PROPOSITION 1

SCHOOLS ADDITION, RENEWAL AND DESIGN BONDS
Shall Anchorage borrow up to $89,980,000 through the issuance of general obligation bonds to pay for addition and renewal of Service High School, extension of water and sewer line at Eagle River High School and design plans for Girdwood K-12 School within Anchorage, as provided in Ordinance No. AO 2009-12?

The Service High School and Girdwood K-12 School projects currently qualify for 65% state debt reimbursement and the Eagle River High School project currently qualifies for 75% state debt reimbursement (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of construction, planning, design, site preparation, construction, renovating, installing and equipping educational capital improvement projects, but not limited to the projects described above.

The Service High School and Girdwood K-12 School projects currently qualify for 65% state debt reimbursement and the Eagle River High School project currently qualifies for 75% state debt reimbursement. State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of the bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $18.36 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected available in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-63)

PROPOSITION 2

EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, RENEWAL AND ACQUISITION BONDS
Shall Anchorage borrow up to $273,003,000 through the issuance of general obligation bonds to pay for educational capital improvements for Districtwide major building systems renewal, replacements, renovations and acquisitions within Anchorage, as provided in Ordinance No. AO 2009-85?

The projects, except for Districtwide site acquisition, currently qualify for 70% State debt reimbursement (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, design, site preparation, constructing, renovating, installing, equipping and operating educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to the following Projects:

Districtwide Code/Safety Projects
Districtwide Roof Replacement Projects
Districtwide Building Renewal Projects
Districtwide Electrical Projects
Districtwide Mechanical Projects
Districtwide Traffic Safety Projects
Districtwide Field Renewal Project
Districtwide Security System Upgrade Projects
Districtwide Site Acquisition

The projects, except for the Districtwide site acquisition, currently qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $3.38 to retire the proposed bonds (based on $1,000 of 2009 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of the bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $7.21 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected available in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-85)

**PROPOSITION 2**

**EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, RENOVATION AND ACQUISITION BONDS**

Shall Anchorage borrow up to $27,480,000 through the issuance of general obligation bonds to pay for educational capital improvements for Districtwide major building systems renewal, replacements, renovations and acquisitions within Anchorage, as provided in Ordinance No. A9-2009(9)? The projects, except for Districtwide site acquisition, currently qualify for 70% State debt reimbursement (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, design, site preparation, constructing, renovating, installing, equipping and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following Projects:

- Districtwide Code/Speller Projects
- Districtwide Roof Replacement Projects
- Districtwide Building Renewal Projects
- Districtwide Electrical Projects
- Districtwide Mechanical Projects
- Districtwide Fire Safety Projects
- Districtwide Flood Reclaim Project
- Districtwide Security System Upgrade Projects
- Districtwide Site Acquisition

The projects, except for the Districtwide site acquisition, currently qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $2.05 to retire the proposed bonds (based on $100,000 of assessed real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposal authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $11.54 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected by the district in Anchorage. Anchorage will also pledge full faith and credit for payment of the debt. (A9-2009(9))

**SCHOOLS ADDITION, RENEWAL AND DESIGN BONDS**

Shall Anchorage borrow up to $69,880,000 through the issuance of general obligation bonds to pay for addition and renewal of Service High School, extension of water and sewer line at Eagle River High School and design plans for Girdwood K-8 School within Anchorage, as provided in Ordinance No. AD 2009-857? The Service High School and Girdwood K-8 School project currently qualifies for 60% state debt reimbursement and the Eagle River High School project currently qualifies for 70% state debt reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of demolition, planning, designing, site preparation, constructing, remediating, remediating and equipping educational capital improvement projects, but not limited to the projects described above.

The Service High School and Girdwood K-8 School projects currently qualify for 95% State debt reimbursement and the Eagle River High School project currently qualifies for 70% debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $7.27 to retire the proposed bonds (based on $100,000 of 2009 real and personal property value). State reimbursement is subject to annual legislative appropriation.

Without State reimbursement for debt service, voter approval of the bond proposition authorizes sales of each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $18.36 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected annually in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AD 2009-857)

### PROPOSITION 2

**EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, RENOVATION AND ACQUISITION BONDS**

Shall Anchorage borrow up to $67,400,000 through the issuance of general obligation bonds to pay for educational capital improvements for Districtwide major building systems renewal, renovations, and acquisitions within Anchorage, as provided in Ordinance No. AD 2009-857? The projects, except for Districtwide site acquisition, currently qualify for 70% State debt reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to the following:

- Districtwide Coda/Speaker Projects
- Districtwide Roof Replacement Projects
- Districtwide Building Renovation Projects
- Districtwide Electrical Projects
- Districtwide Mechanical Projects
- Districtwide Traffic Safety Projects
- Districtwide Facilities Renovation Project
- Districtwide Security System Upgrade Projects
- Districtwide Site Acquisition

The projects, except for the Districtwide site acquisition, currently qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $3.36 to retire the proposed bonds (based on $100,000 of 2009 real and personal property value). State reimbursement is subject to annual legislative appropriation.

Without State reimbursement for debt service, voter approval of the bond proposition authorizes sales of each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $7.21 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected annually in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AD 2009-857)

#### PROPOSITION 1

**SCHOOLS ADDITION, RENOVATION AND DESIGN BONDS**

 Shall Anchorage borrow up to $89,860,000 through the issuance of general obligation bonds to pay for addition and renewal of Service High School, extension of water and sewer line at Eagle River High School and design plans for Girdwood K-8 School within Anchorage, as provided in Ordinance No. 2009-9(S)?

The Service High School and Girdwood K-8 School projects currently qualify for 60% state debt reimbursement and the Eagle River High School project currently qualifies for 70% state debt reimbursement, subject to annual Legislative appropriation as described below.

The general obligation bond proceeds will be used to pay costs of demolition, planning, design, site preparation, constructing, renovating, installing and equipping educational capital improvement projects, but not limited to the projects described above.

The Service High School and Girdwood K-8 School projects currently qualify for 60% state debt reimbursement and the Eagle River High School project currently qualifies for 70% state debt reimbursement, subject to annual Legislative appropriation. Without state reimbursement for debt service, voter approval of the bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in property taxes of approximately $3.21 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AIO 2009-8(S))

**EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICT-WIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, RENOVATION AND ACQUISITION BONDS**

 Shall Anchorage borrow up to $27,440,000 through the issuance of general obligation bonds to pay for educational capital improvements for District-wide major building systems renewals, replacements, renovations and acquisitions within Anchorage, as provided in Ordinance No. 2009-9(S)?

The projects, except for District-wide site acquisitions, currently qualify for 70% state debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $3.26 to retire the proposed bonds (based on $100,000 of 2009 assessed real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in property taxes of approximately $3.21 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AIO 2009-8(S))

PROPOSITIONS

PROPOSITION 1
SCHOOLS ADDITION, RENOVATION AND DESIGN BONDS

Shall Anchorage borrow up to $69,800,000 through the issuance of general obligation bonds to pay for addition and renovation of Service High School, addition of water and sewer line at Eagle River High School and design plans for Girdwood K-8 School within Anchorage, as provided in Ordinance No. AO-2009-855? The Service High School and Girdwood K-8 School projects currently qualify for 50% state debt reimbursement and the Eagle River High School project currently qualifies for 75% state debt reimbursement (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, planning, engineering, site preparation, constructing, renovating, installing and equipping educational capital improvement projects, but not limited to the projects described above.

The Service High School and Girdwood K-8 School projects currently qualify for 50% state debt reimbursement and the Eagle River High School project currently qualifies for 75% state debt reimbursement. (If the State chooses to make full reimbursement, the annual increase in taxes would be $7.27 to retire the proposed bonds (based on $100,000 of 2009 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $18.34 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected around Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-855)

Shall Anchorage borrow up to $27,480,000 through the issuance of general obligation bonds to pay for educational capital improvements for Districtwide major building systems renewal, replacements, renovations and acquisitions within Anchorage, as provided in Ordinance No. AO-2009-856? The projects, except for Districtwide site acquisition, currently qualify for 70% State debt reimbursement (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to the following:

- Districtwide Cost/Savings Projects
- Districtwide Pool Replacement Projects
- Districtwide Building Renewal Projects
- Districtwide Electrical Projects
- Districtwide Mechanical Projects
- Districtwide Traffic Safety Projects
- Districtwide Field Replacement Project
- Districtwide Security System Upgrade Projects
- Districtwide Site Acquisition

The projects, except for the Districtwide site acquisition, currently qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $3.46 to retire the proposed bonds (based on $100,000 of 2009 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $5.21 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected around Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-856)

PROPOSITION 8
ANCHORAGE METROPOLITAN POLICE SERVICE AREA FACILITIES BONDS
For the purpose of providing improvements to public safety facilities and related police protection capital improvements in the Anchorage Metropolitan Police Service Area, shall Anchorage borrow money and issue up to $3,000,000 in principal amount of general obligation bonds, contingent upon the appropriation of funds from the State of Alaska, and increase the municipal tax cap by an annual amount not to exceed $95,000 to pay for associated annual operations and maintenance costs?

Note approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2009 assessed valuation in the Anchorage Metropolitan Police Service Area) (1) an annual increase in taxes of approximately $0.27 to retire the proposed bonds; and (2) an annual increase in the Municipal Tax Cap of approximately $0.17 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Metropolitan Police Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds.

(AQ 2008-11 as amended)

PROPOSITION 9
CHARTER AMENDMENT TAX INCREASE LIMITATION
Shall Anchorage Municipal Charter Section 14.03(b) of the Charter Tax Increase Limitation be amended to read as follows:

"New language proposed is shown in bold and underlined. No language in the existing section 14.03 (a) or (b) has been deleted."

Section 14.03. Tax increase limitation.
(4) (a) Except as provided in this subsection, the total amount of municipal tax that can be levied during a fiscal year shall be limited to the total amount approved by the assembly for the fiscal year preceding the preceding fiscal year by an average percentage increase in the Federal Consumer Price Index for Anchorage for the preceding fiscal year plus the average percentage increase in the Anchorage Municipal population over the preceding five fiscal years as determined by the state department of community and regional affairs.

(1) (1) The "total amount of the municipal tax that can be levied during a fiscal year" and the "total amount approved by the assembly" for the preceding fiscal year as used in subsection (a) of this section shall include an amount to pay the taxes paid or to be paid by any Municipality of Anchorage vicinity, department, agency or public corporation or authority.

This Amendment to Charter (14.03) shall take effect immediately upon passage and approval, and shall be first applied to the Municipality of Anchorage Tax Limitation calculations for the fiscal year 2010 and planned in for incurring one-third (1/3) of each year's payment in lieu of taxes each year beginning in 2010 and all such payments shall be applied beginning in 2013.

(AQ 2008-11 as amended)

PROPOSITION 10
PUBLIC RECREATION SERVICE AREA FACILITIES BONDS
To provide for construction, improvements, and repairs to facilities and improvements in the public recreation service area, shall Anchorage issue up to $1,000,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $25,000 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2009 assessed valuation in the public recreation service area) (1) an annual increase in taxes of approximately $0.07 to retire the proposed bonds; and (2) an annual increase in the Municipal Tax Cap of approximately $0.32 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the public recreation service area. Anchorage will also pledge its full faith and credit for payment of the bonds.

(AQ 2008-11 as amended)
**PROPOSITION 2**

**EDUCATIONAL CAPITAL IMPROVEMENTS**

**DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, RENOVATION AND ACQUISITION BONDS**

shall Anchorage borrow up to $27,480,000 through the issuance of general obligation bonds to pay for educational capital improvements for districtwide major building systems renewal, replacements, renovations and acquisitions within Anchorage, as provided in Ordinance No. AO 2009-83/9.

The general obligation bond proceeds will be used to pay costs of planning, designing, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects within Anchorage. These proposed educational capital improvement projects include, but are not limited to, the following Projects:

- Districtwide Code/Principal Projects
- Districtwide Roof Replacement Projects
- Districtwide Roof Replacement Projects
- Districtwide Electrical Projects
- Districtwide Mechanical Projects
- Districtwide Traffic Safety Projects
- Districtwide Security System Upgrade Projects
- Districtwide Site Acquisition

The projects, except for the Districtwide site acquisition, currently qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be approximately $38.00 per $100,000 of real and personal property value. State reimbursement is subject to annual legislative appropriation.

Without State reimbursement for debt service, voter approval of the bond proposition authorizes funds up to $16,000,000 of outstanding real and personal property value (based on the estimated 2020 assessed valuation) an annual increase in taxes of approximately $7.27 to retire the proposed bonds.

The date will be paid from real and personal property taxes levied and collected assessed in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-83/9)

**PROPOSITION 3**

**ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS**

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements, shall Anchorage borrow money and issue up to $34,225,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $558,000 to pay the associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Roads and Drainage Service Area.

Voter approval of the bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2020 assessed valuation in the Anchorage Roads and Drainage Service Area) an annual increase in taxes of approximately $11.53 to retire the proposed bonds, and (ii) an annual increase necessary to fund the proposed increase in the mortgage tax cap (Chapter 14.56, RSA) of approximately $25 per $100,000 of real and personal property assessed in the Anchorage Roads and Drainage Service Area.

The date will be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-10 as amended)

**SCHOOLS ADDITION, RENEWAL AND DESIGN BONDS**

Shall Anchorage borrow up to $68,880,000 through the issuance of general obligation bonds to pay for addition and renewal of Service High School, extension of water and sewer lines at Eagle River High School and design plans for Girdwood K-6 School within Anchorage, as provided in Ordinance No. AO 2009-65? The Service High School and Girdwood K-6 School projects currently qualify for 95% state debt reimbursement and the Eagle River High School project currently qualifies for 75% state debt reimbursement (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of construction, planning, design, site preparation, constructing, renovating, installing and equipping educational capital improvement projects, but not limited to the projects described above.

The Service High School and Girdwood K-6 School projects currently qualify for 70% state debt reimbursement and the Eagle River High School project currently qualifies for 95% state debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $7.72 to retire the proposed bonds (based on $100,000 of assessed real and personal property value). State reimbursement is subject to annual Legislative appropriation.

**PROPOSITION 2**

**EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, RENOVATION AND ACQUISITION BONDS**

Shall Anchorage borrow up to $27,680,000 through the issuance of general obligation bonds to pay for educational capital improvements for Districtwide major building systems renewals, replacements, renovations and acquisitions within Anchorage, as provided in Ordinance No. AO 2009-65? The projects, except for Districtwide site acquisition, currently qualify for 90% state debt reimbursement (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- Districtwide Safety Projects
- Districtwide Site Acquisition

The projects, except for the Districtwide site acquisition, currently qualify for 90% state debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $3.76 to retire the proposed bonds (based on $100,000 of assessed real and personal property value). State reimbursement is subject to annual Legislative appropriation.

**PROPOSITION 3**

### PROPOSITION 2
EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, RENOVATION AND ACQUISITION BONDS

Shall Anchorage borrow up to $57,480,000 through the issuance of general obligation bonds to pay for educational capital improvements for school and community recreation systems: renewals, replacements, renovations and acquisitions within Anchorage, as provided in Ordinance No. AC 2009-65? The projects, except for Districtwide site acquisition, currently qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $3.36 in retire the proposed bonds (based on $100,000 of 2009 real and personal property value). State reimbursement is subject to annual Legislative appropriation.

The general obligation bond proceeds will be used to pay costs of planning, design, site preparation, constructing, excavating, installing, acquiring and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- Districtwide Site Look/Phase Projects
- Districtwide Rebuild Replacement Projects
- Districtwide Building Renovation Projects
- Districtwide Electrical Projects
- Districtwide Mechanical Projects
- Districtwide Traffic Safety Projects
- Districtwide Fire/Storm Project
- Districtwide Security System Upgrade Projects
- Districtwide Site Acquisition

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $1.32 to retire the proposed bonds. The debt will be paid from real and personal property taxes levied and collected annually in Anchorage. Anchorage will also pledge all full faith and credit for payment of the debt. (AC 2009-65)

**Section 14.032: Tax Increase Limitation**

Except as provided in this section, the total amount of municipal tax that can be levied during a fiscal year shall not exceed the estimated annual total amount approved by the Assembly for the preceding year. After more than a three-year period of adding the percentage increase to the Federal Consumer Price Index for Anchorage from the federal fiscal year 2009, the percentage increase shall be based on the percentage increase in the Federal Consumer Price Index for Anchorage. If the percentage increase in the federal fiscal year 2009 is less than the percentage increase in the Federal Consumer Price Index for Anchorage, the percentage increase shall be the lesser of the percentage increase in the Federal Consumer Price Index for Anchorage or the percentage increase in the Federal Consumer Price Index for Anchorage. If the percentage increase in the Federal Consumer Price Index for Anchorage is greater than the percentage increase in the Federal Consumer Price Index for Anchorage, the percentage increase shall be the lesser of the percentage increase in the Federal Consumer Price Index for Anchorage or the percentage increase in the Federal Consumer Price Index for Anchorage. If the percentage increase in the Federal Consumer Price Index for Anchorage is greater than the percentage increase in the Federal Consumer Price Index for Anchorage, the percentage increase shall be the lesser of the percentage increase in the Federal Consumer Price Index for Anchorage or the percentage increase in the Federal Consumer Price Index for Anchorage.

This Amendment to Charter (41.032) shall take effect immediately upon passage and approval, and shall be applied to the Municipality of Anchorage for the fiscal years ending in 2013 and each year thereafter.

Proposition 2
Educational Capital Improvements
Districtwide Major Building Systems Renewal, Replacement, Renovation, and Acquisition Bonds

Shall Anchorage borrow up to $37,480,000 through the issuance of general obligation bonds to pay for educational capital improvements for Districtwide capital projects, including renewal, replacement, renovation, constructing, acquiring, and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

Projects:
- Districtwide Cost Sprinkler Projects
- Districtwide Roof Replacement Projects
- Districtwide Building Renewal Projects
- Districtwide Electrical Projects
- Districtwide Mechanical Projects
- Districtwide Traffic Safety Projects
- Districtwide Field Renovated Projects
- Districtwide Security System Upgrade Projects
- Districtwide Site Acquisition

The projects, except for the Districtwide Site Acquisition, are currently estimated to be $100,000 of real and personal property value (based on the estimated 2009 assessed valuation) per year in addition to the State reimbursement subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes a new tax of $2.36 per $1,000 of assessed real and personal property value placed in the special fund established by this proposition to pay the annual principal amount of the proposed bond.

The debt will be paid from real and personal property taxes levied and collected in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt.

Proposition 1
Schools Addition, Renewal, and Design Bonds

Shall Anchorage borrow up to $69,880,000 through the issuance of general obligation bonds to pay for addition and renewal of Seward High School, renovation of existing buildings, and improvement projects at Eagle River High School and Seward High School? 

The service areas of the School District and the Seward High School project currently qualify for 50% state debt reimbursement, and the Eagle River High School project currently qualifies for 75% state debt reimbursement (subject to annual Legislative appropriation, as described below).

The general obligation bond proceeds will be used to pay costs of design, construction, site preparation, constructing, renovating, improving, and equipping educational capital improvement projects, but not limited to the projects described above.

The Seward High School and Eagle River High School projects currently qualify for 50% state debt reimbursement. If the State chooses to make full reimbursement, the annual interest on the proposed bonds would be approximately $7.21 to retire the proposed bonds. The annual interest would be approximately $1,000 of real and personal property value (based on the estimated 2009 assessed valuation) for each $1,000 of proposed bonds.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes a new tax of $2.36 per $1,000 of assessed real and personal property value placed in the special fund established by this proposition to pay the annual principal amount of the proposed bond.

The debt will be paid from real and personal property taxes levied and collected in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt.

Proposition 3
Anchorage Roads and Drainage Service Area Road and Storm Drainage Bonds

For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades, and related capital improvements, shall Anchorage borrow money and issue up to $24,255,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $588,000 to pay the associated annual operations and maintenance costs. The proposed capital improvements would be located within the Anchorage Roads and Drainage Service Area.

Voter approval of the bond proposition authorizes a new tax of $2.36 per $1,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation in the Anchorage Roads and Drainage Service Area) to an annual increase in taxes of approximately $1,000 of assessed real and personal property value.
PROPOSITION 4
ANCHORAGE BOWL PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

To improve parks and trails, protect water quality in creeks and streams, upgrade, construct, and equip parks, provide playgrounds, and family recreation facilities in the Anchorage Bowl Parks and Recreation Service Area, shall Anchorage borrow money and issue up to $15,850,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $857,100 to pay for associated annual operations and maintenance costs?

Vote approval of this bond proposition requires at least $15,850,000 of assessed taxable property value (based on the estimated 2009 assessed valuation in the Anchorage Bowl Parks and Recreation Service Area) (a) an annual increase in taxes of approximately $0.30 per $1,000 of assessed value to retire the proposed bond, and (b) an annual increase in the municipal tax cap by approximately $0.35 per $1,000 of assessed value to pay for associated annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Bowl Parks and Recreation Service Area, without cost to property owners in Chugiak, Eagle River, Girdwood, and other areas outside the Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (Ad 2009-11 as amended)

YES NO

PROPOSITION 5
PUBLIC FACILITY CAPITAL IMPROVEMENT BONDS

To provide for construction, equipping, renovating, replacement, improvements, and maintenance of Anchorage libraries and related public facility capital improvements, shall Anchorage issue up to $1,500,000 in principal amount of general obligation bonds and increase the municipal tax cap by an amount not to exceed $147,500 to pay for annual operations and maintenance costs?

The proposed capital improvements would be located within Anchorage.

Vote approval of this bond proposition requires at least $1,500,000 of assessed taxable property value (based on the estimated 2009 assessed valuation in Anchorage) (a) an annual increase in taxes of approximately $0.45 per $1,000 of assessed value to retire the proposed bond, and (b) an annual increase in the Municipal Tax Cap (Chapter 14.08 AKSA) of approximately $1.50 per $1,000 of assessed value to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (Ad 2009-12 as amended)

For the purpose of providing public safety upgrades, including acquisition of replacement cardiac monitors, Bus stop improvements, replacement of paratransit and support vehicles, management of information system upgrades, transit security and facilities improvements, bus capital maintenance and operating system improvements, and related capital improvements, shall Anchorage issue up to $1,500,000 in principal amount of general obligation bonds? The proposed capital improvements would be located within Anchorage.

Vote approval of this bond proposition requires at least $1,000,000 of assessed taxable property value (based on the estimated 2009 assessed valuation in Anchorage) an annual increase in taxes of approximately $0.34 per $1,000 of assessed value to retire the proposed bonds.

The debt shall be paid from real and personal property taxes levied and collected within and Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (Ad 2009-13 as amended)

PROPOSITION 9
CHARTER AMENDMENT TAX INCREASE LIMITATION

Shall Anchorage Municipal Charter Section 14.04(a) of the Charter Tax Increase Limitation be amended to read as follows: New language is proposed in bold and underlined. No

language in the existing section 14.04(a) has been deleted

Section 14.04, Tax Increase limitation

(a) Except as provided in this section, the total amount of municipal tax that can be levied during a fiscal year shall be limited to the total amount approved by the assembly for the preceding year by more than a percentage determined by dividing the percentage increase in the Federal Consumer Price Index for Anchorage during the preceding fiscal year by the average percentage increase during the Anchorage Municipal population over the preceding five fiscal years as determined by the state department of community and regional affairs.

(1) the "total amount of the municipal tax that can be levied during a fiscal year," and the "total amount approved by the assembly for the preceding year," in subsection (a) of this section shall include an amount equal of or to be paid by any Municipality of Anchorage utility, department, agency or public corporation in authority.

This Amendment to Chapter 14.04 shall take effect immediately upon passage and approval and shall be final applied to the Municipality of Anchorage Tax Limitation calculations for the tax year 2019 and phased in by including one-third (1/3) of each year's payments in tax of each year beginning in 2020 and all such payments shall be applied beginning in 2019.

### PROPOSITION 1

**SCHOOLS ADDITION, RENEWAL AND DESIGN BONDS**

Shall Anchorage borrow up to $69,880,000 through the issuance of general obligation bonds to pay for addition and renewal of School High School, extension of water and sewer lines at Eagle River High School and design plans for Girdwood K-8 School. As provided in Ordinance No. AC 2029-859? The Service High School and Girdwood K-8 School projects currently qualify for 50% state debt reimbursement and the Eagle River High School project currently qualifies for 70% state debt reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of land acquisition, design, site preparation, constructing, renovating, installing and equipping educational improvement projects, but not limited to the projects described above.

The Service High School and Girdwood K-8 School projects currently qualify for 50% state debt reimbursement and the Eagle River High School project currently qualifies for 70% state debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be approximately $7.37 to retire the proposed bonds (based on $910,000 of 2009 real and personal property value). State reimbursement is subject to annual legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $10.43 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected as assessed in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AC 2008-4(2))

### PROPOSITION 2

**EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, RENOVATION AND ACQUISITION BONDS**

Shall Anchorage borrow up to $27,490,000 through the issuance of general obligation bonds to pay for educational capital improvements to major building systems, renovation and improvements at Anchorage, as provided in Ordinance No. AC 2029-867? The projects, except for Districtwide site acquisition, currently qualify for 70% State debt reimbursement (subject to annual legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, design, site preparation, constructing, renovating, installing, equipping and acquiring educational capital improvement projects within Anchorage. These educational capital improvement projects include, but are not limited to, the following:

Projects:
- Distribute Code/Equipment Projects
- Distribute Roof Replacement Projects
- Distribute Building Renewal Projects
- Distribute Electrical Projects
- Distribute Mechanical Projects
- Distribute Traffic Safety Projects
- Distribute Field Renewal Projects
- Distribute Security System Upgrade Projects
- Distribute Site Acquisition

The projects, except for the Districtwide site acquisition, currently qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $23.80 to retire the proposed bonds (based on $3,010,000 of 2009 real and personal property value). State reimbursement is subject to annual legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $7.21 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected as assessed in Anchorage. Anchorage also pledges its full faith and credit for payment of the debt. (AC 2009-1(3))

PROPOSITION 1
SCHOOLS ADDITION, RENEWAL AND DESIGN BONDS
Shall Anchorage borrow up to $69,680,000 through the issuance of general obligation bonds to pay for addition and renewal of Genoa High School, expansion of water and sewer line at Eagle River High School and design plans for Greenland High School within Anchorage, as provided in Ordinance No. AO 2009-82(?). The Service High School and Greenland High School projects currently qualify for 58% state debt reimbursement and the Eagle River High School project currently qualifies for 75% state debt reimbursement (subject to annual Legislative appropriation as described below). The general obligation bond proceeds will be used to pay costs of construction, planning, site preparation, constructing, renovating, remodeling and equipping educational capital improvement projects, but not limited to the projects described above. The Service High School and Greenland High School projects currently qualify for 69% state debt reimbursement and the Eagle River High School project currently qualifies for 70% state debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $2.27 to retire the proposed bonds (based on $100,000 of 2009 real and personal property value). State reimbursement is subject to annual Legislative appropriation. Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $1.34 to retire the proposed bonds. The debt will be paid from real and personal property taxes levied and collected annually in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-82(?))

PROPOSITION 2
EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, RENOVATION AND ACQUISITION BONDS
Shall Anchorage borrow up to $27,400,000 through the issuance of general obligation bonds to pay for educational capital improvements for Districtwide major building systems renewals, replacements, renovations and acquisitions within Anchorage, as provided in Ordinance No. AO 2009-82(?). The projects, except for Districtwide site acquisition, currently qualify for 75% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $2.27 to retire the proposed bonds (based on $100,000 of 2009 real and personal property value). State reimbursement is subject to annual Legislative appropriation. Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $2.27 to retire the proposed bonds. The debt will be paid from real and personal property taxes levied and collected annually in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-82(?))

PROPOSITION 3
ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAIN BONDS
For the purpose of providing roads and storm drainage capital acquisition, construction, renovation, upgrades and related capital improvements, shall Anchorage borrow money and issue up to $34,225,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $556,000 to pay the associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Roads and Drainage Service Area. Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2009 assessed valuation in the Anchorage Roads and Drainage Service Area) (a) an annual increase in taxes of approximately $1.15 to retire the proposed bonds, and (b) an annual increase necessary to fund the proposed increase in the municipal tax cap (Chapter 14.03 (8)(b)) of approximately $2.25 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt will be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-10-10 an amended)

### PROPOSITION 2

**EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, REHABILITATION AND ACQUISITION BONDS**

Shall Anchorage borrow up to $27,499,000 through the issuance of general obligation bonds to pay for educational capital improvements for Districtwide major building systems, renewals, replacements, renovations and acquisitions within Anchorage, as provided in Ordinance No. AO 2009-85? The projects, except for the Districtwide site acquisition, currently qualify for 70% state debt reimbursement (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of design, planning, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- Districtwide Facilities Projects
- Districtwide Renovation Projects
- Districtwide Electric Projects
- Districtwide Mechanical Projects
- Districtwide Traffic Safety Projects
- Districtwide Field Renovation Projects
- Districtwide Security System Upgrade Projects
- Districtwide Site Acquisition

The projects, except for the Districtwide site acquisition, currently qualify for 70% state debt reimbursement. If the State chooses to make full reimbursement, the annual increases in taxes would be $3,500,000.

PROPOSITION 2

EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, RENOVATION AND ACQUISITION BONDS

Shall Anchorage borrow up to $27,400,000 through the issuance of general obligation bonds to pay for educational capital improvements for Districtwide major building systems, replacements, renovations and acquisitions within Anchorage, as provided in Ordinance No. AO 2009-B447? The project, except for Districtwide site acquisition, currently qualify for 70% State debt reimbursement (subject to annual Legislative appropriation as described below).

The general obligation bond proceeds will be used to pay costs of planning, design, site preparation, construction, renovating, installing, acquiring and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- Districtwide Code Enforcement Projects
- Districtwide Flood Replacement Projects
- Districtwide Building Replacement Projects
- Districtwide Electrical Projects
- Districtwide Mechanical Projects
- Districtwide Traffic Safety Projects
- Districtwide Field Replacement Projects
- Districtwide Security System Upgrade Projects
- Districtwide Site Acquisition

The projects, except for the Districtwide site acquisition, currently qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be approximately $2,700,000. If the State chooses to make partial reimbursement, the annual increase in taxes would be $2,700,000 multiplied by the State's reimbursement percentage. State reimbursement is subject to annual Legislative appropriation.

Shall the levy be paid from real and personal property taxes levied and collected annually in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-B447)

**PROPOSITIONS**

**PROPOSITION 1**

SCHOOLS ADDITION, RENEWAL AND DESIGN BONDS

Shall Archangels borrow up to $69,860,000 through the issuance of general obligation bonds to pay for the construction of a new school building for the Elementary School, extension of the Boys & Girls Club building, and construction of a new districtwide school. The bonds shall be payable from the taxes levied by the Archangels School District. The proceeds from the sale of the bonds shall be used to retire the proposed bonds and for the benefit of all Archangels School District property owners. The proposed capital improvements will not be located within the Archangels Roads and Drainage Services Area. Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $36.72 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected annually in Archangels. Archangels will also pledge its full faith and credit for payment of the debt. (A03/2009-R50)

**PROPOSITION 2**

DISTRICTWIDE MAJOR BUILDING SYSTEMS RENOVATION, REPLACEMENT, RENOVATION AND ACQUISITION BONDS

Shall Archangels borrow up to $374,600,000 through the issuance of general obligation bonds to pay for educational capital improvements for existing and new school buildings, renovations, and general acquisitions within Archangels, as provided in Ordinance No. A03/2009-60. Any proceeds not used for projects shall be applied toward the general obligation bonds. The proceeds from the sale of the bonds shall be used to retire the proposed bonds and for the benefit of all Archangels School District property owners. The proposed capital improvements include, but are not limited to the following:

- Projects:
  - Districtwide Code/Improvements Projects
  - Districtwide Roof Replacement Projects
  - Districtwide Building Renewal Projects
  - Districtwide Electrical Projects
  - Districtwide Mechanical Projects
  - Districtwide Traffic Safety Projects
  - Districtwide Field Renewal Projects
  - Districtwide Security System Upgrade Projects
  - Districtwide Site Acquisition Projects

The projects, except for the Districtwide site acquisition, currently qualify for 10% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be approximately $36.72 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected annually in Archangels. Archangels will also pledge its full faith and credit for payment of the debt. (A03/2009-R50)

### PROPOSITION 1

**SCHOOLS ADDITION, RENEWAL, AND DESIGN BONDS**

Shall Anchorage borrow up to $69,860,000 through the issuance of general obligation bonds to pay for addition and renewal of Sunny High School, extension of water and sewer line at Eagle River High School and design plans for Girdwood K-8 School within Anchorage, as provided in Ordinance No. AO 2009-807? The Service High School and Girdwood K-8 School projects currently qualify for 60% state debt reimbursement and the Eagle River High School project currently qualifies for 70% state debt reimbursement (subject to annual Legislative appropriation as described below). The general obligation bond proceeds will be used to pay costs of demolition, planning, designing site preparation, constructing, renovating, installing and equipping educational capital improvement projects, but not limited to the projects described above.

The Service High School and Girdwood K-8 School projects currently qualify for 60% state debt reimbursement and the Eagle River High School project currently qualifies for 70% state debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $7.27 to retire the proposed bonds (based on $10,000 of assessed real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $10,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $16.34 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected anywhere in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-656)

#### PROPOSITION 2

**EDUCATIONAL CAPITAL IMPROVEMENTS DISTRICTWIDE MAJOR BUILDING SYSTEMS RENEWAL, REPLACEMENT, RENOVATION AND ACQUISITION BONDS**

Shall Anchorage borrow up to $27,480,000 through the issuance of general obligation bonds to pay for educational capital improvements for Districtwide major building systems renewal, replacement, renovations and acquisitions within Anchorage, as provided in Ordinance No. AO 2009-657? The projects, except for Districtwide site acquisition, currently qualify for 70% State debt reimbursement (subject to annual Legislative appropriation as described below). The general obligation bond proceeds will be used to pay costs of planning, design, site preparation, constructing, renovating, installing, acquiring and equipping educational capital improvement projects within Anchorage. The proposed educational capital improvement projects include, but are not limited to, the following:

- Districtwide Cost/Savings Project
- Districtwide Roof Replacement Projects
- Districtwide Building Renewal Projects
- Districtwide Electrical Projects
- Districtwide Mechanical Projects
- Districtwide Traffic Safety Projects
- Districtwide Field Replacement Project
- Districtwide Security System Upgrades Projects
- Districtwide Site Acquisition

The projects, except for the Districtwide site acquisition, currently qualify for 70% State debt reimbursement. If the State chooses to make full reimbursement, the annual increase in taxes would be $2.36 to retire the proposed bonds (based on $10,000 of assessed real and personal property value). State reimbursement is subject to annual Legislative appropriation.

Without State reimbursement for debt service, voter approval of this bond proposition authorizes for each $10,000 of assessed real and personal property value (based on the estimated 2009 assessed valuation) an annual increase in taxes of approximately $7.21 to retire the proposed bonds.

The debt will be paid from real and personal property taxes levied and collected anywhere in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-657)

#### PROPOSITION 3

**ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD AND STORM DRAINAGE BONDS**

For the purpose of providing roads and storm drainage capital acquisition, construction, renewal, upgrades and related capital improvements, shall Anchorage borrow money and issue up to $34,025,000 in principal amount of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $558,000 to pay the associated annual operations and maintenance costs? The proposed capital improvements would be located within the Anchorage Roads and Drainage Service Area.

Voter approval of this bond proposition authorizes for each $10,000 of assessed taxable property value (based on the estimated 2009 assessed valuation in the Anchorage Roads and Drainage Service Area) (i) an annual increase in taxes of approximately $1.13 to retire the proposed bonds, and (ii) an annual increase necessary to fund the proposed increase in the municipal tax cap (Chapter 14.53 (b)(5) of approximately $2.125 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt. (AO 2009-10 as amended)
