REGULAR ELECTION
MUNICIPALITY OF ANCHORAGE
APRIL 1, 2003 - OFFICIAL BALLOT

VOTE COMPLETELY AND CORRECTLY AS SHOWN ON THE BALLOT.
BE SUBJECT TO PENALTY FOR FALSE BALLOT.

PROPOSITION 2
CHARTER AMENDMENT - REPEALING AND
REINSERTING CHARTER SECTION 11.010(b)
Shall section 11.010(b) of the Anchorage Municipal Charter be repealed and reinserted as follows:
(b) If no candidate for the office of Mayor receives more than forty percent (40%) of the votes cast for the office of Mayor, the Assembly shall hold a run-off election between the two (2) candidates receiving the highest number of votes for the office. Run-off elections under this section are not required, however, in races where the number of more than two (2) candidates appeared on the initial ballot unless a write-in candidate received more votes than a candidate whose name is on the ballot. (Proposed language below will be repeated if required)

(b) NO PERSON MAY HOLD THE OFFICE OF MAYOR OF ANCHORAGE, ANCHORAGE SCHOOL BOARD, OR THE ANCHORAGE MUNICIPAL ASSEMBLY AS A RESULT OF ANY ELECTION, REGULAR OR SPECIAL, WITHOUT RECEIVING A MAJORITY OF THE VOTES CAST FOR THE OFFICE. A MAJORITY IS DEFINED AS 50 PERCENT PLUS AT LEAST ONE VOTE. IN THE EVENT THAT NO SINGLE CANDIDATE RECEIVES A MAJORITY, THE TWO CANDIDATES RECEIVING THE MOST VOTES IN THE REGULAR ELECTION SHALL HAVE A RUN-OFF ELECTION ON THE FIRST TUESDAY OF THE MONTH FOLLOWING THE SPECIAL ELECTION TO ESTABLISH THE WINNER. IN THE EVENT OF A SPECIAL ELECTION, THE TWO CANDIDATES RECEIVING THE MOST VOTES SHALL HAVE A RUN-OFF ELECTION UNDER THIS SECTION ARE NOT REQUIRED. HOWEVER, IN RACES WHERE THE NUMBER OF NO MORE THAN TWO CANDIDATES APPEARED ON THE INITIAL BALLOT, UNLESS A WRITE-IN CANDIDATE RECEIVED MORE VOTES THAN A CANDIDATE WHOSE NAME IS ON THE BALLOT.

PROPOSITION 3
ANCHORAGE AREA LIBRARY AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $7,270,000 through the issuance of general obligation bonds and increase the municipal tax cap by an amount not to exceed $500,700? The bond proceeds would pay costs of acquiring property, constructing, and remodelling various community libraries, and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2002 assessed valuation in Anchorage) an annual increase in taxes of approximately $3.31 to retire the proposed debt and an annual increase in the municipal tax cap (Chapter 4.13.50(a)(2)) of approximately $1.29 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (No. AD 2003-17)

PROPOSITION 4
ANCHORAGE SERVICE AREA ROAD, STORM DRAINAGE AND RELATED CAPITAL IMPROVEMENTS BONDS
Shall Anchorage borrow up to $35,950,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $181,000? The bond proceeds would pay costs of roadway improvements, roadway safety improvements, drainage collection, drainage treatment and related capital improvements in the Anchorage Roads and Drainage Service Area and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2002 assessed valuation in the Anchorage Roads and Drainage Service Area) (i) an annual increase in taxes of approximately $21.58 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 4.13.50(a)(2)) of approximately $9.21 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt. (AD 2003-18)
RIVER-OKIOLUS PARKS AND RECREATION SERVICE AREA
CAPITAL IMPROVEMENT BONDS

Shall the Municipality of Anchorage issue up to $41,700,000 through the issuance of general obligation bonds to pay costs of planning, design, acquiring, constructing, and equipping park improvements, recreational facilities, trail upgrades and related capital improvements within Anchorage? (Note: 32,750,000 of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below). The general obligation bond proceeds will be used to pay costs of planning, design, acquiring property for, site preparation, constructing, acquiring, installing, and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- Estimated Cost

  Projects:

  Districtwide/Major Maintenance:
  - Districtwide Mechanical Upgrades: $3,990,000
  - Districtwide Cables/Alarms/SCADA Projects: 2,605,000
  - Districtwide Electric Projects: 5,357,600
  - Districtwide Roof Replacement and Repairs: 3,498,000

  Districtwide Minor Building Renewal Projects: 5,978,000

  Districtwide Restroom Upgrades: 2,382,900

  Districtwide Traffic Safety/Site Upgrades: 4,123,800

  Security Upgrades - Districtwide: 753,600

  Emergency Preparedness/Shelter: 3,200,000

  Student Transportation (10 Replacement School Buses): 840,000

  Site Selection and Acquisition: 10,000,000

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2003 assessed valuation) an annual increase in taxes of approximately $18.64 to retire the proposed bonds.

As noted above, $27,750,000 of the bonds qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $9.07 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected in Anchorage and the State. Anchorage will also pledge its full faith and credit for payment of the debt.

(No. AO 2003-63)
### PROPOSITION 10
**EDUCATIONAL CAPITAL IMPROVEMENT BONDS**

Shall Anchorage borrow up to $42,000,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage and increase the municipal tax cap by an amount of $558,600 to pay for associated annual operations and maintenance costs?

All of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property for, site preparation, constructing, acquiring, installing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement project includes, but is not limited to, the following:

<table>
<thead>
<tr>
<th>Projects:</th>
<th>Estimated Cost</th>
<th>Operation and Maintenance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Administrative and Training Facility</td>
<td>$42,000,000</td>
<td>$558,600</td>
</tr>
</tbody>
</table>

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation): (i) an annual increase in the property tax rate of approximately 18.74 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $2,86 to pay for annual operation and maintenance costs related to the proposed capital improvement.

As stated above, the entire $42,000,000 of bonds qualify for 60% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $7,53 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected as authorized by the electorate. Anchorage will also pledge its full faith and credit for payment of the debt.

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation): (i) an annual increase in the property tax rate of approximately 56.01 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately 12.97 to pay for annual operation and maintenance costs related to the proposed capital improvements.

As stated above, $47,440,000 of the bonds qualify for 70% State debt reimbursement and $78,100,000 of the bonds qualify for 60% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $20.28 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected as authorized by the electorate. Anchorage will also pledge its full faith and credit for payment of the debt.

PROPOSITION 16

Anchorage Election and Apportionment Reform Act of 2003

(1) Establish and Apportion eleven single-member Assembly election districts.
(2) Establish and Apportion Board and its duties and authority.
(3) Establish and limit the number of terms of Assembly members.
(4) Enact a transition provision for implementing these amendments.

Shall Anchorage Municipal Charter Sections 4.01, 4.02(a) and 4.02(e) be amended and a new Section 4.03 and Transition Provisions be adopted, as stated above and to take effect immediately on certification of the results of the election at which presented:

(1) Receipt of the final report of each federal decennial census, including any supplementary data necessary to establish population distribution within the municipality.
(2) Receipt of a petition of 50 or more qualified voters alleging and containing reliable evidence that the Assembly is malapportioned;
(3) Any amendment to this Charter affecting voter representation on the Assembly or Assembly election districts.

If the Municipal Apportionment Board [ASSEMBLY] determines that the Assembly is malapportioned, it shall, within five months of the determination, reapportion the Assembly [ITSELF] in the manner provided by law.

4.02  Terms, membership and qualifications.

(a) Assembly members shall be elected from single-member election districts for a term of three years. The Assembly shall be reapportioned whenever it becomes malapportioned. The Municipal Apportionment Board [THE ASSEMBLY] shall determine by resolution whether the Assembly is malapportioned within 30 days from:

(1) Receipt of the final report of each federal decennial census, including any supplementary data necessary to establish population distribution within the municipality;
(2) Receipt of a petition of 50 or more qualified voters alleging and containing reliable evidence that the Assembly is malapportioned;
(3) Any amendment to this Charter affecting voter representation on the Assembly or Assembly election districts.

(b) A person who has served on the assembly for any (three) consecutive terms may not be reelected to the assembly until one full term has intervened and no Assembly member may serve more than seven consecutive terms.

4.03  Municipal Apportionment Board

(a) There shall be a Municipal Apportionment Board consisting of five municipal residents. Two members of the Board shall be appointed by the Mayor. Two members of the Board shall be appointed by the Assembly. The members of the Board shall be appointed by the Assembly. The term of an Assembly member is two years. If some or all Assembly members are elected from multi-member districts, the term of an Assembly member is three years.

(b) No member of the Municipal Apportionment Board may be an elected or appointed official or employee of the Municipality or the State of Alaska and may not be a candidate for election to the Assembly until after the first regular Municipal election immediately following a reapportionment or reapportionment decision in which the member participated.

(c) Members of the Municipal Apportionment Board shall serve until a final reapportionment plan or decision is proclaimed by the Board resulting from the event(s) that occasioned their appointment.

(d) The Municipal Apportionment Board shall have the full authority to and shall reapportion Assembly election districts as provided in Section 4.03. The Board may be necessary to implement amendments to this Charter and shall have full authority to and shall provide for the implementation of such amendments including but not limited to, as may be reasonably necessary, the shortening of terms.

Transition Provisions. Charter Sections 4.01, 4.02(e) and 4.03 as amended and adopted by this proposition shall be implemented for and govern the election of Assembly members at the regular Municipal election in 2004. All Assembly seats shall be elected at the regular Municipal election in 2004. The tenure and term of all Assembly members in office on the effective date of the amendment shall end on the date of the regular Municipal election in 2004, but they shall continue to serve until their successors are elected and qualified. At the regular Municipal election in 2004 only, the five even numbered election district seats shall be elected for one year and the six odd numbered election district seats shall be elected for a term of three years.

REGULAR ELECTION
MUNICIPALITY OF ANCHORAGE
APRIL 1, 2003 - OFFICIAL BALLOT

PROPOSITION 2
CHARTER AMENDMENT: REPAIRING AND
ENHANCING CHARTER SECTION 12(a) TO
REQUIRE RUN OFF ELECTIONS ONLY FOR
THOSE OF THE MAYOR, CHAIR AND
THE COSTS OF RUN OFF ELECTIONS
shall section 11.20(b) or the Anchorage
Municipal Charter be repealed and reenacted
as follows:
(a) If no candidate for the office of Mayor
receives more than forty-five percent (45%) of
the votes cast for the office of Mayor, the
Assembly, within thirty (30) days from the date
of certification of the election, shall hold a run
off election between the two (2) candidates
receiving the highest number of votes for the
office. Run off elections under this section are
not required, however, in races where the
names of no more than two (2) candidates
appeared on the initial ballot unless a write-in
candidate received more votes than a
candidate whose name is on the ballot.
(Enacted language below will be repealed)
(b) No person may hold the office
of Mayor of Anchorage, Anchorage
School Board, or the Anchorage
Municipal Assembly as a result of
any election, regular or special,
without receiving a majority of the
voters cast for the office. A
majority is defined as 50 percent
plus at least one vote. In the event
no single candidate receives a
majority, the two candidates
receiving the most votes in the
regular election shall have a run
off election on the first Tuesday
of the month following the
regular election to establish the
winner. In the case of a special election,
the two candidates receiving the most
votes shall have a run-off no more
than 30 days subsequent to the
special election. Run-off elections
under this section are not
required, however, in races where
the names of no more than two
candidates appeared on the initial
ballot unless a write-in candidate
received more votes than a
candidate whose name is on the
ballot.

PROPOSITION 3
ANCHORAGE AREA LIBRARY AND
RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $3,270,000
through the issuance of general obligation
bonds and increase the municipal tax cap
by an annual amount not to exceed
$300,707? The bond proceeds would pay
costs of acquiring property for,
constructing, and remodeling various
library and related capital
improvements within Anchorage and the
increase in the municipal tax cap
would pay the associated annual operations
and maintenance costs.

Voter approval of this bond proposition
authorizes for each $100,000 of assessed
budgetable property value (based on the
estimated total 2003 assessed valuation in
Anchorage) an annual interest in taxes of
approximately $3.31 to retire the proposed
debt and (6) an annual increase in the
municipal tax cap (Chapter 14.03(b)(2) of
approximately $1.05 to pay for annual operations
and maintenance costs related to the proposed
capital improvements.

The debt shall be paid from real and
personal property taxes levied and
collected within Anchorage.
Anchorage will also pledge its full faith and
credit for payment of the bonds. (No. AO
2003-17)

PROPOSITION 4
ANCHORAGE RIVERS AND DRAINAGE,
Seward Area Road, Storm Drainage,
AND RELATED CAPITAL IMPROVEMENT
BONDS
Shall Anchorage borrow up to
$28,850,000 through the issuance of
general obligation bonds and increase the
municipal tax cap by an annual amount
not to exceed $189,007? The bond
proceeds would pay costs of
roadway improvements, drainage
improvements, drainage collection,
drainage treatment and related
capital improvements in the Anchorage Roads
and Drainage Service Area. The
increase in the municipal tax cap
would pay the associated annual operations
and maintenance costs.

Voter approval of this bond proposition
authorizes for each $100,000 of assessed
budgetable property value (based on the
estimated total 2003 assessed valuation in
the Anchorage Roads and Drainage Service
Area) (i) an annual increase in taxes of
approximately $24.30 to retire the
proposed bonds, and (ii) an annual
increase in the municipal tax cap
(Chapter 14.03(b)(2) of) approximately $1.21 to pay
for annual operations and maintenance
 costs related to the proposed capital
 improvements.

The debt shall be paid from real and
personal property taxes levied and
collected within the Anchorage Roads and
Drainage Service Area. Anchorage will
also pledge its full faith and credit for
payment of the debt. (AO 2003-19)
PROPOSITION 5
EMERGENCY/SAFETY/COMMUNICATIONS SYSTEMS, AMENITIES, AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $2,200,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $669,000? The bond proceeds would pay a portion of the costs of replacing the existing 911 system, acquiring property for, equipping, rehabilitating, improving, constructing and upgrading emergency/areas of communications systems, purchasing and/or rehabilitating radio units (e.g. ambulances), and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $6.85 to retire the proposed debt and: (a) an annual increase in the municipal tax cap (Chapter 14.03B(3)(a)) of approximately $3.51 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected around Anchorage. Anchorage will also pledge its full faith and credit for payment of the bond. (A.O. 2003-13)

PROPOSITION 6
PUBLIC TRANSPORTATION AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $1,000,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $230,000? The bond proceeds would pay costs of planning, designing, acquiring, replacing, installing, and improving Anchorage-owned transit facilities and purchasing, supporting vehicles, and related public transportation capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.
The annual increase in taxes on $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation in Anchorage) necessary to: (a) retire the proposed debt is approximately $9.5 and (b) an annual increase in the municipal tax cap (Chapter 14.03B(3)(a)) of approximately $3.01 to pay for annual operation and maintenance costs associated with the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected around Anchorage. Anchorage will also pledge its full faith and credit for payment of the bond. (A.O. 2003-15BS)

PROPOSITION 7
ANCORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $6,995,000 through the issuance of general obligation bonds to pay the costs of equipping and constructing park improvements, recreational facilities, and related capital improvements and increase the municipal tax cap by an annual amount up to $182,000 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Parks and Recreation Service Area.
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Anchorage Parks and Recreation Service Area) (a) an annual increase in taxes of approximately $2.75 to retire the proposed bonds, and (b) an annual increase in the municipal tax cap (Chapter 14.03B(3)(a)) of approximately $1.05 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bond. (No. A.O. 2003-40 (As Amended))

PROPOSITION 8
EAGLE-RIVER/CHUGA STAR, PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall the Municipality of Anchorage borrow up to $1,870,000 through the issuance of general obligation bonds to pay costs of equipping and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $55,700 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Eagle-River/Chugach Parks and Recreation Service Area.
Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Eagle-River/Chugach Parks and Recreation Service Area) (a) an annual increase in taxes of approximately $7.89 to retire the proposed bonds, and (b) an annual increase in the municipal tax cap (Chapter 14.03B(3)(a)) of approximately $3.25 to pay for annual operations and maintenance costs related to the proposed capital improvements.
The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Eagle River-Chugach Parks and Recreation Service Area, Anchorage will also pledge its full faith and credit for payment of the bond. (No. 2003-14)

PROPOSITION 9
EDUCATIONAL CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $41,790,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage? $57,750,000 of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below).
The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property for, site preparation, constructing, acquiring, renovating, redesigning and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

<table>

PROPOSITION 1
AN ADVISORY VOTE AS TO WHETHER STATE LAW SHOULD BE CHANGED TO ALLOW MUNICIPALITIES TO LOWER THE VOTING AGE FOR LOCAL ELECTIONS FROM 18 TO 16 YEARS
Shall the constitution and the laws of the State of Alaska be amended to allow municipalities to lower the voting age for local elections from 18 to 16? (AQ 2003-36) (as amended)

PROPOSITION 2
CHARTER AMEND.-REPEALING AND RESTATING CHARTER SECTION 11.0200 TO PROVIDE RUN-OFF ELECTIONS ONLY FOR OFFICE OF THE MAYOR, THEREBY REDUCING THE COSTS OF RUN-OFF ELECTIONS
Shall section 11.0200 of the Anchorage Municipal Charter be repealed and restated to read as follows: (b) No candidate for the office of Mayor receives more than forty-five percent (45%) of the vote cast for the office of Mayor, the Assembly shall select three (3) weeks from the date of certification of the election, shall hold a run-off election between the two (2) candidates receiving the highest number of votes for the office. Run-off elections under this section are not required, however, in cases where the names of no more than two (2) candidates appeared on the initial ballot unless a write-in candidate received more votes than a candidate whose name is not on the ballot. (Bracketed language below will be repealed)

[IN NO PERSON MAY HOLD THE OFFICE OF MAYOR OF ANCHORAGE, ANCHORAGE SCHOOL BOARD, OR THE ANCHORAGE MUNICIPAL ASSEMBLY AS A RESULT OF ANY ELECTION, REGULAR OR SPECIAL, WITHOUT RECEIVING A MAJORITY OF THE VOTES CAST FOR THE OFFICE. A MAJORITY IS DEFINED AS 50 PERCENT PLUS AT LEAST ONE VOTE. IN THE EVENT THAT NO SINGLE CANDIDATE RECEIVES A MAJORITY, THE TWO CANDIDATES RECEIVING THE MOST VOTES IN THE REGULAR ELECTION SHALL HAVE A RUN-OFF ELECTION ON THE FIRST TUESDAY OF THE MONTH FOLLOWING THE REGULAR ELECTION TO ESTABLISH THE WINNER. IN THE CASE OF A SPECIAL ELECTION, THE CANDIDATE RECEIVING THE MOST VOTES SHALL HAVE A RUN-OFF NO MORE THAN 30 DAYS SUBSEQUENT TO THE SPECIAL ELECTION. RUN-OFF ELECTIONS UNDER THIS SECTION ARE NOT REQUIRED, HOWEVER, IN CASES WHERE THE NAMES OF NO MORE THAN TWO CANDIDATES APPEARED ON THE INITIAL BALLOT UNLESS A WRITE-IN CANDIDATE RECEIVED MORE VOTES THAN A CANDIDATE WHOSE NAME IS ON THE BALLOT.]

If approved by the voters on the April 1, 2003, Regular Election, this proposition will be effective for this election. (AQ 2002-79) as amended

PROPOSITION 5
EMERGENCY AND COMMUNICATIONS SYSTEMS, AMBULANCE, AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $2,500,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $659,000? The bond proceeds would pay a portion of the costs of replacing the existing 511 system, acquiring property for, equipping, rehabilitating, improving, constructing and upgrading emergency roadside communications systems, purchasing, or refurbishing mobile units (e.g. ambulances), and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated operation and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $1.65 to retire the proposed bond and (ii) an annual increase in the municipal tax cap (Chapter 4.02B(22)) of approximately $3,510 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (AC 2003-13)

PROPOSITION 6
PUBLIC TRANSPORTATION AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $1,900,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $2,002? The bond proceeds would pay costs of planning, designing, acquiring, replacing, installing, and improving Anchorage-owned transit lines and facilities, purchasing support vehicles, and related public transportation capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

The annual increase in taxes on $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation in Anchorage) necessary to (i) retire the proposed debt is approximately $95 and (ii) an annual increase in the municipal tax cap (Chapter 4.02b(22)) of approximately $0.11 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt will be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AC 2003-1235)

PROPOSITION 7
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $4,955,000 through the issuance of general obligation bonds to pay the costs of equipping and constructing parks improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $162,000 to pay for associated annual operation and maintenance costs? The proposed capital improvements will be located within the Anchorage Parks and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Anchorage Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $2.75 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.05b(22)) of approximately $6.30 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (RFS AC 2005-40 (As Amended))

PROPOSITION 8
EAGLE RIVER-CHUGA趙 PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall the Municipality of Anchorage borrow up to $1,570,000 through the issuance of general obligation bonds to pay costs of equipping and constructing parks improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $159,700 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Eagle River-Chugach Parks and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Eagle River-Chugach Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $7.96 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.05b(22)) of approximately $2.25 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Eagle River-Chugach Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (RFS AC 2003-14)

PROPOSITION 9
EDUCATIONAL CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $41,756,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage? $27,756,000 of these bonds qualify for partial State reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property for, site preparation, constructing, acquiring, renovating, installing, and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- **Projects:**
- Districtwide Major Maintenance:
  - Districtwide Mechanical Upgrades: $3,960,000

  - Districtwide Traffic Safety/Upgrades: $4,128,000
  - Security Upgrades - Lodo: Phase 2: $760,000
  - Emergency Preparedness/Infractions: $1,092,000
  - Student Transportation (10 Replacement School Buses): $540,000
  - Site Selection and Acquisition: $10,000,000

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated total 2003 assessed valuation) an annual increase in taxes of approximately $16.84 to retire the proposed bonds.

As stated above, $27,756,000 of the bonds qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $9.97 based on $100,000 of 2003 assessed real and personal property value. State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AC 2003-1893)

PROPOSITION 18
Anchorage Election and Appointments Reform Act of 2003
AMENDING THE ANCHORAGE MUNICIPAL CHARTER TO: (1) ESTABLISH AND RAPPORTADIUS ELEVEN SINGLE MEMBER ASSEMBLY ELECTION DISTRICTS, OR ESTABLISH A REAPPORTUION BOARD AND ITS DUTIES AND AUTHORITY, (2) ESTABLISH AND LIMIT THE NUMBER OF TERMS OF ASSEMBLY MEMBERS, AND (3) ENACT A TRANSITION PROVISION FOR IMPLEMENTING THESE AMENDMENTS.

Shall Anchorage Municipal Charter Sections 4.01, 4.02(a), and 4.02(e) be amended and a new Section 4.03 and Transition Provisions be adopted, to read as follows and to take effect immediately on certification of the results of the election at which presented:

[Capital letters in brackets are deletions of existing language and underlined letters are new language.]

4.01 Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of eleven members. There shall be eleven (11) Assembly election districts, numbered one (1) through eleven (11), each of which [ELECTION DISTRICTS, IF ESTABLISHED] shall be formed of compact and contiguous territory containing as nearly as possible [PRACTICABLE] a relatively integrated socioeconomic area. The assembly shall be reapportioned whenever it becomes disaggregated. The Municipal Reapportionment Board (THE ASSEMBLY) shall determine and declare by resolution whether the Assembly (DPS NOT IT) is malapportioned within 50 days from:
(1) Receipt of the final report of each federal decennial census, including any supplementary data necessary to establish population distribution within the municipality;
(2) Receipt of a petition of 50 or more qualified voters alleging and containing reliable evidence that the assembly is malapportioned; or
(3) Any amendment to this Charter affecting voter representation on the Assembly or Assembly election districts.

If the Municipal Reapportionment Board (ASSEMBLY) determines that the Assembly (IT) is malapportioned, it shall, within five months of the determination, reapportion the Assembly (ITSELF) in the manner provided by law.

4.02 Term, membership and qualifications:
(a) Assembly members shall be elected from single-member election districts for a term of three years. Terms of Assembly members shall be staggered so that, as nearly as possible, one-half of the Assembly is elected in each of two consecutive years. [IF ALL ASSEMBLYMEN ARE ELECTED FROM SINGLE MEMBER DISTRICTS, THE TERM OF AN ASSEMBLYMAN IS TWO YEARS. IF SOME OR ALL ASSEMBLYMEN ARE ELECTED FROM MULTI-MEMBER DISTRICTS, THE TERM OF AN ASSEMBLYMAN IS THREE YEARS.]

(b) A person who has served on the Assembly for two [THREE] consecutive terms may not be reelected to the Assembly until one full term has intervened and no Assembly member may serve more than seven consecutive years.

4.03 Municipal Reapportionment Board:
(a) There shall be a Municipal Reapportionment Board consisting of the Municipal officers. Two members of the Reapportionment Board shall be appointed by the Mayor. Two members of the Reapportionment Board shall be appointed by a majority of the authorized number of Assembly members and shall be subject to veto by the Mayor. One member of the Reapportionment Board shall be appointed by a majority of the four Reapportionment Board members appointed by the Mayor and the Assembly. The fifth member of the Reapportionment Board shall be appointed within seven days after the final appointment of the members appointed by the Mayor and the Assembly. If a majority of the Mayor and the Assembly's appointees are unable to agree on the appointment of the fifth member within said seven days, the four members appointed by the Mayor and the Assembly shall be discharged automatically and the appointment process shall be repeated until a fifth member is chosen in accordance with this section.

(1) No member of the Municipal Reapportionment Board may be an elected or appointed official or employee of the Municipality, or the State of Alaska and may not be a candidate for election to the Assembly until after the final regular Municipal election immediately following a reapportionment or reapportionment decision in which the member participated.

(2) Members of the Municipal Reapportionment Board shall serve until a final reapportionment plan or decision is proclaimed by the Board resulting from the events that occasioned their appointment.

(b) The Municipal Reapportionment Board shall have the full authority to and shall reapportion Assembly election districts as provided in Section 4.02 and as may be necessary to implement amendments to this Charter and shall have full authority to and shall provide for the implementation of such reapportionments including but not limited to, as may be reasonably necessary, the shortening of terms.

Transition Provisions. Charter Sections 4.01, 4.02(a), 4.02(e), and 4.03 as amended and adopted by this proposition shall be implemented for and govern the election of Assembly members at the regular Municipal election in 2004. All Assembly seats shall be elected at the regular Municipal election in 2004. The tenure and term of all Assembly members in office on the effective date of these Charter amendments shall end on the date of the regular Municipal election in 2004, but they shall continue to serve until their successors are elected and qualified. At the regular Municipal election in 2004 only, the five even numbered election district seats shall be elected for one year and the six odd numbered election seats shall be elected for a term of three years.

PROPOSITION 5
EMERGENCY/TRANSMISSION COMMUNICATIONS SYSTEMS, AMENITIES, AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $250,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $559,000? The bond proceeds would pay a portion of the costs of replacing the existing 911 system, acquiring property for equipping, rehabilitating, improving, constructing and upgrading emergency communications systems, purchasing and/or rehabilitating medical units (e.g., ambulances), and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

Yes vote approves the bond proposition authorizes 600,000 of assessed taxable property value (based on the estimated total
2003 assessed valuation within Anchorage) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $5,851 to pay for annual operations and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (AS 2003-12)

PROPOSITION 6
PUBLIC TRANSPORTATION AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $1,000,000 through the issuance of general obligation bonds and increase the municipal tax cap by an amount not to exceed $2,000? The bond proceeds would pay costs of planning, designing, acquiring, rehabilitating, improving Anchorage-owned transit fleet and facilities, purchasing replacement vehicles, and related public transportation capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.
The annual increase in taxes on $100,000 of assessed real and personal property value (based on the estimated total 2003 assessed valuation within Anchorage) necessary to retire the proposed debt is approximately $9.80 and (6) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.01 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AS 2003-12)

PROPOSITION 7
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $4,950,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount up to $692,000 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Parks and Recreation Service Area.

Yes vote approves the bond proposition authorizes 1,000,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation within Anchorage and Recreation Service Area) an annual increase in taxes of approximately $1,750 to retire the proposed bonds, and (6) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.63 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AS 2004-4 (As Amended))

PROPOSITION 8
EAGLE RIVER-CHUGA FLATZ PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall the Municipality of Anchorage borrow up to $1,870,000 through the issuance of general obligation bonds to pay costs of equipping and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $159,700 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Eagle River- Chugach Flats Park and Recreation Service Area.

Yes vote approves the bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation within the Eagle River-Chugach Flats Parks and Recreation Service Area) an annual increase in taxes of approximately $7.50 to retire the proposed bonds, and (6) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.75 to pay for annual operation and maintenance costs related to the proposed capital improvements.
The debt shall be paid from real and personal property taxes levied and collected within the Eagle River-Chugach Flats Park and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AS 2003-14)

PROPOSITION 9
EDUCATIONAL CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $41,700,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage? $27,750,000 of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below). The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring, constructing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

10,000,000

Yes vote approves the bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation) an annual increase in taxes of approximately $18.64 to retire the proposed bonds.

As stated above, $27,750,000 of the bonds qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $9.97 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AS 2003-93)

    - Student Transportation (10 Replacement School Buses): $840,000
    - Site Selection and Acquisition: $10,000,000

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $11.54 to pay for the proposed bonds.

As stated above, $27,750,000 of the bond proceeds qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $9.87 (based on $100,000 of the 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation. The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (Ad 2003-66S)

PROPOSITION 10
EDUCATIONAL CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $42,000,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage and increase the municipal tax cap by an amount of $558,600 to pay for associated annual operations and maintenance costs? All of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below). The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property for, site preparation, constructing, acquiring, installing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement project includes, but is not limited to, the following:

</tr>
</tbody>
</table>

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation): (i) an annual increase in taxes of approximately $18.74 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $2,98 to pay for annual operation and maintenance costs related to the proposed capital improvement.

As stated above, the entire $42,000,000 of bonds qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $7,50 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected annually in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt.

PROPOSITION 18
Anchorage Election and Apportionment Reform Act of 2003
AMENDING THE ANCHORAGE MUNICIPAL CHARTER TO: (1) ESTABLISH AND REAPPORTION ELEVEN SINGLE MEMBER ASSEMBLY ELECTION DISTRICTS (WITHIN A RAPPORTOUREN BOARD AND ITS DUTIES AND AUTHORITY TO ESTABLISH AND LIMIT THE NUMBER OF TERMS OF ASSEMBLY OFFICE HOLDERS); AND (2) ENACT A TRANSITION PROVISION FOR IMPLEMENTING THESE AMENDMENTS.
Shall Anchorage Municipal Charter Sections 4.01, 4.02(a) and 4.02(e) be amended and a new Section 4.03 and Transition Provisions be adopted, to read as follows and to take effect immediately on certification of the results of the election at which presented:
(Capital letters in brackets are deletions of existing language and underlined letters are new language.)

4.01 Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 11 members. The assembly shall be elected (1) assembly election districts, numbered one (1) through eleven (11), each of which (ELECTION DISTRICTS). If established, shall be formed of compact and contiguous territory containing an area of not less than, [PRACTICABLE] a relatively integrated socioeconomic area. The assembly shall be reapportioned whenever it becomes malapportioned. The Municipal Reapportionment Board (THE ASSEMBLY) shall determine and declare by resolution whether the Assembly [OF NOT IT] is malapportioned within 30 days from:
(1) Receipt of the final report of each federal decennial census, including any
   supplementary data necessary to establish population distribution within the municipality;
(2) Receipt of a petition of 50 or more qualified voters alleging and containing
   necessary evidence that the assembly is malapportioned; or
(3) Any amendment to this Charter affecting voter representation on the Assembly or
   Assembly election districts.
   If the Municipal Reapportionment Board (ASSEMBLY) determines that the Assembly [IT] is malapportioned, it shall, within five
   months of the determination, reapportion the Assembly (ITSELF) in the manner provided by law.

4.02 Terms, membership, and qualifications.
(a) Assembly members shall be elected from single-member election districts for a term of
   three years. Terms of Assembly members shall be staggered so that, as near as
   possible, one-half of the Assembly is elected in each of two consecutive years.
   ALL ASSEMBLY MEMBERS ARE ELECTED FROM SINGLE MEMBER DISTRICTS. THE
   TERM OF AN ASSEMBLY MEMBER IS THREE YEARS. IF SOME OR ALL ASSEMBLY
   MEMBERS ARE ELECTED FROM MULTI-MEMBER DISTRICTS, THE TERM OF AN
   ASSEMBLY MEMBER IS THREE YEARS.
(b) A person who has served on the Assembly for one (1) consecutive term may not be reelected to the Assembly until one
   full term has intervened and no Assembly member may serve more than seven consecutive years.

4.03 Municipal Reapportionment Board
(a) There shall be a Municipal Reapportionment Board consisting of five (5) municipal residents. Two members of
   the Reapportionment Board shall be appointed by the Mayor. Two members of the Reapportionment Board shall be appointed by
   a majority of the authorized number of Assembly members and shall not be subject to veto by the Mayor. One member of the
   Reapportionment Board shall be appointed by a majority of the four Reapportionment Board members appointed by the Mayor and
   the Assembly. The fifth member of the Reapportionment Board shall be appointed within seven days after the final
   appointment of the members appointed by the Mayor and the Assembly. If a majority of the Mayor's and the Assembly's
   appointees are unable to agree on the appointment of the fifth member within said seven days, the four members appointed by
   the Mayor and the Assembly shall be discharged automatically and the appointment process shall be repeated until a fifth member
   is chosen in accordance with this section.

(1) No member of the Municipal Reapportionment Board may be an elected or appointed official or employee of the Municipality,
   or of the State of Alaska and may not be a candidate for election to the Assembly until after the first regular Municipal election
   immediately following a reapportionment or reapportionment decision in which the member participated.

(2) Members of the Municipal Reapportionment Board shall serve until a final reapportionment plan or decision is proclaimed by
   the Board resulting from the vote(s) that occasioned their appointment.

(b) The Municipal Reapportionment Board shall have the full authority to and shall reapportion Assembly election districts as
   provided in Section 4.02 and as may be necessary to implement amendments to this Charter and shall have full authority to
   adopt, provide for the implementation of such reapportionments including but not limited to, as may be reasonably necessary, the
   shortening of tenure.

Transition Provisions. Charter Sections 4.01, 4.02(a), 4.02(e) and 4.03 as amended and adopted by this proposition shall be
implemented for and govern the election of Assembly members at the regular Municipal election in 2004. All Assembly seats
shall be elected at the regular Municipal election in 2004. The tenure and term of all Assembly members in office on the effective
date of these Charter amendments shall and on the date of the regular Municipal election in 2004, but they shall continue to serve until
their successors are elected and qualified. At the regular Municipal election in 2004, the first even numbered election districts
seats shall be elected for one year and the six odd numbered election seats shall be elected for a term of three years.

PROPOSITION 2
CHARTER AMENDMENT - REPEALING AND REPEATING CHARTER SECTION 11.06.D.
REQUIRING RUN-OFF ELECTIONS ONLY FOR OFFICE OF THE MAYOR. FURNISHING THE COSTS OF RUN-OFF ELECTIONS.

Shall section 11.06(d) of the Anceorage Municipal Charter be repealed and replaced to read as follows:
(8) if no candidate for the office of mayor receives more than forty-five percent (45%) of the votes cast for the office of mayor, the assembly, within three (3) weeks from the certification of the election, shall hold a run-off election between the two (2) candidates receiving the highest number of votes for the office. Run-off elections under this section are not required, however, in races where the names of no more than two (2) candidates appeared on the initial ballot unless a write-in candidate received more votes than a candidate whose name is on the ballot. (bracketed language below will be repealed)
(8) no person may hold the office of mayor of Anchorage, Anchorage School Board, or the Anchorage Municipal Assembly as a result of any election, regular or special, without receiving a majority of the votes cast for the office. A MAJORITY IS DEFINED AS 50 PERCENT PLUS AT LEAST ONE VOTE. IN THE EVENT THAT NO SINGLE CANDIDATE RECEIVES A MAJORITY, THE TWO CANDIDATES RECEIVING THE MOST VOTES IN THIS REGULAR ELECTION SHALL HAVE A RUN-OFF ELECTION ON THE FIRST TUESDAY OF THE MONTH FOLLOWING THE SUBJECT ELECTION TO ESTABLISH THE WINNER. IN THE CASE OF A SPECIAL ELECTION, THE TWO CANDIDATES RECEIVING THE MOST VOTES SHALL HAVE A RUN-OFF NO MORE THAN 30 DAYS SUBSEQUENT TO THE SPECIAL ELECTION. RUN-OFF ELECTIONS UNDER THIS SECTION ARE NOT REQUIRED, HOWEVER, IN RACES WHERE THE NAMES OF NO MORE THAN TWO CANDIDATES APPEARED ON THE INITIAL BALLOT UNLESS A WRITE-IN CANDIDATE RECEIVED MORE VOTES THAN A CANDIDATE WHOSE NAME IS ON THE BALLOT.

If approved by the voters on the April 1, 2003 Regular Election, this proposition will be effective for this election. (AO 2002-79) (as amended)

PROPOSITION 5
EMERGENCY/CATASTROPHIC COMMUNICATIONS SYSTEMS, ANCHORAGE AND RELATED CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $2,000,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $568,000? The bond proceeds would pay a portion of the costs of replacing the existing 911 system, acquiring property for, equipping, rehabilitating, improving, constructing and upgrading emergency response communications systems, purchasing and/or refurbishing medical units (e.g., ambulances), and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Anchorage) an annual increase in the municipal tax cap of approximately $1.02 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage shall also pledge its full faith and credit for payment of the bonds. (ADO 2003-13)

PROPOSITION 6
PUBLIC TRANSPORTATION AND RELATED CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $5,000,000 through the issuance of revenue obligation bonds and increase the municipal tax cap by an annual amount not to exceed $2,000? The bond proceeds would pay costs of planning, designing, acquiring, replacing, installing, and improving Anchorage-owned transit fleet and facilities, purchasing support vehicles, and related public transportation capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

The annual increase taxes on $100,000 of assessed real and personal property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in the municipal tax cap of approximately $0.96 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt will be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (ADO 2003-13)

PROPOSITION 7
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $4,565,000 through the issuance of general obligation bonds to pay costs of equipping and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $120,000 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Parks and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Anchorage Parks and Recreation Service Area) an annual increase in taxes of approximately $2.75 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14,050(b)(2)) of approximately $0.83 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge to its full faith and credit for payment of the bonds. (No. ADO 2003-40 (Amended))

PROPOSITION 8
EAGLE RIVER-CHUGAKGAR PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

Shall the Municipality of Anchorage borrow up to $1,870,000 through the issuance of general obligation bonds to pay costs of equipping and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $158,700 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Eagle River-Chugach Parks and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Eagle River-Chugach Parks and Recreation Service Area) an annual increase in taxes of approximately $0.97 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14,050(b)(2)) of approximately $0.52 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Eagle River-Chugach Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (ADO 2003-14)

PROPOSITION 9
EDUCATIONAL CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $41,750,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage? $27,750,000 of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring, constructing, constructing, acquiring, erecting, installing, and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- Estimated Cost
- Distributed Major Maintenance: $3,990,000
- Distributed Mechanical Upgrades: $2,987,000
- Distributed Ductile/Aluminized ADA Projects: $2,950,000

(2) Receipt of a petition of 50 or more qualified voters alleging and containing reliable evidence that the assembly is malapportioned; or
(3) Any amendment to this Charter affecting voter representation on the Assembly or Assembly election districts.

If the Municipal Apportionment Board (ASSEMBLY) determines that the Assembly (IT) is malapportioned, it shall, within five months of the determination, reapportion the Assembly (ITSELF) in the manner provided by law.

4.02 Term, membership, and qualifications.
(2) Assembly members shall be elected from single-member election districts for a term of three years. Terms of Assembly members shall be staggered so that, as nearly as possible, one-half of the Assembly is elected in each of two consecutive years. If all Assembly Men are elected from single member districts, the term of an Assemblyman is two years. If some or all Assembly Men are elected from multi-member districts, the term of an Assemblyman is three years.

(a) A person who has served on the Assembly for two (THREE) consecutive terms may not be reelected to the Assembly until one full term has intervened and no Assembly member may serve more than seven consecutive years.

4.03 Municipal Reapportionment Board
(a) There shall be a Municipal Reapportionment Board consisting of five municipal residents. Two members of the Reapportionment Board shall be appointed by the Mayor. Two members of the Reapportionment Board shall be appointed by a majority of the authorized number of Assembly members and shall not be subject to veto by the Mayor. One member of the Reapportionment Board shall be appointed by a majority of the four Reapportionment Board members appointed by the Mayor and the Assembly. The fifth member of the Reapportionment Board shall be appointed within seven days after the final reapportionment of the members appointed by the Mayor and the Assembly. If a majority of the Mayor’s and the Assembly’s appointees are unable to agree on the appointment of the fifth member within said seven days, the four members appointed by the Mayor and the Assembly shall be discharged automatically and the appointment process shall be repeated until a fifth member is chosen in accordance with this section.

(1) No member of the Municipal Reapportionment Board may be an elected or appointed official or employee of the Municipality, or the State of Alaska and may not be a candidate for election to the Assembly until after the first regular Municipal election immediately following a reapportionment or reapportionment decision in which the member participated.

(2) Members of the Municipal Reapportionment Board shall serve until a final reapportionment plan or decision is proclaimed by the Board resulting from the event(s) that occasioned their appointment.

(b) The Municipal Reapportionment Board shall have the full authority to and shall reapportion Assembly election districts as provided in Section 4.02 and as may be necessary to implement amendments to this Charter and shall have full authority to and shall provide for the implementation of such reapportionments including but not limited to, as may be reasonably necessary, the shortening of terms.

Transition Provisions. Charter Sections 4.01, 4.02(a), 4.02(e) and 4.03 as amended and adopted by this proposition shall be implemented for and govern the election of Assembly members at the regular Municipal election in 2004. All Assembly seats shall be elected at the regular Municipal election in 2004. The tenure and term of all Assembly members in office on the effective date of these Charter amendments shall end on the date of the regular Municipal election in 2004, but they shall continue to serve until their successors are elected and qualified. At the regular Municipal election in 2004 only, the five even numbered election districts seats shall be elected for one year and the six odd numbered election seats shall be elected for a term of three years.

REGULAR ELECTION
MUNICIPALITY OF ANCHORAGE
APRIL 1, 2003 - OFFICIAL BALLOT

PROPOSITION 2
CHARTER AMENDMENT - REPEALING AND REPEALING CHARTER SECTION 11.0000 TO REQUIRE RUN-OFF ELECTIONS ONLY FOR MAYOR AND BONDS TO PROVIDE THE CITY WITH ADDITIONAL BONDS TO IMPROVE THE COSTS OF RUN-OFF ELECTIONS

Shall section 11.03(b) of the Anchorage Municipal Charter be repealed and replaced to read as follows:
(1) If no candidate for the office of Mayor receives more than forty-five percent (45%) of the votes cast for the office of Mayor, the Assembly within three (3) weeks from the date of certification of the election, shall hold a run-off election between the two (2) candidates receiving the highest number of votes for the office. Run-off elections under this section are not required, however, in races where the names of no more than two (2) candidates appeared on the initial ballot unless a write-in candidate received more votes than the candidate whose name is on the ballot. (Bracketed language below will be repealed)

If approved by the voters on the April 1, 2003 Regular election, this proposition will be effective for this election. (AO 2002-79 (as amended))

PROPOSITION 3
ANCHORAGE AREA LIBRARY AND RELATED CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $170,000,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $203,000,000? The bond proceeds would pay costs of acquiring property, constructing, and remodeling various area libraries, and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

If approved by the voters on the April 1, 2003 Regular election, this proposition will be effective for this election. (AO 2002-79 (as amended))

PROPOSITION 5
EMERGENCY/FIRE, WIDE COMMUNICATIONS SYSTEMS, AMBULANCES, AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $2,930,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $656,000? The bond proceeds would pay a portion of the costs of replacing the existing 911 system, acquiring property for, equipping, rehabilitating, improving, constructing and upgrading emergency wide communications centers, purchasing and/or refurbishing medical units (e.g., ambulances), and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $1.65 to retire the proposed debt and (1) an annual increase in the municipal tax cap (Chapter 14.03B(42) of approximately $1.51 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected in Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (AD 2003-13)

[Options: YES, NO]

PROPOSITION 6
PUBLIC TRANSPORTATION AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $1,000,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $250,000? The bond proceeds would pay costs of planning, designing, acquiring, designing, installing, and upgrading Anchorage-owned transit buses and facilities, purchasing support vehicles, and related public transportation capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

The annual increase in taxes on $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation in Anchorage) necessary to fund the proposed debt is approximately $0.59 and (2) an annual increase in the municipal tax cap (Chapter 14.03B(42)) of approximately $0.59 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt will be paid from real and personal property taxes levied and collected in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AD 2003-13)(3)

[Options: YES, NO]

PROPOSITION 7
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $4,990,000 through the issuance of general obligation bonds to pay the costs of acquiring and constructing park improvements, recreational facilities and related capital improvements and increase the municipal tax cap by an annual amount not to exceed $120,000 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Parks and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Anchorage Parks and Recreation Service Area) an annual increase in taxes of approximately $2.75 to retire the proposed bonds, and (6) an annual increase in the municipal tax cap (Chart 14.03B(42)) of approximately $2.75 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (As Amended) (AD 2003-40)

[Options: YES, NO]

PROPOSITION 8
EAGLE-RIVER/CHUGAUK PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall the Municipality of Anchorage borrow up to $1,870,000 through the issuance of general obligation bonds to pay costs of acquiring and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount not to exceed $519,700 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Eagle River-Chugach Parks and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Eagle River-Chugach Parks and Recreation Service Area) (1) an annual increase in taxes of approximately $7.65 to retire the proposed bonds, and (2) an annual increase in the municipal tax cap (Chart 14.03B(42)) of approximately $7.65 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Eagle River-Chugach Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AD 2003-14)

[Options: YES, NO]

PROPOSITION 9
EDUCATIONAL CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $41,750,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage? (27,750,000 of these bonds qualify for partial State debt reimbursement subject to annual legislative appropriation as described below.)

The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property for, site preparation, constructing, acquiring, renovating, installing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- Districtwide Major Maintenance
- Districtwide Mechanical Utilities
- Districtwide Code/Hazard/ADA Projects
- Districtwide Electrical Projects
- Districtwide Roof Replacement
- Districtwide Minor Building Renovation
- Districtwide Restroom Upgrades
- Districtwide Traffic Safety/Site Upgrades

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation) an annual increase in taxes of approximately $10.64 to retire the proposed bonds.

As stated above, $27,750,000 of the bonds qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $9.37 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (No. AD 2003-35b)

[Options: YES, NO]
PROPOSITION 2
CHARTER AMENDMENT, AUCTIONING AND DEERING CHARTER SECTION 11.080 TO REQUIRE PUBLIC ELECTIONS ONLY FOR OFFICE OF THE MAYOR, COUNCIL MEMBERS, AND \nTHE COSTS OF RUN-OFF ELECTIONS.
Statute section 11.080(b) of the Anchorage Municipal Charter be amended to read as follows:
(a) If no candidate for the office of Mayor receives more than forty-five percent (45%) of the votes cast for the office of Mayor, the Assembly within thirty (30) days from the date of certification of the election, shall hold a run-off election between the two (2) candidates receiving the highest number of votes for the office. Run-off elections under this section are not required, however, in races where the names of no more than two (2) candidates appeared on the initial ballot unless a write-in candidate received more votes than a candidate whose name is on the ballot. 
(b) No person may hold the office of Mayor of Anchorage, Anchorage School Board, or the Anchorage Municipal Assembly as a result of any election, regular or special, without receiving a majority of the votes cast for the office. A majority is defined as 50 percent plus at least one vote. In the event no single candidate receives a majority, the two candidates receiving the most votes in the regular election shall have a run-off election on the first Tuesday of the month following the subject election to establish the winner. In the case of a special election, the two candidates receiving the most votes shall have a run-off no more than 30 days subsequent to the special election. Run-off elections under this section are not required, however, in races where the names of no more than two candidates appeared on the initial ballot unless a write-in candidate received more votes than a candidate whose name is on the ballot.

PROPOSITION 3
ANCHORAGE AREA LIBRARY AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage bond up to $54,520,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $303,707? The bond proceeds would pay costs of acquiring property for, constructing and remodeling various area libraries, and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $1,000,000 of assessed taxable property value (based on the estimated total 2003 assessed value of $1,561,870,000) an additional 8-cent tax per $100 of assessed property value (based on the estimated total 2003 assessed value of $1,561,870,000), an annual increase in the general obligation debt service fund.

PROPOSITION 4
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD IMPROVEMENTS AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage bond up to $56,050,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $193,507? The bond proceeds would pay costs of roadway improvements, roadway safety improvements, drainage collection, drainage treatment and related capital improvements in the Anchorage Roads and Drainage Service Area and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $1,000,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Anchorage Roads and Drainage Service Area) an annual increase in taxes of approximately $2.38 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chart. 14.030(b)(2)) of approximately $1.21 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2003-17)
PROPOSITION 5
ENERGY STRUCTURE WIDE COMMUNICATIONS SYSTEMS, AMBULANCES AND RELATED CAPITAL IMPROVEMENT BONDS
 Shall Anchorage borrow up to $2,100,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $659,000? The bond proceeds would pay a portion of the costs of acquiring the existing 911 system, acquiring property for, equipping, rehabilitating, improving, constructing and upgrading emergency wireless communications systems, purchasing and/or constructing vehicle units (e.g., ambulances), and related capital improvements within Anchorage and the increases in the municipal tax cap would pay the associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2003 assessed valuation in Anchorage) an increase in taxes of approximately $1,624 to retire the proposed debt and (ii) an annual increase in the municipal tax cap (Charter 14.03B(b)(2)) of approximately $659,000 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected area-wide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2003-17)

PROPOSITION 6
PUBLIC TRANSPORTATION AND RELATED CAPITAL IMPROVEMENT BONDS
 Shall Anchorage borrow up to $6,000,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $2,000? The bond proceeds would pay costs of planning, designing, acquiring, replacing, installing, and improving Anchorage’s commuter transit fleet and facilities, purchasing support vehicles, and related public transportation (s) improvements within Anchorage and the increases in the municipal tax cap would pay the associated annual operations and maintenance costs.

The annual increase in taxes on $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation area-wide in Anchorage) necessary to (i) retire the proposed debt is approximately $5.9 and (ii) an annual increase in the municipal tax cap (Charter 14.03B(b)(2)) of approximately $0.1 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected area-wide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2003-18(S))

PROPOSITION 7
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
 Shall Anchorage borrow up to $4,995,000 through the issuance of general obligation bonds to pay the costs of acquiring real and related capital improvements and increasing the municipal tax cap by an annual amount up to $1,522,000 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Parks and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation in the Anchorage Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $2.75 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03B(b)(2)) of approximately $0.03 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (No. AO 2003-40 (As Amended))

PROPOSITION 8
EAGLE-RIVER-CHIKAGA PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
 Shall the Municipality of Anchorage borrow up to $1,870,000 through the issuance of general obligation bonds to pay costs of acquiring and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $519,700 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Eagle River-Chikagaha Parks and Recreation Service Area.

Voter approval of the bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation in the Eagle River-Chikagaha Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $7.69 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03B(b)(2)) of approximately $2.52 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Eagle River-Chikagaha Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2003-14)

PROPOSITION 9
EDUCATIONAL CAPITAL IMPROVEMENT BONDS
 Shall Anchorage borrow up to $41,790,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage? $27,750,000 of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation) as described below.

The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property for, site preparation, constructing, acquiring, renovating, installing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- **Estimates**
  - **Cost**
    - Districtwide Major Maintenance: $3,960,000

PROPOSITION 5
ENERGY AND VARIOUS COMMUNICATIONS SYSTEMS, ANNUAL CORR. AND RELATED CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $2,950,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $589,000? The bond proceeds would pay a portion of the costs of replacing the existing 911 system, acquiring property for, equipping, rehabilitating, improving, constructing and upgrading emergency xứ-wide communications systems, purchasing and/or rehabilitating medical units (e.g. ambulances), and related capital improvements within Anchorage. The increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $1.85 to retire the proposed debt and (ii) an annual increase in the municipal tax cap (Chapter 14.03B[A][ii]) of approximately $0.51 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected statewide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (Ad 2003-12)

YES NO

PROPOSITION 6
PUBLIC TRANSPORTATION AND RELATED CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $1,900,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $2,000? The bond proceeds would pay costs of planning, designing, acquiring, replacing, installing, and improving Anchorage's transit fleet and facilities, purchasing support vehicles, and related public transportation capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

The annual increase in taxes on $100,000 of assessed real and personal property value (based on the estimated total 2003 assessed valuation in Anchorage) means that the first $1.695 of the proposed debt is approximately $0.99 and that (ii) an annual increase in the municipal tax cap (Chapter 14.03B[A][ii]) of approximately $0.31 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected statewide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (Ad 2003-13[S])

PROPOSITION 9
EDUCATIONAL CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $41,790,000 through the issuance of general obligation bonds to pay educational capital improvements within Anchorage? $27,750,000 of these bonds qualify for partial State debt reimbursement (project to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning and designing, acquiring property for, site procurement, constructing, acquiring, renovating, installing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

Projects: Estimated Cost
Districtwide Major Maintenance: $3,990,000
Districtwide Mechanical Upgrades: 2,365,000
Districtwide Ductile-Iron/ADA Projects: 2,657,000
Districtwide Electrical Projects: 5,527,000
Districtwide Roof Replacement and Repairs: 3,499,000
Districtwide Minor Building Renewal Projects: 5,678,000
Districtwide Restroom Upgrades: 2,083,000
Districtwide Traffic Safety/ Site Upgrades: 4,128,000
Security Upgrades - Lodges Phase I: 750,000
Emergency Preparedness/Safety 3,200,000
Student Transportation (10 Replacement School Buses): 840,000
Site Selection and Acquisition: 10,000,000

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated total 2003 assessed valuation) an annual increase in taxes of approximately $1.64 to retire the proposed bonds.

As stated above, $27,750,000 of the bonds qualify for 76% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $9.57 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected statewide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (No. AO 2003-6[S])

Shall Anchorage borrow up to $1,950,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $230,000 to provide annual operation and maintenance costs related to the proposed capital improvements?

The annual increase in taxes on $100,000 of assessed real and personal property ($2.31) would pay the associated annual operations and maintenance costs related to the proposed capital improvements.

The debt will be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (ADO 2003-12(S))

PROPOSITION 7
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $4,950,000 through the issuance of general obligation bonds to pay the costs of acquiring, constructing, rehabilitating, and capital improvements, recreational facilities, trail upgrades, and related capital improvements and increase the municipal tax cap by an annual amount not to exceed $120,000 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Parks and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $2.65 to retire the proposed debt and (9) an annual increase in the municipal tax cap (Chapter 4.038(b)(2)) of approximately $1.33 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (ADO 2003-12(A Run Amended))

PROPOSITION 10
EDUCATIONAL CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $42,000,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage and increase the municipal tax cap by an amount of $55,800 to pay for associated annual operations and maintenance costs?

All of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below). The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property for, site preparation, constructing, acquiring, installing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement project includes, but is not limited to, the following:

<table>
<thead>
<tr>
<th>Projects</th>
<th>Estimated Cost</th>
<th>Estimated Annual Operation and Maintenance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Administrative and Training Facility</td>
<td>$42,000,000</td>
<td>$55,800</td>
</tr>
</tbody>
</table>

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation): (i) an annual increase in taxes of approximately $18.74 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.08(b)(2)) of approximately $2.98 to pay for annual operation and maintenance costs related to the proposed capital improvement.

As stated above, the entire $42,000,000 of bonds qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $7.50 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected anew inside Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt.

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation): (i) an annual increase in taxes of approximately $56.01 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.000b(2)) of approximately $12.67 to pay for annual operation and maintenance costs related to the proposed capital improvements.

As stated above, $47,440,000 of the bonds qualify for 70% State debt reimbursement and $78,100,000 of the bonds qualify for 60% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $203.29 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected anew inside Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt.

PROPOSITION 15
Anchorage Election and Apportionment Reform Act of 2003
AMENDING THE ANCHORAGE MUNICIPAL CHARTER TO: (1) ESTABLISH AND REAPPORTION ELEVEN SINGLE MEMBER ASSEMBLY ELECTION DISTRICTS; (2) PROVIDE FOR A REAPPORTIONMENT BOARD AND ITS DUTIES AND AUTHORITY; (3) ESTABLISH AND LIMIT THE NUMBER OF TERMS OF ASSEMBLY MEMBERS; AND (4) ENACT A TRANSITION PROVISION FOR IMPLEMENTING THESE AMENDMENTS.

Shall Anchorage Municipal Charter Sections 4.01, 4.02(a) and 4.02(e) be amended and a new Section 4.03 and Transition Provisions be adopted, to read as follows and to take effect immediately on certification of results of the election at which presented:

(Capital letters in brackets are deletions of existing language and underlined letters are new language.)

4.01 Power, composition and apportionment. The legislative power of Anchorage is vested in an assembly of 11 members.

There shall be eleven (11) Assembly election districts, numbered one (1) through eleven (11), each of which ELECTION DISTRICTS shall be formed of compact and contiguous territory containing as nearly as possible [PRACTICABLE] a relatively integrated socioeconomic area. The assembly shall be reapportioned whenever it becomes malapportioned. The Municipal Reapportionment Board (THE ASSEMBLY) shall determine and declare by resolution whether the Assembly (OR NOT IT) is malapportioned within 30 days from:

(1) Receipt of the final report of each federal decennial census, including any supplementary data necessary to establish population distribution within the municipality;

(2) Receipt of a petition of 50 or more qualified voters alleging and containing reliable evidence that the Assembly is malapportioned; or

(3) Any amendment to this Charter affecting voter representation on the Assembly or Assembly election districts.

If the Municipal Reapportionment Board (ASSEMBLY) determines that the Assembly (IT) is malapportioned, it shall, within five (5) months of the determination, re-apportion the Assembly (ITSELF) in the manner provided by law.

4.02 Term, membership and qualifications.

(a) Assembly members shall be elected from single-member election districts for a term of three (3) years. Terms of Assembly members shall be staggered so that, as nearly as possible, one-half of the Assembly is elected in each of two consecutive years. If all Assembly members are elected from single member districts, the term of an assembly member is two years. If some or all Assembly members are elected from multiple-member districts, the term of an assembly member is three years.

(b) A person who has served on the assembly for three (3) consecutive terms may not be re-elected to the assembly until one full term has intervened and no assembly member may serve more than three (3) consecutive years.

4.03 Municipal Reapportionment Board.

(a) There shall be a Municipal Reapportionment Board consisting of five Municipal residents. Two members of the Reapportionment Board shall be appointed by the Mayor. Two members of the Reapportionment Board shall be appointed by a majority of the authorized number of Assembly members and shall not be subject to vote by the Mayor. One member of the Reapportionment Board shall be appointed by a majority of the four Reapportionment Board members appointed by the Mayor and the Assembly. The fifth member of the Reapportionment Board shall be appointed within seven days after the final reapportionment of the members appointed by the Mayor and the Assembly. It is a majority of the Mayor and the Assembly's appointees are unable to agree on the appointment of the fifth member within said seven days, the members appointed by the Mayor and the Assembly shall be discharged automatically and the appointment process shall be repeated until a fifth member is chosen in accordance with this section.

(1) No member of the Municipal Reapportionment Board may be an elected or appointed official or employee of the Municipality or the State of Alaska and may not be a candidate for election to the Assembly until after the first regular Municipal election immediately following a reapportionment or reapportionment decision in which the member participated.

(2) Members of the Municipal Reapportionment Board shall serve until a final reapportionment plan or decision is proclaimed by the Board resulting from the event(s) that occasioned their appointment.

(b) The Municipal Reapportionment Board shall have the full authority to and shall reapportion Assembly election districts as provided in Section 4.02 and as may be necessary to implement amendments to this Charter and shall have full authority to and shall provide for the implementation of such reapportionments including but not limited to, as may be reasonably necessary, the shortening of tenures.

Transition Provisions. Charter Sections 4.01, 4.02(a), 4.02(e) and 4.03 as amended and adopted by this proposition shall be implemented for and govern the election of Assembly members at the regular Municipal election in 2004. All Assembly seats shall be elected at the regular Municipal election in 2004. The tenure and term of all Assembly members in office on the effective dates of these Charter amendments shall end on the dates of the regular Municipal election in 2004, but they shall continue to serve until their successors are elected and qualified. At the regular Municipal election in 2004 only, the five even numbered election district seats shall be elected for one year and the six odd numbered election seats shall be elected for a term of three years.

PROPOSITION 2  
CHARTER AMENDMENT - REPEALING AND  
RENUMBERING CHARTER SECTION 11.0108 TO  
RENUMBER RUN-OFF ELECTIONS ONLY FOR  
OFFICE OF THE MAYOR, THERBY REPEALING  
THE COSTS OF RUN-OFF ELECTIONS  
(REVISION 11.008) OF THE Anchorage  
Municipal Charter be repealed and renumbered  
to read as follows:  
(a) if no candidate for the office of mayor receives more than forty-five percent (45%) of the vote cast for the office of mayor, the Assembly, within three (3) weeks time from the date of certification of the election, shall hold a run off election between the (2) candidates, receiving the highest number of votes for the office. Run off elections under this section if not required, however, in races where the names of no more than two (2) candidates appeared on the initial ballot unless a write-in candidate received more votes than a candidate whose name is off the ballot.  

(3) NO PERSON MAY HOLD THE OFFICE OF MAYOR OF ANCHORAGE, ANCHORAGE SCHOOL BOARD, OR THE ANCHORAGE MUNICIPAL ASSEMBLY AS A RESULT OF ANY ELECTION, REGULAR OR SPECIAL, WITHOUT RECEIVING A MAJORITY OF THE VOTES CAST FOR THE OFFICE. A MAJORITY IS DEFINED AS FIFTY PERCENT PLUS AT LEAST ONE VOTE. IN THE EVENT THAT NO SINGLE CANDIDATE RECEIVES A MAJORITY, THE TWO CANDIDATES RECEIVING THE MOST VOTES IN THE REGULAR ELECTION SHALL HAVE A RUN-OFF ELECTION ON THE FIRST TUESDAY OF THE MONTH FOLLOWING THE SUBJECT ELECTION TO ESTABLISH THE WINNER. IN THE CASE OF A SPECIAL ELECTION, THE TWO CANDIDATES RECEIVING THE MOST VOTES SHALL HAVE A RUN-OFF ELECTION NO MORE THAN 30 DAYS SUBSEQUENT TO THE SPECIAL ELECTION. RUN-OFF ELECTIONS UNDER THIS SECTION ARE NOT REQUIRED, HOWEVER, IN RACES WHERE THE NAMES OF NO MORE THAN TWO (2) CANDIDATES APPEARED ON THE INITIAL BALLOT UNLESS A WRITE-IN CANDIDATE RECEIVED MORE VOTES THAN A CANDIDATE WHOSE NAME IS ON THE BALLOT.  

If approved by the voters on the April 1, 2003 Regular Election, this proposition will be effective for this election. (AQ 2003-79 as amended)  

PROPOSITION 3  
ANCHORAGE AREA LIBRARY AND RELATED CAPITAL IMPROVEMENT BONDS  
Shall Anchorage borrow up to $7,270,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $203,707? The bond proceeds would pay costs of acquiring property, constructing, and remodelling various statewide libraries, and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.  

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2003 assessed valuation in the Anchorage Area and Drainage Service Area) (1) an annual increase in the municipal tax cap (Chart 14.329(3)(c) of approximately $1,21 to pay for annual operations and maintenance costs related to the proposed capital improvements.  

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt. (AQ 2003-18)  

PROPOSITION 4  
ANCHORAGE ROADS AND DRAINAGE FACILITIES VOTER APPROVAL OF SPECIAL ADDITIONAL CAPITAL IMPROVEMENT BONDS  
Shall Anchorage borrow up to $39,900,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $1,900,000? The bond proceeds would pay costs of roadway improvements, roadway safety improvements, drainage collection, drainage treatment and related capital improvements, and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.  

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2003 assessed valuation in the Anchorage Roads and Drainage Service Area); (1) an annual increase in the municipal tax cap (Chart 14.329(3)(c) of approximately $24.30 to help to pay the proposed bonds, and (2) an annual increase in the municipal tax cap (Charter 14.329(3)(c) of approximately $1.21 to pay for annual operations and maintenance costs related to the proposed capital improvements.  

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt. (AQ 2003-18)
PROPOSITION 5  
ENERGENCY/ESSENTIAL COMMUNICATIONS SYSTEMS, AMENITIES, AND RELATED CAPITAL IMPROVEMENT BONDS

 SHALL Anchorage borrow up to $2,000,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $659,000? The bond proceeds would pay a portion of the costs of replacing the existing 911 system, acquiring property for, equipping, rehabilitating, improving, constructing and upgrading emergency area-wide communications systems, purchasing and/or refurbishing medical units (e.g., ambulances), and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $1.85 to retire the proposed bond (1) and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(s)(j)) of approximately $3,511 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected area-wide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (A.O. 2003-13)

PROPOSITION 8
EAGLE RIVER-CHUGA PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

Shall the Municipality of Anchorage borrow up to $1,870,000 through the issuance of general obligation bonds to pay the costs of equipping and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $159,700 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Eagle River-Chugach Parks and Recreation Service Area. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Eagle River-Chugach Parks and Recreation Service Area) an annual increase in taxes of approximately $7.16 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(s)(j)) of approximately $2,59 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt on these bonds shall be paid from real and personal property taxes levied and collected area-wide within the Eagle River-Chugach Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (A.O. 2003-14)

PROPOSITION 9
EDUCATIONAL CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $41,790,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage? $27,750,000 of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property, constructing, acquiring, renovating, installing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

<table>
<thead>
<tr>

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation) an annual increase in taxes of approximately $116.04 to retire the proposed bonds.

As stated above, $27,750,000 of the bonds qualify for 76% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $9.97 (based on $100,000 of assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt on these bonds will be paid from real and personal property taxes levied and collected area-wide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (A.O. 2003-65(S))

PROPOSITION 2
CHARTER AMENDMENTS - REDUCTIONS AND RESCINDING CHARTER SECTION 11.400 TO
REQUIRE RUN-OFF ELECTIONS ONLY FOR
OFFICE OF THE MAYOR, THEREBY REDUCING THE COSTS OF RUN-OFF ELECTIONS
Shall section 11.400(b) of the Anchorage Charter be repealed and replaced as follows:
(b) If no candidate for the office of Mayor receives more than forty-five percent (45%) of the vote cast for the office of Mayor, the Assembly shall reduce to three (3) weeks from the date of certification of the election, a run-off election would be held between the two (2) candidates receiving a highest number of votes for the office. Run-off elections under this section are required, however, in races where the number of more than two (2) candidates appeared on the initial ballot unless a write-in candidate received more votes than a candidate whose name is on the ballot.

PROPOSITION 3
ANCHORAGE AREA LIBRARY AND
IMPROVEMENT BONDS
Shall Anchorage borrow up to $7,270,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $203,707? The bond proceeds would pay costs of acquiring property for, constructing, and remodeling various area libraries, and related capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

PROPOSITION 4
ANCHORAGE ROADS AND DRAINAGE
SERVICE AREA ROAD, DRAINAGE
AND RELATED CAPITAL IMPROVEMENTS
BONDS
Shall Anchorage borrow up to $88,000,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $1,093,707? The bond proceeds would pay costs of roadway improvements, drainage collection, drainage treatment and related capital improvements within the Anchorage Roads and Drainage Service Area and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

AN ADVISORY VOTE AS TO WHETHER STATE LAW SHOULD BE CHANGED TO ALLOW
MUNICIPALITIES TO LOWER THE VOTING AGE IN LOCAL ELECTIONS FROM 18 TO 16 YEARS.

Shall the constitution and the laws of the State of Alaska be amended to allow municipalities to lower the voting age for local elections from 18 to 16? (AO 2003-38 as amended)
PROPOSITION 5
EMERGENCY/AMBULANCE/COMMUNICATIONS SYSTEMS, ANTIQUITIES AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $930,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $569,002? The bond proceeds would pay a portion of the costs of replacing the existing 911 system, acquiring property for, equipping, rehabilitating, improving, constructing and upgrading emergency ambulance communications systems, purchasing and/or refurbishing mobile units (e.g., ambulances), and related capital improvements within Anchorage. The increase in the municipal tax cap would pay for associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $1.85 to retire the proposed debt and (ii) an annual increase in the municipal tax cap (Charter 14.03b(2)) of approximately $3,515 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected annually within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (A.O. 2003-12)

PROPOSITION 6
PUBLIC TRANSPORTATION AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $1,000,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $250,000? The bond proceeds would pay costs of planning, designing, acquiring, rehabilitating, installing, and improving Anchorage-owned transit facilities and facilities, purchasing support vehicles, and related public transportation capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

The annual increase in taxes on $100,000 of assessed real and personal property value (based on the estimated 2003 assessed value) would be approximately $0.54 to retire the proposed debt and (ii) an annual increase in the municipal tax cap (Charter 14.03b(2)) of approximately $9,000 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected annually within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (A.O. 2003-14)

PROPOSITION 7
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $45,996,000 through the issuance of general obligation bonds to pay for the costs of equipping and improving facilities, service improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $13,000,000 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Parks and Recreation Service Area. The increase in the municipal tax cap would pay the associated annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Park and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (Rev. A.O. 2003-43 (As Amended))

PROPOSITION 8
EAGLE RIVER-CHUGAIK PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall the Municipality of Anchorage borrow up to $1,870,000 through the issuance of general obligation bonds to pay costs of equipping and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $119,700 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Eagle River-Chugai Park and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Eagle River-Chugai Parks and Recreation Service Area), an annual increase in taxes of approximately $7.76 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03b(2)) of approximately $2.25 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Eagle River-Chugai Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (A.O. 2003-14)

PROPOSITION 9
EDUCATIONAL CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $41,790,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage?

The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $11.64 to retire the proposed bonds.

As stated above, $27,750,000 of this bonds qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $8.97 (based on $900,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation. The debt will be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (No. A.O. 2003-65)
PROPOSITION 1
AN ADVISORY VOTE AS TO WHETHER STATE LAW SHOULD BE CHANGED TO ALLOW MUNICIPALITIES TO LOWER THE VOTING AGE TO 16 AND 17 YEARS.

Shall the constitution and the laws of the State of Alaska be amended to allow municipalities to lower the voting age for local elections from 18 to 16? (AQ 2003-30 as amended)

PROPOSITION 18
Anchorage Election and Apportionment Reform Act of 2003
Amending the Anchorage Municipal Charter to: (1) Establish and reapportion eleven single member assembly election districts, (2) Establish a reapportionment board and its duties and authority, (3) Establish and limit the number of terms of assembly members, and (4) Enact a transition provision for implementing these amendments.

Shall Anchorage Municipal Charter Sections 4.01, 4.02(a) and 4.02(e) be amended and a new Section 4.03 and Transition Provisions be adopted, to read as follows and to take effect immediately on certification of the results of the election at which presented:
(Capital letters in brackets are deletions of existing language and underlined letters are new language)

4.01 Power, composition and apportionment: The legislative power of Anchorage is vested in an assembly of 11 members. There shall be eleven (11) Assembly election districts, numbered one (1) through eleven (11), each of which [ELECTION DISTRICTS] shall be formed of compact and contiguous territory containing as nearly as practicable a relatively integrated socio-economic area. The assembly shall be reapportioned whenever it becomes malapportioned. The Municipal Reapportionment Board [THE ASSEMBLY] shall determine and declare by resolution whether the Assembly or not, is malapportioned within 30 days from:
(1) Receipt of the final report of each federal decennial census, including any supplementary data necessary to establish population distribution within the municipality;
(2) Receipt of a petition of 50 or more qualified voters alleging and containing reliable evidence that the Assembly is malapportioned;
(3) Any amendment to this Charter affecting voter representation on the Assembly or Assembly election districts.

If the Municipal Reapportionment Board [ASSEMBLY] determines that the Assembly is malapportioned, it shall, within five months of the determination, reapportion the Assembly [ITSELF] in the manner provided by law.

4.02 Term, membership and qualifications:
(a) Members shall be elected from single-member election districts for a term of three years. Terms of Assembly members shall be staggered so that, as nearly as practicable, one-half of the Assembly is elected in each of two consecutive years. [IF ALL ASSEMBLYMEN ARE ELECTED FROM SINGLE MEMBER DISTRICTS, THE TERM OF AN ASSEMBLYMAN IS TWO YEARS. IF SOME OR ALL ASSEMBLY MEN ARE ELECTED FROM MULTI-MEMBER DISTRICTS, THE TERM OF AN ASSEMBLYMAN IS THREE YEARS.]

(b) A person who has served on the Assembly for two [THREE] consecutive terms may not be re-elected to the Assembly until one full term has intervened and an Assembly member may serve more than seven consecutive years.

4.03 Municipal Reapportionment Board:
(a) There shall be a Municipal Reapportionment Board consisting of five Municipal residents. Two members of the Reapportionment Board shall be appointed by the Mayor. Two members of the Reapportionment Board shall be appointed by a majority of the elected members of each Assembly member and shall not be subject to veto by the Mayor. One member of the Reapportionment Board shall be appointed by a majority of the four Reapportionment Board members appointed by the Mayor and the Assembly. The fifth member of the Reapportionment Board shall be appointed within seven days after the final appointment of the members appointed by the Mayor and the Assembly. If a majority of the Mayor's and the Assembly's appointees are unable to agree on the appointment of the fifth member within said seven days, the four members appointed by the Mayor and the Assembly shall be discharged automatically and the appointment process shall be repeated until a fifth member is chosen in accordance with this section.

(b) No member of the Municipal Reapportionment Board may be an elected or appointed official or employee of the Municipality of the State of Alaska and may not be a candidate for election to the Assembly until after the first regular municipal election immediately following a reapportionment or reapportionment decision in which the member participated.

2) Members of the Municipal Reapportionment Board shall serve until a final reapportionment plan or decision is proclaimed by the Board as the result of the event(s) that occasioned their appointment.

(b) The Municipal Reapportionment Board shall have the full authority to and shall reconstitute Assembly election districts as provided in Section 4.02 and as may be necessary to implement amendments to this Charter and shall have full authority to and shall provide for the implementation of such reapportionments including but not limited to, as may be reasonably necessary, the shortening of terms.

Transition Provisions: Charter Sections 4.01, 4.02(a), 4.02(e) and 4.03 as amended and adopted by this proposition shall be implemented for and govern the election of Assembly members at the regular Municipal election in 2004. All Assembly seats shall be elected at the regular Municipal election in 2004. The tenure and term of all Assembly members in office on the effective date of these Charter amendments shall end on the date of the regular Municipal election in 2004, but they shall continue to serve until their successors are elected and qualified. At the regular Municipal election in 2004 only, the five even numbered election districts seats shall be elected for one year and the six odd numbered election seats shall be elected for a term of three years.

Shall Anchorage borrow up to $2,200,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $699,000? The bond proceeds would pay a portion of the costs of replacing the existing 911 system, acquiring property for, equipping, rehabilitating, improving, constructing and upgrading emergency annunciator communication systems, purchasing and/or refurbishing medical units (e.g. ambulances), and related capital improvements in Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $107,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $1,620 to retire the proposed debt and (2) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $3,515 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2003-13)

PROPOSITION 6
PUBLIC TRANSPORTATION AND RELATED CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $4,000,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $2,000? The bond proceeds would pay costs of planning, designing, acquiring, installing, and improving Anchorage-owned bus/road fleet and facilities, purchasing support vehicles, and related public transportation capital improvements within Anchorage and the increase in the municipal tax cap would pay the associated annual operations and maintenance costs.

The annual increase in taxes on $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation in Anchorage) necessary to (1) retire the proposed debt is approximately $36 and (2) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $21 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2003-16/S)

PROPOSITION 7
ANCHORAGE PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $4,950,000 through the issuance of general obligation bonds to pay the costs of acquiring and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount not to exceed $520,000 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located in the Anchorage Parks and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage and Anchorage Parks and Recreation Service Area) an annual increase in taxes of approximately $2.75 to retire the proposed bonds, and (2) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $6.53 to pay for annual operation and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (No. AO 2003-44 [As Amended])

PROPOSITION 8
EAGLE-RIVER/CHUGAik PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS
Shall the Municipality of Anchorage borrow up to $1,870,000 through the issuance of general obligation bonds to pay costs of acquiring and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $159,720 to pay for associated annual operations and maintenance costs? The proposed capital improvements would be located within the Eagle River-Chugach Parks and Recreation Service Area.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in the Eagle River-Chugach Parks and Recreation Service Area) an annual increase in taxes of approximately $7.66 to retire the proposed bonds, and (2) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $22 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Eagle River-Chugach Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2003-14)

PROPOSITION 9
EDUCATIONAL CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $41,790,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage? $27,750,000 of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property for, site preparation, constructing, acquiring, renovating, installing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- Estimated Cost
- Distributed: Major: Maintenance
- Distributed: Mechanical Upgrades
- Distributed: Electrical/Exhaust/Alarms/Dia Projects
- Distributed: Electrical Projects
- Distributed: Roof Replacement and Reroof Projects

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2003 assessed valuation in Anchorage) an annual increase in taxes of approximately $16.54 to retire the proposed bonds.

As stated above, $27,750,000 of the bonds qualify for 75% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $9.97 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bond. (No. AO 2003-85)
### PROPOSITION 10
**EDUCATIONAL CAPITAL IMPROVEMENT BONDS**

Shall Anchorage borrow up to $42,000,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage and increase the municipal tax cap by an amount of $558,000 to pay for associated annual operations and maintenance costs?

All of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property for, site preparation, constructing, acquiring, installing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement project includes, but is not limited to, the following:

<table>
<thead>
<tr>
<th>Projects</th>
<th>Estimated Cost</th>
<th>Estimated Annual Operation and Maintenance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Administrative and Training Facility</td>
<td>$42,000,000</td>
<td>$558,000</td>
</tr>
</tbody>
</table>

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation): (1) an annual increase in taxes of approximately $18.74 to retire the proposed bonds, and (2) an annual increase in the municipal tax cap (Chapter 14.03(b)(3)) of approximately $2.96 to pay for annual operation and maintenance costs related to the proposed capital improvement.

As stated above, the entire $42,000,000 of bonds qualify for 50% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $7,59 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected anywhere in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt.

### PROPOSITION 11
**EDUCATIONAL CAPITAL IMPROVEMENT BONDS**

Shall Anchorage borrow up to $125,540,000 through the issuance of general obligation bonds to pay for educational capital improvements within Anchorage and increase the municipal tax cap by an amount of $2,614,400 to pay for associated annual operations and maintenance costs?

All of these bonds qualify for partial State debt reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, designing, acquiring property for, site preparation, constructing, acquiring, renovating, installing and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

<table>
<thead>
<tr>
<th>Projects</th>
<th>Estimated Cost</th>
<th>Estimated Annual Operation and Maintenance</th>
</tr>
</thead>
</table>
| School Renovations/Additions/Replacement
  - Bartlett High School - Phase 2
    - Construction | $28,940,000 | $70,300 |
  - Chester Valley Elementary School - Design Funding | 750,000 | 0 |
  - Chugach Elementary School - Construction Funding | 7,000,000 | 49,825 |
  - New Eagle River Area High School - Construction Funding | 51,000,000 | 2,128,575 |
  - East High School - Phase 3
    - Construction and Phase 4 Design Funding | 18,200,000 | 0 |
  - Polaris K-12 School - Construction Funding | 16,600,000 | 164,960 |
  - Sand Lake Elementary School - Design Funding | 750,000 | 0 |
  - Service High School - Phase 2A
    - Deferred Inflation, Phase 2B Design, Phases 3 and 4 Preliminary Design Funding | 2,200,000 | 0 |

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation): (3) an annual increase in taxes of approximately $55.01 to retire the proposed bonds, and (4) an annual increase in the municipal tax cap (Chapter 14.03(b)(3)) of approximately $12.87 to pay for annual operation and maintenance costs related to the proposed capital improvements.

As stated above, $47,440,000 of the bonds qualify for 70% State debt reimbursement and $78,100,000 of the bonds qualify for 50% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $231.29 (based on $100,000 of 2003 assessed real and personal property value). State reimbursement is subject to annual legislative appropriation.

The debt will be paid from real and personal property taxes levied and collected anywhere in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt.

PROPOSITION 18
Anchorage Election and Apportionment Reform Act of 2003
AMENDING THE ANCHORAGE MUNICIPAL CHARTER TO: (1) ESTABLISH AND REAPPORTION ELEVEN SINGLE MEMBER ASSEMBLY ELECTION DISTRICTS; (2) ESTABLISH A REAPPORTIONMENT BOARD AND ITS DUTIES AND AUTHORITY; (3) ESTABLISH AND LIMIT THE NUMBER OF TERMS OF ASSEMBLY MEMBERS; AND (4) ENACT A TRANSITION PROVISION FOR IMPLEMENTING THESE AMENDMENTS.
Shall Anchorage Municipal Charter Sections 4.01, 4.02(a) and 4.02(e) be amended and a new Section 4.03 and Transition Provisions be adopted, to read as follows and to take effect immediately on certification of the results of the election at which presented?
(Capital letters in brackets are deletions of existing language and underlined letters are new language)

4.01 Power, composition and appointment. The legislative power of Anchorage is vested in an assembly of 11 members. There shall be eleven (11) Assembly election districts, numbered from (1) through (11), each of which (ELECTION DISTRICTS, IF ESTABLISHED) shall be formed of compact and contiguous territory containing as nearly as practicable, a relatively integrated socioeconomic area. The assembly shall be reapportioned whenever it becomes malapportioned. The Municipal Reapportionment Board (THE ASSEMBLY) shall determine and declare by resolution whether the Assembly (OR NOT IT) is malapportioned within 30 days from:
(1) Receipt of the final report of each federal decennial census, including any supplementary data necessary to establish population distribution within the municipality;
(2) Receipt of a petition of 50 or more qualified voters alleging and containing reliable evidence that the assembly is malapportioned; or
(3) Any amendment to this Charter affecting voter representation on the Assembly or Assembly election districts.
If the Municipal Reapportionment Board (ASSEMBLY) determines that the Assembly (IT) is malapportioned, it shall, within five months of the determination, reapportion the Assembly (ITSELF) in the manner provided by law.

4.02 Term, membership and qualifications.
(a) Assembly members shall be elected from single-member election districts for a term of three years. Terms of Assembly members shall be staggered so that, as nearly as possible, one-half of the Assembly is elected in each of two consecutive years. In all Assembly Members are elected from single member districts, the term of an Assemblyman is two years. If some or all Assembly Men are elected from multi-member districts, the term of an Assemblyman is three years.

(b) A person who has served on the assembly for two (TWO) consecutive terms may not be reselected to the assembly until one full term has intervened and no Assembly member may serve more than seven consecutive years.

4.03 Municipal Reapportionment Board
(a) There shall be a Municipal Reapportionment Board consisting of five municipal residents. Two members of the Reapportionment Board shall be appointed by the Mayor. Two members of the Reapportionment Board shall be appointed by a majority of the authorized number of Assembly members and shall not be subject to vote by the Mayor. One member of the Reapportionment Board shall be appointed by a majority of the Reapportionment Board members appointed by the Mayor and the Assembly. The fifth member of the Reapportionment Board shall be appointed within seven days after the final appointment of the members appointed by the Mayor and the Assembly. If a majority of the Mayor's and the Assembly's appointees are unable to agree on the appointment of the fifth member within said seven days, the four members appointed by the Mayor and the Assembly shall be discharged automatically and the appointment process shall be repeated until a fifth member is chosen in accordance with this section.

(b) No member of the Municipal Reapportionment Board may be an elected or appointed official or employee of the Municipality or the State of Alaska and may not be a candidate for election to the Assembly until after the first regular Municipal election immediately following a reapportionment or reapportionment decision in which the member participated.

(c) Members of the Municipal Reapportionment Board shall serve until the final reapportionment plan or decision is proclaimed by the Board resulting from the process that occasioned their appointment.

(d) The Municipal Reapportionment Board shall have the full authority to and shall reapportion Assembly election districts as provided in Section 4.02 and as may be necessary to implement amendments to this Charter and shall have full authority to and shall provide for the implementation of such reapportionments including but not limited to, as may be reasonably necessary, the shortening of terms.

Transition Provisions. Charter Sections 4.01, 4.02(a), 4.02(e) and 4.03 as amended and adopted by this proposition shall be implemented for and govern the election of Assembly members at the regular Municipal election in 2004. All Assembly seats shall be elected at the regular Municipal election in 2004. The tenure and term of all Assembly members in office on the effective date of these Charter amendments shall end on the date of the regular Municipal election in 2004, but they shall continue to serve until their successors are elected and qualified. At the regular Municipal election in 2004 only, the five even numbered election district seats shall be elected for one year and the six odd numbered election seats shall be elected for a term of three years.
