## Purchasing Department

*Anchorage: Performance. Value. Results*

---

**Measure #1: Cost to provide efficient purchasing services as a percent of total MOA purchases and compare to national benchmarks:**

2016 -- .1%  
2017 -- .1%  
2018 -- .1%  
2019 -- .1%

Benchmark: Below 1%

**Measure #2: Number of formal protests sent to Bidding Review Board (BRB)**

2016 -- 1 - (Upper O'Malley LRSA)  
2017 -- 0  
2018 -- 0  
2019 -- 0

Goal: 0

**Measure #3: Expenditures in the local area**

2016 - 41% (this remains artificially low due to the ML&P power plant contract and other specialized contracts not available from in state sources. Without these actions, the instate % is 79%)

2017 – 65% (this remains artificially low due to the ML&P power plant contract and other specialized contracts not available from in state sources. Without these actions, the instate % is 68%)

2018 – 40% - We have changed our measures from reflecting all of Alaska to only reflecting Anchorage, of the \$258 Million spent, 40% was in Anchorage.

2019 – 38% of \$104 Million

No formal Goal but matter of local interest
