

EFFECTIVE OCT 12, 2021

Municipality of Anchorage Public Health Emergency Ordinance EO 2021-3: Masks Required in Public Spaces

- Masks or face coverings should be worn indoors in areas which are open to the public or which are communal spaces shared with other individuals not from one's household
- Masks or face coverings should rest snugly above the nose, below the mouth, and on the sides of the face
- Individuals who cannot tolerate a mask due to physical or mental disability may request a reasonable accommodation and children five and under are exempt (see October 12 Emergency Ordinance for full list of exemptions)
- Additionally, the Anchorage Assembly recommends:
 - Vaccinations
 - Observe physical distancing and limit gatherings
 - Stay home when sick, wash hands, and wash surfaces
