e) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated expenditures.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... ...

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority
... ...

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchororage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchororage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in a sight-obscured outdoor area.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska,
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY
AND HEALTH PURPOSES
This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter § 14.01(b) as follows (underlined and bolded words) are proposed new words; (strikeouts in bold) are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-151, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugach, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mclugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Louisac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B)(2) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $26.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 16.00.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) election districts; each (each) shall have two (2) members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area.

Section 4.04 - Presiding officer, meetings and procedures.

(a) Seven (seven) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020, Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated use of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 5 [Section 14.05 and § 14.07] shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020, Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorizes to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net receipts.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

... *** ...

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements to the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchor borough borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected with the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchor borough borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mitchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainnow, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Louisac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchor borough borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchor borough borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area at or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 210.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

### PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [**H**] members. There shall be six (6) election districts; each [**established**] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04. - Presiding officer, meetings and procedures.

(e) Seven (6) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

### PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated of proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

1. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified Voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchoridge borrow money and issue up to $5,595,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

YES ☐ NO ☐

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchoridge levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) a one cent ($0.01) increase in the annual property tax rate of Anchorage for a term of 30 years.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

**PROPOSITION NO. 11**

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in a sight-obscured outdoor area.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - “Drive under the influence – lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underline and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [4] members. There shall be six [2] election districts; each [shall] have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... ... ...

Section 4.04. - Presiding officer, meetings and procedures.
... ...
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underline and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
...
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A.O 2019-148(S-1), As Amended)

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
  - is unlawful to consume in public.
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier.
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this Proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

CHARTER AMENDMENT

RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;

2. Funding to combat and address child abuse, sexual assault, and domestic violence; and

3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA
FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Midkhugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Lousiac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL
IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES
AND SYSTEMS SPECIAL LEVY AND REDUCTION OF
VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, judgment, and not to operate a vehicle or machinery under its influence, has health risks, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - "Drive under the influence — lose your car" and describing applicable penalties.
    - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**SECTION 4.01.** Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ***

**SECTION 4.04.** Presiding officer, meetings and procedures.

(e) **Seven** [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01. Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

○ YES ○ NO

---

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

**SECTION 14.07.** Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated funds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders.
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

**ARTICLE II BILL OF RIGHTS**

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

- (4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

- (b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-I), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.03.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [strikeouts in bold] 14 members. There shall be six [strikeouts in bold] eight election districts; each of the established shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.
...
(e) Seven members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated portion.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:
...
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [strikeouts in bold] Section 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currenty it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in a separate space.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any time.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,

  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at the entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.306 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 2
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2019-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, designing and constructing building wide earthquake damage repairs, seismic upgrades, security, building and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirements projects.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

### PROPOSITION NO. 11
**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently, it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019, applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable laws.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposal is approved, the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any person one day per retail consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."

Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:

- Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
- Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
- Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
- Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) election districts; each district shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ***

Section 4.04 - Presiding officer, meetings and procedures. ***

(e) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01. Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax. (a) Tax key and effective date. The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated scope. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, judgment and under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding.
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
- is prohibited by federal law to transport or ship outside of the State of Alaska, and
- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area. Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; strikeouts in bold are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [4] members. There shall be six [2] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... "..." "..."

Section 4.04 - Presiding officer, meetings and procedures.
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020, Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% Dedicating the revenue to public safety and health purposes

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1) Funding for police, related criminal justice personnel, and first responders;
2) Funding to combat address child abuse, sexual assault, and domestic violence; and
3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; strikeouts in bold are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

§ 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020, Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach, and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 6 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% Dedicating the Revenue to Public Safety and Health Purposes

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax. (a) Tax levy and effective date. The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated fund: The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § (Section) 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak Eagle River Senior Center and the Lousiac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage): (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [8] election districts; each [[- established]] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * *

Section 4.04 - Presiding officer, meetings and procedures.
* * *
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

* * * * *
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-1033(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2018-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, designing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $16.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $343,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 4
ANCHORAGE FIRE SERVICE AREA FIRE PROTECTION BONDS

For the purpose of acquiring a replacement fire ladder truck, making AFD facility improvements and expanding the shop in the Anchorage Fire Service Area, as provided in AO 2019-152, shall Anchorage borrow money and issue up to $2,050,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Fire Service Area) an annual increase in taxes of approximately $0.49 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Fire Service Area without cost to properties in Chugiak, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainice, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

 The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

 ☐ YES  ☐ NO

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

 Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

 The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

 ☐ YES  ☐ NO

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

 Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

 Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

 If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

 The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana:
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska highways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
   The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
   The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
   (1) Funding for police, related criminal justice personnel, and first responders;
   (2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
   (3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows underneath and bolded words are proposed new words; [strikeouts in bold] are proposed deletions:

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § (Section) 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01  Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-13, shall Anchorage levy a special tax in the amount of $63,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40. Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.

The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.

Additional signs required in the consumption area or at its entrance access:

- “Drive under the influence—lose your car” and describing applicable penalties.
- “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bold words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [11] members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * *

Section 4.04. - Presiding officer, meetings and procedures.
* * * * *
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bold words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

* * * * *
(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate 'Areawide Public Safety and Transit Capital Improvement Bonds' proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% Dedicating the Revenue to Public Safety AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07  Alcohol beverages retail sales tax.
(a) Tax levy and effective date.  
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts:
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for: (1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Charter 14.03(p)(2)(b)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $630,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate "Areawide Public Safety and Transit Capital Improvement Bonds" proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Ball and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugach, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obsured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - "Drive under the influence – lose your car" and describing applicable penalties.
    - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area. Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; strikethroughs in bold [ ] are proposed deletions):

Section 4.01 - Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of [12] [H] members. There shall be six [6] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *

Section 4.04 - Presiding officer, meetings and procedures. (* * *)

(e) **Seven** [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

 Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date. The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) **Dedication of proceeds.** The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; strikethroughs in bold [ ] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority of the qualified voters voting on the question.

Section 14.01 Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

• Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
• Shall only be accessible from the retail marijuana store premises.
• The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
• A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
• Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

• Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
• The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
• Additional signs required in the consumption area or at its entrance access:
  • “Drive under the influence – lose your car” and describing applicable penalties.
  • “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
• Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  • Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  • Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  • Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  • Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [established] shall have two [three] assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... [Strikeout.]

Section 4.04. - Presiding officer, meetings and procedures.
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, decarceration or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage's homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

- Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

- Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area) an annual increase in taxes of approximately $12.19 to retire the proposed bonds.

- Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $1.15 to pay for annual operations and maintenance costs related to the proposed capital improvements.

- Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area) an annual increase in taxes of approximately $2.40 to retire the proposed bonds.

- Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area) an annual increase in taxes of approximately $0.49 to retire the proposed bonds.
PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playgrounds, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvements to the Anchorage Parks and Recreation Service Area as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Michugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall New City Hall and Little Bears facilities be replaced
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds shall not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to smoke marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas. As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska,
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail stores to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area. Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, as Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(v)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,959,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $380,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Girdwood City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds? Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.
The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs coordination, orientation and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at the entrance access:
    - “Drive under the influence – lose your car” and describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Expects approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implemeints the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts: each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. **...**

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (AO 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-1485(S-1), As Amended)

- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lit marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - "Drive under the influence – lose your car" and describing applicable penalties.
  - "Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result."
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.306 and 21.05.055 for the consumption area.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date. The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated proceeds. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of the proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority ...

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154. As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)(v)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,095,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Vote approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,260,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bear facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.

Signs in the consumption area warning that marijuana
- has intoxicating effects,
- impairs concentration, coordination, and judgment, and
- to operate a vehicle or machinery under its influence,
- has health risks,
- use is restricted to adults twenty-one years and older,
- should not be used by women who are pregnant or breastfeeding,
- is unlawful to consume in public,
- is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,

- is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-1019(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.

- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.

- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”

- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: [underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions]:

Section 4.01. - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six [eight] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area....[strikeouts in bold] Section 4.04. - Presiding officer, meetings and procedures.
(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.
(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated expenditures.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of the proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: [underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions]:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

- The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-I), As Amended)

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chart 14.03(b)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,955,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding.
- It is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.
- In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
  - Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
  - The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lithe marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
  - Additional signs required in the consumption area or at its entrance access:
    - “Drive under the influence – lose your car” describing applicable penalties.
    - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
  - Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
    - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
    - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
    - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
    - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

**Proposition NO. 13**

**CHARTER AMENDMENT RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES**

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

**Section 14.07 Alcohol beverages retail sales tax.**

(a) Tax levy and effective date.

The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated of proceeds:

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crises.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: Underlined and bolded words are proposed new words; strikeouts in bold are proposed deletions:

**ARTICLE II BILL OF RIGHTS**

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

- The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

**Section 14.01 Taxing Authority**

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (AO 2019-148(S-1), As Amended)

  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated net receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
1. Funding for police, related criminal justice personnel, and first responders;
2. Funding to combat and address child abuse, sexual assault, and domestic violence; and
3. Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

4. The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 1
AREAWIDE LIFE/SAFETY ACCESS ROADS
IMPROVEMENTS BONDS

For the purpose of constructing and maintaining life/safety access roads, including constructing pre-construction design work to construct a new segment of Boundary Avenue, a new segment of Mountain Air Drive and a new segment of Kullberg Drive, and related capital improvements in Anchorage as provided in AO 2020-2, As Amended, shall Anchorage borrow money and issue up to $1,110,000 in principal amount of general obligation bonds?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $0.25 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 2
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2019-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whaley School, replacing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chartier 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS

For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Midclugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS

For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugach-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS

For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,950,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS

For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugach and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana(g) has intoxicating effects, impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence, has health risks, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21. In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(3). As Amended, to add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment, and
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, and
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
- Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: *underlined and bolded words* are proposed new words; [struckout in bold] are proposed deletions:

Section 4.01 - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 [10] members. There shall be six [4] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.

(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES  ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcoholic beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net receipts.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

1) Funding for police, related criminal justice personnel, and first responders;

2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: *underlined and bolded words* are proposed new words; [struckout in bold] are proposed deletions:

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (60 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - use is restricted to adults twenty-one years and older,
  - should not be used by women who are pregnant or breastfeeding,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car’ and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment, and
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80, and
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01. - Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 12 [10] members. There shall be six [6] election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... [strikeouts]

Section 4.04. - Presiding officer, meetings and procedures. 

(e) Seven [Six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5%
DEDICATING THE REVENUE TO PUBLIC SAFETY
AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax. (a) Tax levy and effective date. The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated to proceeds. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

**PROPOSITION NO. 11**
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit approval by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.

- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposal is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows: 

Section 4.01. - Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 14 members. There shall be six election districts; each shall have two members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... * * * * *

Section 4.04. - Presiding officer, meetings and procedures. * * * *

(e) Seven members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07. Alcohol beverages retail sales tax.

(a) Tax levy and effective date. The assembly hereby authorizes to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated revenues. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders;

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipal and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows: 

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01. Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA
This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.
As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:
- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana

  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.
In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:
- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid cleaning of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (12) members. There shall be six (6) sections; each shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ...

Section 4.04 - Presiding officer, meetings and procedures.
(e) Seven (7) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedication of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) Increase of the retail beverages sales tax.
The Assembly may, by adopting an ordinance by majority vote, increase the rate of the retail sales tax levied under Section 14.07, but not by more than five percent (5%) of the tax rate levied at the adoption of the ordinance.

(d) Discontinuation of the retail sales tax.
The Assembly may, by adopting an ordinance by majority vote, discontinue the retail beverage sales tax.

(e) Net receipts.
The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain the level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter §14.05 and §14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter §14.05 and §14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40. Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved in the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas. As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana
  - has intoxicating effects,
  - impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  - has health risks,
  - is unlawful to consume in public,
  - is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  - is prohibited by federal law to transport or ship outside of the State of Alaska, and
  - is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area and at its entrance access:
  - “Smoke under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated of proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.55 to retire the proposed bonds; and (ii) an annual increase in the municipal tax cap (Chapter 14.03(B)(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainier, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03(B)(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,395,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

☐ YES  ☐ NO

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTEDNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposal will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will estimate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate ‘Areawide Public Safety and Transit Capital Improvement Bonds’ proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.

PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

• Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
• Shall only be accessible from the retail marijuana store premises.
• The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
• A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
• Signs in the consumption area warning that marijuana
  • has intoxicating effects,
  • impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  • has health risks,
  • use is restricted to adults twenty-one years and older,
  • should not be used by women who are pregnant or breastfeeding,
  • is unlawful to consume in public,
  • is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  • is prohibited by federal law to transport or ship outside of the State of Alaska, and
  • is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

• Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
• The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
• Additional signs required in the consumption area or at its entrance access:
  • “Drive under the influence—lose your car” and describing applicable penalties.
  • “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
• Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  • Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  • Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  • Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  • Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.
Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.

The legislative power of Anchorage is vested in an assembly of 12 (H) members. There shall be six [6] election districts; each [if established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... *** *** ... ***

Section 4.04 - Presiding officer, meetings and procedures.

... *** *** ... ***

(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.

(a) Tax levy and effective date.

The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.

(b) Dedicated net receipts.

The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:

(1) Funding for police, related criminal justice personnel, and first responders.

(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and

(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.

(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.

(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.

(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.07(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS

This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 ... Taxing Authority

(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 - Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated uses of net receipts.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 - Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

PROPOSITION NO. 2
CAPITAL IMPROVEMENTS FOR THE ANCHORAGE SCHOOL DISTRICT BONDS

For the purpose of providing educational capital improvements, construction, upgrades, design, planning, renovation and earthquake recovery of school facilities and educational facility building life extension projects within Anchorage, as provided in AO 2019-145, shall Anchorage borrow money and issue up to $82,833,000 in principal amount of general obligation bonds?

The general obligation bond proceeds will be used to pay costs of constructing, renovating, installing, designing, planning, acquiring and equipping educational capital improvement projects including, but not limited to, design funding to replace Inlet View Elementary School, design and construction funding for infrastructure capital improvements at Aquarian Charter School, and designing and constructing building wide earthquake damage repairs, seismic upgrades and building improvements at Bartlett, East, King Tech, Chugiak, Eagle River, and Dimond High Schools, Mirror Lake and Central Middle Schools, Fire Lake, Chugiak, and Bear Valley Elementary Schools and Whalley School, as well as designing and constructing building wide earthquake damage repairs, seismic upgrades, building, security and educational improvements at Gruening Middle School and Eagle River Elementary School, and planning and design projects for 2022 deferred capital requirement projects.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $18.45 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements in the Anchorage Roads and Drainage Service Area, as provided in AO 2020-6, shall Anchorage borrow money and issue up to $43,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $313,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $12.19 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter, 14.03(b)(2)) of approximately $1.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area, without cost to properties in Chugiak, Eagle River, Girdwood and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 5
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
For the purpose of renovating and rehabilitating trails and parks, making playground, parking, safety, ADA and park improvements at various parks and recreational facilities, and making related capital improvement projects in the Anchorage Parks and Recreation Service Area, as provided in AO 2019-150, shall Anchorage borrow money and issue up to $3,950,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $197,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $1.02 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.68 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area, without cost to properties in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 6
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of acquiring new APD replacement fleet vehicles and undertaking certain capital improvements in the Anchorage Metropolitan Police Service Area as provided in AO 2019-151, shall Anchorage borrow money and issue up to $2,400,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $30,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Metropolitan Police Service Area) (i) an annual increase in taxes of approximately $0.53 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.09 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area, which consists of areas north of Mchugh Creek (other than Fire Island), without cost to properties in Girdwood, Bird, Indian, Rainbows, Portage and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 7
AREAWIDE FACILITIES CAPITAL IMPROVEMENT PROJECT BONDS
For the purpose of providing areawide facilities capital improvements within the Municipality of Anchorage, including at the Anchorage Senior Activity Center and Chugiak-Eagle River Senior Center and the Loussac and Mt. View Libraries, said improvements involving building safety rehabilitation and upgrades, facility renovations, code improvement projects, elevator modernization, ADA compliance, seismic modifications and other capital improvements, as provided in AO 2019-154, As Amended, shall Anchorage borrow money and issue up to $5,375,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $52,000 to pay for associated annual operations and maintenance costs?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) (i) an annual increase in taxes of approximately $1.20 to retire the proposed bonds and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.15 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 8
AREAWIDE PUBLIC SAFETY AND TRANSIT CAPITAL IMPROVEMENT BONDS
For the purpose of upgrading the infrastructure of the Anchorage Area-Wide Radio Network, acquiring new replacement ambulances and replacement cardiac monitors, making improvements to transit facilities and centers, acquiring and replacing transit vehicles and support equipment, updating automated operating system/management information systems and undertaking bus stop improvements and related capital improvements in Anchorage as provided in AO 2019-153, shall Anchorage borrow money and issue up to $5,959,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $1.13 to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. The Municipality will also pledge its full faith and credit for payment of the bonds.

PROPOSITION NO. 9
AREAWIDE EMERGENCY MEDICAL SUPPLIES AND SYSTEMS SPECIAL LEVY AND REDUCTION OF VOTER-APPROVED INDEBTNESS
For the purpose of renting or leasing cardiac monitors, chest compression systems, automated external defibrillators (AEDs), power gurney systems, and other emergency medical equipment and systems, as provided in AO 2020-3, shall Anchorage levy a special tax in the amount of $830,000 annually, dedicated solely to those purposes, and rescind voter authorization in 2019, and any further voter authorization in 2020, to incur general obligation debt to purchase cardiac monitors and chest compression systems?

Voter approval of this proposition authorizes for each $100,000 of assessed property value (based on the estimated 2020 areawide assessed valuation in Anchorage) an annual increase in taxes of approximately $2.40.

Among other things, approval of this proposition will permit the Anchorage, Chugiak and Girdwood fire departments and the Anchorage Police Department to deploy uniform cardiac monitors, chest compression systems and AEDs, through a leasing arrangement. To purchase the equipment using the proceeds of general obligation bonds, rather than lease it, bonds in the principal amount of not less than $11,280,533.94 would have to be issued over the next ten years. This proposition will eliminate that need.

If passed, this proposition would eliminate $400,000 from the principal amount of indebtedness that could be authorized by the separate “Areawide Public Safety and Transit Capital Improvement Bonds” proposition, included as Proposition 8 on this ballot. It would also reduce the principal amount of indebtedness authorized by voters in 2019 by $280,000.

The tax shall be from real and personal property taxes levied and collected areawide within Anchorage.
PROPOSITION NO. 10
GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $28.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

PROPOSITION NO. 11
ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA

This proposal would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas. As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

• Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
• Shall only be accessible from the retail marijuana store premises.
• The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
• A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
• Signs in the consumption area warning that marijuana
  • has intoxicating effects,
  • impairs concentration, coordination and judgment, and not to operate a vehicle or machinery under its influence,
  • has health risks,
  • is unlawful to consume in public,
  • is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier,
  • is prohibited by federal law to transport or ship outside of the State of Alaska,
  • is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

• Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
• The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
• Additional signs required in the consumption area or at its entrance access:
  • “Drive under the influence – lose your car” and describing applicable penalties.
  • “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
• Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that
  • Exempts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  • Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  • Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  • Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND
2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 (11) members. There shall be six (6) election districts; each shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... 

Section 4.04 - Presiding officer, meetings and procedures.
...  
(e) Seven (six) members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rules.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01.

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date.
The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated proceeds.
The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.07 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

### PROPOSITION NO. 10
**GIRDWOOD VALLEY SERVICE AREA FACILITIES BONDS**

For the purpose of building a new community building to replace Glacier City Hall and Little Bears facilities and making related capital improvements in the Girdwood Valley Service Area, as provided in AO 2020-1, shall Anchorage borrow money and issue up to $2,200,000 in principal amount of general obligation bonds?

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Girdwood Valley Service Area) an annual cost in taxes of approximately $29.70 to retire the proposed bonds. The proposed bonds will not increase the maximum attainable Girdwood Valley Service Area mill rate approved pursuant to AMC 27.30.020.

The debt is anticipated to be paid from real and personal property taxes levied and collected within the Girdwood Valley Service Area, without cost to properties in Anchorage, Chugiak, Eagle River and other areas outside the Service Area. The Municipality will also pledge its full faith and credit for payment of the debt.

### PROPOSITION NO. 11
**ALLOWING ON-SITE CONSUMPTION OF MARIJUANA BY SMOKING OR INHALATION PER APPLICABLE LAW IN LICENSED RETAIL MARIJUANA STORES WITH AN ENDORSEMENT FOR AN ON-SITE CONSUMPTION AREA**

This proposition would make it legal for licensed retail marijuana stores with a license and special land use permit endorsement approved by the Municipality and the State of Alaska to allow their customers to consume marijuana bud or flower by inhalation or smoking in their marijuana consumption areas. Currently it is legal for only edible marijuana products to be consumed in marijuana consumption areas.

As of October 2019 applicable law includes the following requirements for marijuana consumption areas where smoking or inhalation is allowed:

- Shall be separated by a secure door from the retail store or in sight-obscured outdoor areas.
- Shall only be accessible from the retail marijuana store premises.
- The odor of marijuana is not allowed to be detected by a person with a normal sense of smell at any lot line.
- A smoke-free area for employees shall be provided, to monitor the marijuana consumption area at all times to ensure consumption is in compliance with applicable law.
- Signs in the consumption area warning that marijuana has intoxicating effects, impairs concentration, coordination and judgment, and to not operate a vehicle or machinery under its influence, has health risks, use is restricted to adults twenty-one years and older, should not be used by women who are pregnant or breastfeeding, is unlawful to consume in public, is prohibited by federal law to transport or carry on the Alaska waterways, including by cruise ships, or by air carrier, is prohibited by federal law to transport or ship outside of the State of Alaska, and is unlawful to provide to persons under the age of 21.

In addition, if this proposition is approved the Anchorage Municipal Code will be amended as provided in AO 2019-103(S). As Amended, to add these additional legal requirements or restrictions:

- Up to one gram of marijuana bud or flower may be sold by a licensed retail store to any one person per day for on-site consumption.
- The operating plan submitted with an application for an on-site consumption endorsement shall include plans for immediate cessation of smoking and inhalation use by persons in the consumption area, extinguishment of lighted marijuana, and rapid clearing of visible smoke in case of emergency circumstances.
- Additional signs required in the consumption area or at its entrance access:
  - “Drive under the influence – lose your car” and describing applicable penalties.
  - “Exposure to secondhand marijuana smoke may be harmful to your health, have intoxicating effects, and cause a positive drug test result.”
- Amendments to the Secondhand Smoke Control Ordinance, AMC Chapter 16.65, that:
  - Excepts approved on-site consumption areas from the prohibitions on smoking in enclosed public places and enclosed areas that are places of employment,
  - Implements the smoke-free area requirements for employees to monitor the consumption area consistent with the requirements of AMC chapter 10.80,
  - Prohibits employees from entering the marijuana consumption area when in use for smoking, except in emergency circumstances, and
  - Incorporates by reference the ventilation requirements of AMC sections 10.80.308 and 21.05.055 for the consumption area.

Shall it be legal in the Municipality for licensed retail marijuana stores to allow marijuana consumption by smoking or inhalation in on-site consumption areas?

PROPOSITION NO. 12
CHARTER AMENDMENT
TO REQUIRE 12 ASSEMBLY MEMBERS AND 2 MEMBERS FOR EACH ASSEMBLY DISTRICT

This proposition would amend the Anchorage Municipal Charter sections 4.01 and 4.04, as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

Section 4.01 - Power, composition and apportionment.
The legislative power of Anchorage is vested in an assembly of 12 [14] members. There shall be six (6) election districts; each [established] shall have two assembly members, and they shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area. ... [strikeouts in bold]

Section 4.04 - Presiding officer, meetings and procedures.
....
(e) Seven [six] members of the assembly shall constitute a quorum; however, a smaller number may recess from time to time and compel the attendance of absent members as prescribed by assembly rule.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon the adoption of a final state redistricting plan by the Redistricting Board of the State of Alaska following the official reporting of the 2020 Census of the United States, and applicable to the next reapportionment of the Assembly per Charter § 4.01. Shall the Anchorage Municipal Charter be amended as set forth above? (A0 2019-62)

☐ YES  ☐ NO

PROPOSITION NO. 13
CHARTER AMENDMENT
RETAIL SALES TAX ON ALCOHOLIC BEVERAGES OF 5% DEDICATING THE REVENUE TO PUBLIC SAFETY AND HEALTH PURPOSES

This proposition would amend the Anchorage Municipal Charter by adding a new section 14.07 to read as follows:

Section 14.07 Alcohol beverages retail sales tax.
(a) Tax levy and effective date. The assembly is hereby authorized to levy a five percent (5%) tax on all retail sales of alcoholic beverages. The tax levy shall be effective February 1, 2021.
(b) Dedicated revenues. The net receipts from the alcoholic beverages retail sales tax, after payment of the costs of administration, collection and audit to the municipality, are dedicated and shall be available to use only for:
(1) Funding for police, related criminal justice personnel, and first responders;
(2) Funding to combat and address child abuse, sexual assault, and domestic violence; and
(3) Funding for substance misuse treatment, prevention programs, detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage’s homelessness crisis.
(c) No increase of the alcoholic beverages retail sales tax above five percent (5%) or change of the use of its proceeds may be made without approval of the majority of qualified voters voting on the question.
(d) At least 120 days before the end of the fiscal year of the municipality and at such other times as the assembly directs, the mayor shall submit to the assembly a report of the tax revenues collected and expended. The report of expenses shall be itemized by each authorized use or purpose and presented to the public.
(e) The net receipts described in subsection (b) shall not be used to supplant funding for existing service levels contained in the actual operating budget for fiscal year 2020 and the funding to provide for and maintain that level of service in subsequent years. The dedicated net receipts shall only be used to provide additional service levels above the 2020 baseline.

And by amending Anchorage Municipal Charter, Article II (4), and Charter §14.01(b) as follows (underlined and bolded words are proposed new words; [strikeouts in bold] are proposed deletions):

ARTICLE II
BILL OF RIGHTS
This Charter guarantees rights to the people of Anchorage that are in addition to rights guaranteed by the Constitution of the United States of America and the Constitution of the State of Alaska. Among rights guaranteed by this Charter are:

(4) The right of immunity from sales taxes, except upon approval by three-fifths (3/5) of the qualified voters voting on the question, except the taxes imposed by Charter § [Section] 14.05 and § 14.07 shall be effective if approved by a majority (50 percent + one) of the qualified voters voting on the question.

Section 14.01 Taxing Authority
(b) Unless otherwise provided in this Charter, no sales tax ordinance is valid until ratified by three-fifths (3/5) of those voting on the question at a regular or special election, except the taxes imposed by Charter § 14.05 and § 14.07 shall be effective if approved by a majority (50% + one) of the Qualified voters voting on the question.

If approved by a majority of the voters voting on the question at the April 7, 2020 Regular Election, the amendments to the Charter above shall be effective upon certification of the election.

Shall the Anchorage Municipal Charter be amended as set forth above, and the 5% retail sales tax on alcoholic beverages be approved? (A0 2019-148(S-1), As Amended)

☐ YES  ☐ NO
