PROPOSITION 4
AMENDING ANCHORAGE MUNICIPAL CHARTER SECTION 11.02 TO CLARIFY THAT RUN-OFF ELECTIONS ARE NOT REQUIRED IN RACES WHERE THE NAMES OF NO MORE THAN TWO CANDIDATES APPEARED ON THE INITIAL BALLOT

Shall Anchorage Municipal Charter Section 11.02(b) be amended, effective on and retrospective to the day before this election, to read as follows: (note: words added by this amendment are underlined.)

Section 11.02. Election procedures

(b) No person may hold the office of Mayor of Anchorage, Anchorage School Board, or the Anchorage Municipal Assembly as a result of any election, regular or special, without receiving a majority of the votes cast for the office. A majority is defined as 50 percent plus at least one vote. In the event that no single candidate receives a majority, the two candidates receiving the most votes in the regular election shall have a run-off election on the first Tuesday of the month following the subject election to establish the winner. In the case of a special election, the two candidates receiving the most votes shall have a run-off no more than 30 days subsequent to the special election. Run-off elections under this section are not required, however, in races where the names of no more than two candidates appeared on the initial ballot, unless a write-in candidate received more votes than a candidate whose name is on the ballot.

If approved by a majority of the voters this provision would apply to the results of this election to determine whether a run-off is required. (AO 2001-42(S) as amended).
