APD Alternate Dispatch Relocation to APD Training Center

Project ID	PD2017002	Department	Police
Project Type	Renovation	Start Date	June 2021
Location	Assembly: Areawide, HD 50: Anchorage Areawide	End Date	September 2022

Description

Relocate the current Alternate E911 Dispatch Center from the Emergency Operations Center (EOC) to the Anchorage Police Department (APD) Training Center Facility located at Jewel Lake and Dimond Blvd. The current location at the EOC is no longer of adequate size to accommodate the alternate dispatch center due to the addition of increased technology in the 2017 CAD/RMS and E911 System Rehabilitation projects.

Comments

Justification:

The APD Training Facility already has an existing environment capable of fully supporting the Alternate Dispatch Center. A back generator and building UPS System will provide the necessary emergency backup for the facility while the new rehabilitated Air Handling system will accommodate the increased number of employees and equipment. Remodel of the EOC to accommodate the requirements of the current E911 Alternate Dispatch Center is not feasible.
