ANCHORAGE, ALASKA
AR No. 2020-93, As Amended

A RESOLUTION OF THE ANCHORAGE ASSEMBLY REQUESTING THE ADMINISTRATION’S COOPERATION TO EXTEND THE PROPERTY TAX INSTALLMENT PAYMENT DUE DATES AND THE BUSINESS PERSONAL PROPERTY AND INVENTORY TAX RETURN FILING DATE IN RESPONSE TO THE EFFECTS OF THE COVID-19 PANDEMIC.

WHEREAS, the COVID-19 pandemic and accompanying restrictions place a significant economic hardship on businesses, their employees and residents of the Municipality of Anchorage (MOA); and

WHEREAS, the dramatic decrease in income caused by necessary business closures and ‘Hunker Down’ policies may impact residents’ and businesses’ ability to pay property taxes on time; and

WHEREAS, Alaska Statute 29.45.240(a) requires “the date when taxes become delinquent” to be fixed by resolution; and

WHEREAS, Anchorage Municipal Code subsection 12.15.060A. states that property taxes may be paid in two installments, and that property tax bills shall be mailed at least 30 days prior to the date taxes become due; and

WHEREAS, under AMC subsection 12.15.060C.2 there is a seven-calendar-day grace period after the date taxes become due before a penalty of 10% of the amount owed is assessed; and

WHEREAS, the Administration traditionally submits a resolution for Assembly action establishing the due dates and date of delinquency for real property tax installment payments during the month of April, and those dates have been set as June 15 and August 15 for many years; and

WHEREAS, on the first installment due date the majority of real property taxes are received as a result of escrow account payments, providing approximately $248 million in revenue to the MOA Treasury that immediately becomes available for ongoing operating budget expenditures; and

WHEREAS, the Administration advises the longest it can forego this large deposit into the MOA Treasury based on current funds status is 30 days; and
WHEREAS, AMC section 12.10.040 requires business personal property and inventory tax returns to be filed or postmarked on or before April 20, and provides for penalties and interest to be applied for returns filed late; and

WHEREAS, the Administration traditionally submits a resolution for Assembly action establishing the due dates for business personal property and inventory tax installments during the month of July, and those dates have been set as August 31 and October 31 for many years; and

WHEREAS, the Assembly has called on other entities to provide some economic relief to the impacts of the COVID-19 and desires to lead by example and provide relief from upcoming tax payment and filing requirements to the extent the Municipality can do so without risking its financial position and bond rating; now, therefore

THE ANCHORAGE ASSEMBLY RESOLVES that relief to property tax payers should be provided in light of the economic impacts of COVID-19 and requests the Administration submit a resolution that extends the due dates for payment of installments of real and personal property taxes for 2020 by at least 30 days later than usual, to July 15 and September 15 for the first and second installment real property tax payments, and September 30 and November 30 for the first and second half personal property tax payments; and further requests that the Administration similarly submit an ordinance to extend the deadline for filing business personal property and inventory tax returns past the April 20 due date by at least 30 days, and further, that the Administration submit an ordinance that provides for a pro-rated exemption for 2020 only of the business personal property and inventory tax for the period in which a business was forced to close by an Emergency Order or regulation.

PASSED AND APPROVED by the Anchorage Assembly this 31st day of March, 2020.

MUNICIPALITY OF ANCHORAGE
PROCLAMATION OF EMERGENCY
"HUNKER DOWN" ORDER
EO-03

ISSUED BY THE MAYOR OF THE MUNICIPALITY OF ANCHORAGE PURSUANT TO ANCHORAGE MUNICIPAL CODE SECTION 3.80.060H.

The COVID-19 pandemic has generated a public health emergency that threatens to overwhelm our health system, endangering the lives and wellbeing of the people of Anchorage. We can take steps to slow and hopefully contain the threat, but those steps require coordinated community action. This order is put forward to preserve the health and safety of our community while ensuring that vital goods and services continue to be available.

I HEREBY ORDER THE FOLLOWING EMERGENCY RESPONSE TO PRESERVE LIFE IN AND ADJACENT TO THE MUNICIPALITY. THE FOLLOWING EMERGENCY REGULATIONS BEGIN AT 10:00 P.M. ON SUNDAY, MARCH 22, 2020 AND REMAIN IN EFFECT UNTIL 11:59 P.M. ON TUESDAY, MARCH 31, 2020.

1. Everyone currently in the Municipality of Anchorage (the “Municipality”) shall stay at home as much as possible, except to work in certain critical jobs, listed below; to buy, sell, or deliver groceries or other important goods; to receive or provide health care; and to get fresh air without contacting others. On the limited occasions when individuals leave home, they should maintain social distancing of at least six feet from any person outside their household whenever possible. Individuals are also encouraged to practice recommended hygiene, including regular hand washing.

   • Individuals experiencing homelessness are exempt from this Section, but are strongly urged to obtain shelter, and entities are strongly urged to make such shelter available as soon as possible and to the maximum extent practicable (and to use COVID-19 risk mitigation practices in their operation).

2. It is strongly recommended, in accordance with Center for Disease Control (CDC) guidance, that certain individuals within the Municipality should take even greater precaution.

   a. Anyone particularly at-risk from COVID-19 should reduce exposure by staying at home, not physically going to work, and not doing their own shopping if possible. People particularly at risk of complications from COVID-19 include those 60 years and older and individuals of any age with a serious underlying medical condition. Household members of those who are at elevated risk should implement these more stringent guidelines as well, to the extent possible.
a. Anyone more likely to be contagious with COVID-19 should reduce contact with others even further by not leaving home except to obtain medical care or to get fresh air. People who are more likely to be contagious include individuals exhibiting symptoms of COVID-19 (including coughing, shortness of breath, and fever) and individuals who have recently traveled. Individuals who have recently travelled outside the Municipality are advised, in accordance with CDC guidelines, to stay at home as much as possible for fourteen days. Household members of those who are possibly contagious should implement these more stringent guidelines as well, to the extent possible.
